George Cukor A Double Life:

George Cukor Patrick McGilligan,2013-02-01 One of the highest paid studio contract directors of his time George Cukor was nominated five times for an Academy Award as Best Director In publicity and mystique he was dubbed the women s director for guiding the most sensitive leading ladies to immortal performances including Greta Garbo Ingrid Bergman Judy Garland and in ten films among them The Philadelphia Story and Adam s Rib his lifelong friend and collaborator Katharine Hepburn But behind the women s director label lurked the open secret that set Cukor apart from a generally macho fraternity of directors he was a homosexual a rarity among the top echelon Patrick McGilligan s biography reveals how Cukor persevered within a system fraught with bigotry while becoming one of Hollywood s consummate filmmakers **George**

Cukor Patrick McGilligan,2013 One of the highest paid studio contract directors of his time and dubbed the women s director George Cukor was five times nominated for an Academy Award as Best Director and he was a homosexual a rarity among the top echelon Patrick McGilligan s biography reveals how Cukor persevered within a system fraught with bigotry while becoming one of Hollywood s consummate filmmakers *George Cukor* Murray Pomerance,2015-07-07 George Cukor is one of the studio era s most famous and admired directors with many of the American cinema s most beloved classics to his credit including The Women Gaslight Adam s Rib A Star is Born and My Fair Lady to his credit Not himself a scriptwriter he was particularly adept at choosing which properties to adapt and then managing the adaptation process with verve and effectiveness What makes for a good adapter for a talented master of ceremonies who knows where to put everything and everybody including the camera Who knows how to make a property his own even while enhancing the value it has as belonging to someone else The essays in this volume provide a series of complementary answers to those questions Though many of his films are celebrated Cukor has hitherto not received appropriate critical attention Cukor s interest in the various forms of indoor cinema lacked the generic focus of Ford s westerns and Hitchcock s thrillers His style was theatricality writ large a successful transference to the screen of what he had learned from his successful Broadway career including the outsized often flamboyant handling of emotionality Yet Cukor was also a man of the cinema fascinated by the ever developing potentials of his adopted medium as shown by the more than fifty films he directed in a career that endured from the early sound era into the 1970s **What Price Hollywood?** Elyce Rae Helford,2020-06-23 During the early Hollywood sound era studio director George Cukor produced nearly fifty films in as many years famously winning the Best Director Oscar at the 1964 Academy Awards for My Fair Lady His collaborations with so called difficult actresses such as Katharine Hepburn Judy Garland and Marilyn Monroe unsettled producers even as his ticket sales lined their pockets Fired from Gone with the Wind for giving Vivien Leigh more screen time than Clark Gable Cukor quickly earned a double sided reputation as a woman s director While the label celebrated his ability to help actresses deliver their best performances the epithet also branded the gay director as suitable only for work on female centered movies such as melodramas and romantic comedies Desperate for

success after a failed drag film nearly ended his career Cukor swore to work within Hollywood's constraints Nevertheless What Price Hollywood Gender and Sex in the Films of George Cukor finds that Cukor continued to explore gender and sexuality on screen Drawing on a broad array of theoretical lenses Elyce Rae Helford examines how Cukor's award winning films titles including My Fair Lady and The Philadelphia Story as well as his lesser known films engage Hollywood masculinity and gender performativity through camp drag and mixed genres Blending biography with critical analysis of more than twenty five films What Price Hollywood tells the story of a once in a generation director who produced some of the best films in history

George Cukor's People Joseph McBride,2024-12-17 The director of classic films such as Sylvia Scarlett The Philadelphia Story Gaslight Adam's Rib A Star Is Born and My Fair Lady George Cukor is widely admired but often misunderstood Reductively stereotyped in his time as a woman's director a thinly veiled disparaging code for gay he brilliantly directed a wide range of iconic actors and actresses including Cary Grant Greta Garbo Spencer Tracy Joan Crawford Marilyn Monroe and Maggie Smith As Katharine Hepburn the star of ten Cukor films told the director All the people in your pictures are as goddamned good as they can possibly be and that's your stamp In this groundbreaking lavishly illustrated critical study Joseph McBride provides insightful and revealing essayistic portraits of Cukor's actors in their most memorable roles The queer filmmaker gravitated to socially adventurous subversively rule breaking audacious dreamers who are often sexually transgressive and gender fluid in ways that seem strikingly modern today McBride shows that Cukor's seemingly self effacing body of work is characterized by a discreet way of channeling his feelings through his actors He expertly cajoled actors usually gently but sometimes with bracing harshness to delve deeply into emotional areas they tended to keep safely hidden Cukor's wry wit his keen sense of psychological and social observation his charm and irony and his toughness and resilience kept him active for more than five decades in Hollywood George Cukor's People gives him the in depth multifaceted examination his rich achievement deserves

Combining new archival research on the films production with sharp analysis of their imagery and political messages the book also assesses their reception through box office figures and newspaper reviews It examines both high profile and lesser known films on overseas colonialism including *The King and I* *Bhowani Junction* and *Island in the Sun* and tackles treatments of miscegenation and internal colonialism that appeared in Westerns and American films like *Pinky* and *Giant* The first truly transnational history of cinema s role in decolonization this powerful book weaves a unified historical narrative out of the experiences of three colonial powers in diverse geographic settings
