George 1822-1854 Lippard,John Bell 1830-1902 Bouton,2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The life and choice writings of George Lippard. With a portrait, and fac-simile of a portion of a letter written in the early part of his illness** George Lippard,1855 **Washington and His Generals**

George Lippard,1847 **The Cardinals Daughter** Catherine Ann Warfield,1877 Staged Readings Michael D'Alessandro,2022-09-26 Staged Readings studies the social consequences of 19th century America s two most prevalent leisure forms theater and popular literature In the midst of watershed historical developments including numerous waves of immigration two financial Panics increasing wealth disparities and the Civil War American theater and literature were developing at unprecedented rates Playhouses became crowded with new spectators best selling novels flew off the shelves and all the while distinct social classes began to emerge While the middle and upper classes were espousing conservative

literary tastes and attending family matinees and operas laborers were reading dime novels and watching downtown spectacle melodramas like *Nymphs of the Red Sea* and *The Pirate's Signal* or *The Bridge of Death* As audiences traveled from the reading parlor to the playhouse and back again they accumulated a vital sense of social place in the new nation In other words culture made class in 19th century America Based in the historical archive Staged Readings presents a panoramic display of mid century leisure and entertainment It examines best selling novels such as Harriet Beecher Stowe's *Uncle Tom's Cabin* and George Lippard's *The Quaker City* But it also analyzes a series of sensational melodramas parlor theatricals doomsday speeches tableaux vivant displays curiosity museum exhibits and fake volcano explosions These oft overlooked spectacles capitalized on consumers previous cultural encounters and directed their social identifications The book will be particularly appealing to those interested in histories of popular theater literature and reading social class and mass culture

Beneath the American Renaissance David S. Reynolds, 2011-06-01 The award winning *Beneath the American Renaissance* is a classic work on American literature It immeasurably broadens our knowledge of our most important literary period as first identified by F O Matthiessen's *American Renaissance* With its combination of sharp critical insight engaging observation and narrative drive it represents the kind of masterful cultural history for which David Reynolds is known Here the major works of Emerson Thoreau Whitman Poe Hawthorne Melville and Dickinson receive striking original readings set against the rich backdrop of contemporary popular writing Now back in print the volume includes a new foreword by historian Sean Wilentz that reveals the book's impact and influence A magisterial work of criticism and cultural history *Beneath the American Renaissance* will fascinate anyone interested in the genesis of America's most significant literary epoch and the iconic figures who defined it *The Brotherhood*, 1903 **Capitalism by Gaslight** Brian P. Luskey, Wendy A. Woloson, 2015-03-18 While elite merchants financiers shopkeepers and customers were the most visible producers consumers and distributors of goods and capital in the nineteenth century they were certainly not alone in shaping the economy Lurking in the shadows of capitalism's past are those who made markets by navigating a range of new financial instruments information systems and modes of transactions prostitutes dealers in used goods mock auctioneers illegal slavers traffickers in stolen horses emigrant runners pilfering dock workers and other ordinary people who through their transactions and lives helped to make capitalism as much as it made them *Capitalism by Gaslight* illuminates American economic history by emphasizing the significance of these markets and the cultural debates they provoked These essays reveal that the rules of economic engagement were still being established in the nineteenth century delineations between legal and illegal moral and immoral acceptable and unsuitable were far from clear The contributors examine the fluid mobility and unstable value of people and goods the shifting geographies and structures of commercial institutions the blurred boundaries between legitimate and illegitimate economic activity and the daily lives of men and women who participated creatively and often subversively in American commerce With subjects ranging from women's studies and

African American history to material and consumer culture this compelling volume illustrates that when hidden forms of commerce are brought to light they can become flashpoints revealing the tensions fissures and inequities inherent in capitalism itself Contributors Paul Erickson Robert J Gamble Ellen Gruber Garvey Corey Goetsch Joshua R Greenberg Katie M Hemphill Craig B Hollander Brian P Luskey Will B Mackintosh Adam Mendelsohn Brendan P O Malley Michael D Thompson Wendy A Woloson

Transatlantic Sensations John Cyril Barton, Kristin N. Huston, a Preface by David S. Reynolds, 2016-02-24 Bringing together sensation writing and transatlantic studies this collection makes a convincing case for the symbiotic relationship between literary works on both sides of the Atlantic Transatlantic Sensations begins with the prehistories of the genre looking at the dialogue and debate generated by the publication of sentimental and gothic fiction by William Godwin Susanna Rowson and Charles Brockden Brown Thus establishing a context for the treatment of works by Louisa May Alcott Mary Elizabeth Braddon Dion Boucicault Wilkie Collins Charles Dickens George Lippard Charles Reade Harriet Beecher Stowe and George Thompson the volume takes up a wide range of sensational topics including sexuality slavery criminal punishment literary piracy mesmerism and the metaphors of foreign literary invasion and diseased reading Concluding essays offer a reassessment of the realist and domestic fiction of George Eliot Charlotte Yonge and Thomas Hardy in the context of transatlantic sensationalism emphasizing the evolution of the genre throughout the century and mapping a new transatlantic lineage for this immensely popular literary form The book's final essay examines an international kidnapping case that was a journalistic sensation at the turn of the twentieth century

Washington and His Generals, 1776 George Lippard, 2007-09-15 Published posthumously on the occasion of America's centennial celebration George Lippard's Washington and His Generals 1776 compiles into a single volume his five popular books of Revolutionary era historical fiction The first book The Battle Day of Germantown features Lippard's hometown and George Washington's intricate and ultimately overcomplicated assault on the British during the Philadelphia campaign of the American Revolution The Wissahikon the second book depicts the defecting of a Tory to the rebel cause after witnessing General William Howe's failed attempt to bribe a pious George Washington following the British capture of Philadelphia In Benedict Arnold the infamous treachery of the treasonous Continental Army general is the subject With The Battle of the Brandywine Lippard recounts the American despair over the September 11 1777 battle that drove back the Continental forces leaving the capital in Philadelphia under British occupation The collection ends with the fifth book The Fourth of July 1776 his imagined version of the day that inspired most of Lippard's patriotic writing It includes the often quoted Speech of the Unknown given by an anonymous revolutionary which in the book provided the final impetus for the delegates to sign the Declaration of Independence

A Greene Country Towne Alan C. Braddock, Laura Turner Igoe, 2016-12-12 An unconventional history of Philadelphia that operates at the threshold of cultural and environmental studies A Greene Country Towne expands the meaning of community beyond people to encompass nonhuman beings things and forces By examining a diverse range of

cultural acts and material objects created in Philadelphia from Native American artifacts early stoves and literary works to public parks photographs and paintings through the lens of new materialism the essays in *A Greene Country Towne* ask us to consider an urban environmental history in which humans are not the only protagonists This collection reimagines the city as a system of constantly evolving constituents and agencies that have interacted over time a system powerfully captured by Philadelphia artists writers architects and planners since the seventeenth century In addition to the editors contributors to this volume are Maria Farland Nate Gabriel Andrea L M Hansen Scott Hicks Michael Dean Mackintosh Amy E Menzer Stephen Nepa John Ott Sue Ann Prince and Mary I Unger **A Secret Society History of the Civil War** Mark A.

Lause, 2011-12-01 This unique history of the Civil War considers the impact of nineteenth century American secret societies on the path to as well as the course of the war Beginning with the European secret societies that laid the groundwork for Freemasonry in the United States Mark A Lause analyzes how the Old World s traditions influenced various underground groups and movements in America particularly George Lippard s Brotherhood of the Union an American attempt to replicate the political secret societies that influenced the European revolutions of 1848 Lause traces the Brotherhood s various manifestations the most conspicuous being the Knights of the Golden Circle out of which developed the Ku Klux Klan and the Confederate secret groups through which John Wilkes Booth and others attempted to undermine the Union Lause profiles the key leaders of these organizations with special focus on George Lippard Hugh Forbes and George Washington Lafayette Bickley Antebellum secret societies ranged politically from those with progressive or even revolutionary agendas to those that pursued conservative or oppressive goals This book shows how in the years leading up to the Civil War these clandestine organizations exacerbated existing sectional tensions in the United States Lause s research indicates that the pervasive influence of secret societies may have played a part in key events such as the Freesoil movement the beginning of the Republican party John Brown s raid on Harpers Ferry Lincoln s election and the Southern secession process of 1860 1861 This exceptional study encompasses both white and African American secret society involvement revealing the black fraternal experience in antebellum America as well as the clandestine operations that provided assistance to escaped slaves via the Underground Railroad Unraveling these pervasive and extensive networks of power and influence *A Secret Society History of the Civil War* demonstrates that antebellum secret societies played a greater role in affecting Civil War era politics than has been previously acknowledged *The Body of Property* Chad Luck, 2014-09-15 What does it mean to own something How does a thing become mine Liberal philosophy since John Locke has championed the salutary effects of private property but has avoided the more difficult questions of property s ontology Chad Luck argues that antebellum American literature is obsessed with precisely these questions Reading slave narratives gothic romances city mystery novels and a range of other property narratives Luck unearths a wide ranging literary effort to understand the nature of ownership the phenomenology of possession In these antebellum texts ownership is not an abstract legal form but a lived relation a dynamic

of embodiment emerging within specific cultural spaces a disputed frontier a city agitated by class conflict Luck challenges accounts that map property practice along a trajectory of abstraction and virtualization The book also reorients recent Americanist work in emotion and affect by detailing a broader phenomenology of ownership one extending beyond emotion to such sensory experiences as touch taste and vision This productive blend of phenomenology and history uncovers deep seated anxieties and enthusiasms about property across antebellum culture The Publishers' Trade List Annual ,1877

The Pew and the Picket Line Christopher D. Cantwell, Heath W. Carter, Janine Giordano Drake, 2016-03-30 The Pew and the Picket Line collects works from a new generation of scholars working at the nexus where religious history and working class history converge Focusing on Christianity and its unique purchase in America the contributors use in depth local histories to illustrate how Americans male and female rural and urban and from a range of ethnic backgrounds dwelt in a space between the church and the shop floor Their vivid essays show Pentecostal miners preaching prosperity while seeking miracles in the depths of the earth while aboveground black sharecroppers and white Protestants establish credit unions to pursue a joint vision of cooperative capitalism Innovative and essential The Pew and the Picket Line reframes venerable debates as it maps the dynamic contours of a landscape sculpted by the powerful forces of Christianity and capitalism Contributors Christopher D Cantwell Heath W Carter Janine Giordano Drake Ken Fones Wolf Erik Gellman Alison Collis Greene Brett Hendrickson Dan McKanan Matthew Pehl Kerry L Pimblott Jarod Roll Evelyn Sterne and Arlene Sanchez Walsh *American Sensations* Shelley Streeby, 2002-05-10 American Sensations is an erudite and sweeping cultural history of the sensationalist literatures and mass cultures of the American 1848 It is the finest book yet written on the U S Mexican War and how it was central to the making and unmaking of U S mass culture class and racial formation Jos David Sald var author of Border Matters Remapping American Cultural Studies A major work that will challenge current paradigms of nineteenth century literature and culture American Sensations brilliantly succeeds in remapping the volatile and shifting terrain of both national identity and literary history in the mid nineteenth century Amy Kaplan co editor of Cultures of United States Imperialism

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of George Lippard eBooks, including some popular titles.

FAQs About George Lippard Books

What is a George Lippard PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How**

do I create a George Lippard PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a George Lippard PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a George Lippard PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a George Lippard PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
