*George MacDonald in the Pulpit* George MacDonald, 1996-11-01      The Victorian Pulpit Robert H. Ellison, 1998 The Victorian Pulpit is the first book to employ the methods of orality literacy scholarship in the study of the nineteenth century British sermon The first chapters present three ways in which Victorian preaching was a conflation of oral and written practice The second part is an analysis of the rhetoric of three prominent ministers The book concludes by suggesting other ways of bringing orality literacy studies and Victorian scholarship together      **George MacDonald's Challenging Theology of the Atonement, Suffering, and Death** Miho Yamaguchi, 2007-06 This book sheds light on the challenging theology of nineteenth century Scottish writer George MacDonald concerning the true meaning of the Atonement the purpose of trials and suffering the nature of the unpardonable sin hope for growth and death Under consideration is Thomas Hooker's Poor Doubting Christian Drawn unto Christ on the redemption of Joan Drake and its influence on MacDonald's Wingfold trilogy MacDonald's version of the Wandering Jew MacDonald's interpretation of Coleridge's The Rime of the Ancient Mariner and Dante's Divine Comedy and similarities and differences between the theological ideas of MacDonald C S Lewis Elizabeth Prentiss and Shusaku Endo      George MacDonald - The Unspoken Sermons George MacDonald, 2014-12-18 George MacDonald was born on December 10th 1824 at Huntly Aberdeenshire Scotland where he grew up with the Congregational Church with its atmosphere of Calvinism to which George never really attached himself His mother when he was only 8 and by 16 George was successful in obtaining a bursary to King's College in Aberdeen and from which he also received his M A In 1846 George had his first poem published anonymously By 1848 he was attending Highbury Theological College to study for the Congregational ministry and also engaged to Louisa Powell By 1850 George was appointed as the pastor of Trinity Congregational Church in Arundel Later that year he suffered his first severe haemorrhage in what was to become a lifelong battle with declining health In his ministry his sermons were at odds with the Church and their more segmented views Three years later he resigned from the pulpit His collection of poems Within and Without was published in 1855 and in 1858 so too was Phantastes His career would now flourish and along with very successful lecture tours were published such classics as At the Back of the North Wind Wilfrid Cumbermede The Princess and the Goblin and Exotics From 1880 he and his family moved to Bordighera on the Riviera dei Fiori in Liguria Italy where he spent 20 years writing But ill health continued to strike at him By 1898 a stroke had taken his voice In 1901 George and Louisa were able to celebrate their Golden Wedding anniversary though sadly Louisa was to pass away on January 13th 1902 whilst at Bordighera On 18th September 1905 George MacDonald died at Sagamore Ashted in Surrey He was cremated and his ashes buried at Bordighera in the English cemetery along with his wife Louisa and daughters Lilia and Grace      **George MacDonald** Richard H. Reis, A critical study of this nineteenth century Scot's writings in two genres the sentimental Victorian novel and the symbolic fantasies      **George MacDonald's Children's Fantasies and the Divine Imagination** Colin

Manlove,2020-01-01 The great Victorian Christian author George MacDonald is the well spring of the modern fantasy genre In this book Colin Manlove offers explorations of MacDonald s eight shorter fairy tales and his longer stories At the Back of the North Wind The Princess and the Goblin The Wise Woman and The Princess and Curdie MacDonald saw the imagination as the source of fairy tales and of divine truth together For he believed that God lives in the depths of the human mind and sends up from thence wonderful gifts into the light of the understanding This makes MacDonald that very rare thing a writer of mystical fiction whose work can give us experience of the divine Throughout his children s fantasy stories MacDonald is describing the human and divine imagination In the shorter tales he shows how the imagination has different regions and depths each able to shift into the other With the longer stories we see the imagination in relation to other aspects of the self and to its position in the world Here the imagination is portrayed as often embattled in relation to empiricism egotism and greed **Plymouth Pulpit** Beecher, Henry Ward,1875 **George MacDonald and the Late Great Hell Debate** Michael

Phillips,George MacDonald,2018-10-28 The leading MacDonald scholar settles the longstanding debate about the author s views on hell with an in depth analysis of his thought on the afterlife Throughout his extensive and influential writings on Christian theology George MacDonald only hints at his perspectives on hell atonement and everlasting punishment Nowhere does he clearly state a doctrinal position on the subject As a result a controversy has raged for more than a century about whether or not MacDonald was a universalist Now MacDonald scholar and biographer Michael Phillips tackles the great hell debate head on in this authoritative book With numerous quotes from MacDonald s writings and his extensive knowledge of MacDonald s work Phillips blows the lid off the debate by illuminating the full scope of MacDonald s afterlife vision One of the most significant studies of MacDonald s theological perspectives ever written this is a must read for all serious students of George MacDonald **A Novel Pulpit** David L. Neuhouser,2010-05 In MacDonald s novels the Christian teaching

emerges out of the characters and story line the narrator s comments and inclusion of sermons given by the fictional preachers These sermons in the novels are shorter than the ones in the collections of MacDonald s sermons and so are perhaps more accessible for some In any case they are both stimulating and thought provoking It is my opinion that this collection of sermons from ten novels will bring the freshness and brilliance of MacDonald s message to a new generation Each sermon has an introduction giving some explanation of the setting of the sermon or of the plot if that is necessary for understanding the sermon A Novel Pulpit is the first in what is planned as a bi annual book series by The Center for the Study of C S Lewis and Friends at Taylor University *Haunted Childhoods in George MacDonald* John Patrick

Pazdziora,2020-08-25 George MacDonald is generally remembered as a benevolent preacher who wrote fairy tale books for children Closer reading however reveals one of the most startlingly inventive slyly subversive Scottish writers of the nineteenth century His writings for children emerged from his own long struggle with faith and doubt in the face of multiple bereavements chronic illness and the persistent threat of early death *Haunted Childhoods in George MacDonald* reconsiders

death and divine love in MacDonald's writings for children. It examines his private letters and public sermons, obscure early writings, and most beloved stories. Setting his work alongside texts by James Hogg and Andrew Lang, it argues that MacDonald appropriated traditional Scottish folk narratives to help child readers apprehend his mystically inclined understanding of mortality. [George MacDonald: A Writer's Life](#) Michael Phillips, 2019-05-07. The leading MacDonald scholar and biographer presents the most comprehensive work to date on the 19th-century author's life and work. Best known for his fiction and fairy tales such as the immortal classics *Robert Falconer* and *At the Back of the North Wind*, the Victorian author and theologian George MacDonald inspired some of the greatest writers of the 19th and 20th centuries. Most notably, C. S. Lewis credits MacDonald's books with inspiring his works of fantasy fiction as well as putting him on the path to Christianity. In this major biographical work, MacDonald scholar Michael Phillips examines how the events of the author's life contributed to his work and legacy. Referring to this volume as a bibliographic biography, Phillips brings his expertise to bear on the complete corpus of MacDonald's fiction, pointing out each book's essential themes and offering insights into how each title can be most perceptively be read. **George Macdonald and His Wife** Greville Macdonald, 1924. *George Macdonald* Rolland Hein, 2014-11-10. C. S. Lewis once remarked that his debt to George MacDonald's writings was almost as great as one man can owe to another. I know hardly any other writer who seems to be closer or more continually close to the Spirit of Christ Himself. Born in Scotland in 1824, MacDonald was educated at King's College in Aberdeen and Highbury Seminary in London. As a Christian minister, he indulged early his fondness and skill in the writing of poetry, then fantasy and fiction as well as sermons. Quickly becoming known for his literary skills, he became a popular writer and lecturer, counting among his friends and fans Lady Byron, Alfred Lord Tennyson, Mark Twain, John Ruskin, Matthew Arnold, and Lewis Carroll, who only published *Alice's Adventures in Wonderland* at the urging of the MacDonald family. At the time of his death in 1905, he left behind a large volume of work that has had a profound influence on many writers, including G. K. Chesterton, C. S. Lewis, J. R. R. Tolkien, Madeleine L. Engle, and Frederick Buechner. This seminal biography is based upon a careful researching of thousands of letters written to and by MacDonald as well as personal papers and documents collected in museums and libraries in America and Europe. A noted MacDonald scholar, Rolland Hein spent over a decade reading and researching these documents with a view to exploring those aspects of the life and experiences of this great author and saint that have so profoundly influenced many of the seminal authors of the twentieth century. **The American Monthly Review of Reviews**, 1905. [3,000 Quotations from the Writings of George MacDonald](#) George MacDonald, 2020-01-24. In this comprehensive collection of his thought, readers of George MacDonald will discover what one of his editors, Rolland Hein, calls the strength and captivating moral beauty of his convictions. Drawn from his sermons, novels, poetry, and letters, 3,000 Quotations from the Writings of George MacDonald distills MacDonald's exuberant celebration of the close connection

between the human and the divine Harry Verploegh a lifelong collector of more than one hundred thousand useful and inspiring sayings from a variety of thinkers compiled these three thousand quotes under topics today s preachers speakers and writers will find both relevant and timely     **Unity** ,1880     *The Living Church* ,1946     Littell's Living Age Eliakim Littell,Robert S.
