Formes,1891 Autobiography of the Life and Times of the Rev. George Pegler George Pegler,1879 **Treadmill to Oblivion** Fred Allen,2009-03-01 Fred Allen born John Florence Sullivan 1894 1956 was an American comedian whose absurdist pointed radio show 1934 1949 made him one of the most popular and forward looking humorists in the so called classic era of American radio **The Letters of George Santayana: 1941-1947** George Santayana,2001 The seventh and penultimate book of the letters of American philosopher George Santayana covering the years 1941 to 1947 and including letters to such correspondents as Daniel Cory John Hall Wheelock Robert Lowell and others This penultimate volume of Santayana s letters chronicles Santayana s life during a difficult time the war years and the immediate postwar period The advent of World War II left Santayana isolated in Rome and the difficulties of wartime travel across borders forced him to abandon plans to move to more agreeable locations in Switzerland or Spain During these years Santayana lived in a single room in a nursing home run by the Blue Sisters of the Little Company of Mary in Rome where during the winter months he did much of his writing in bed wearing well mended gloves in order to stay warm And yet despite wartime deprivations illness and old age he was 77 in 1941 Santayana was remarkably productive completing both his autobiography *Persons and Places* and *The Idea of Christ in the Gospels* or *God in Man* and all but completing *Dominations and Powers* He confided to one correspondent that he had never been more at peace or more happy The eight books of *The Letters of George Santayana* bring together over 3 000 letters many of which have been discovered in the fifty years since Santayana s death Letters in Book Seven are written to such correspondents as his friend and protégé Daniel Cory his financial manager and heir George Sturgis and the American poet Robert Lowell The correspondence with Lowell which began when the younger writer sent Santayana a copy of his Pulitzer Prize winning *Lord Weary s Castle* signals an important new friendship which became a source of affection and intellectual engagement in Santayana s final years **Autobiography of Sir George Biddell Airy** George Biddell Airy,1896 Story of My Life George Sand,1991-07-03 **Walking on Air by George the Greek** George Livieratos,2003-12-26 This book is a story about the life of George Livieratos whose success personified the American Dream It is a story of an adventurous life filled with endless involvements As a young child in Greece he becomes an orphan during World War II when both of his parents were killed during a German bombing attack Joining the merchant marines George

traveled around the world and enjoyed the experiences of many cultures At the age of 21 George immigrated to the United States After 35 years of hard work and a lot of good times he reaches a financial plateau of rich and fame He had become the Chairman of one of the fastest growing penny stock companies on Wall Street In 1983 George became one of the first targets of the United States Organized Crime Task Force This action brought him and his family into the lowest level of human despair when ultimately led to the death of his son and the destruction of his financial empire The story is very exciting it tells how he made his deals and can help to mature students of business overnight His deal making shows a simple way to do business using common sense and golden rules George is a capitalist with a liberal heart It takes courage and power to face the forces of evil to defy them provoke them and ignore their ruthless power The transcripts of his trials prove his courage and statements This book tells how he stood up for his principles of loyalty pride and self respect Sacrificing himself and taking a fall Discover how the resolve of this Greek immigrant s mind and soul empowered him to defy incarceration and even death from his compelled oppressors In 1986 when he was incarcerated and refused bail pending his appeal his morale remained as furious as ever This story details how the U S Justice Department prosecuted and convicted Mr Livieratos and his co defendants The story indicates that interpretation politics and selective application of the law can lead to the conviction of the best intentioned while protecting the potentially less desirable His description of the Federal Prison System is in such detail and simplicity that it can be used by inmates as a Federal Prison manual His characterization of governmental regulatory agencies depicts them as large bureaucratic quagmires which complicates and destroys the interest of the victimized citizens Although considered outrageous by some he provides opinions on how he thinks organized crime and the mafia was a better alternative to the current drug infested street crime His human instincts will open the public s eyes and hearts for a better society based on love and care for all humans The author hopes this book will wake up Americans to strive for equal justice for all regardless of your social status color or religion The Authors main point is to expose his characterization of the hypocrisy of government officials who don t care about the people but only the power they possess His colorful sexual encounters and lustful desires add some levity to an otherwise tragic Greek epic
