

George Washington
Reconsidered

EDITED BY GORDON H. B. GIBBON

George Washington Reconsidered

Heinz Tschachler

George Washington Reconsidered:

George Washington Reconsidered Don Higginbotham, 2001 George Washington heroic general of the Revolution master of Mount Vernon and first president of the United States remains the most enigmatic figure of the founding generation with historians and the public at large still arguing over the strengths of his character and the nature of his intellectual and political contributions to the early republic Representing the finest recent scholarship on Washington these thirteen essays by the leading scholars in the field strike a balance in their focus between Washington's personal life and character and his public life as a soldier and political figure Editor Don Higginbotham provides an introduction about Washington and his treatment by historians and an afterword devoted to how the American people have viewed Washington including the 1999 commemorations of the bicentennial of his death With three essays written specifically for this volume *George Washington Reconsidered* is the first collection of its kind to be published in over thirty years

A Companion to George Washington Edward G. Lengel, 2012-04-19 Utilizing new primary source material from the Papers of George Washington a documentary editing project dedicated to the transcription and publication of original documents *A Companion to George Washington* features a collection of original readings from scholars and popular historians that shed new light on all aspects of the life of George Washington Provides readers with new insights into previously neglected aspects of Washington's life Features original essays from top scholars and popular historians Based on new research from thousands of previously unpublished letters to and from Washington

George Washington Don Higginbotham, 2004-09-24 In 1776 thirteen colonies declared their independence from Britain Although they came together to fight a war the colonies were far from a unified nation In *George Washington: Uniting a Nation* Don Higginbotham argues that Washington's greatest contribution to American life was creating a sense of American unity In clear and concise prose Higginbotham shows that as Revolutionary War commander proponent of the Constitution and president George Washington focused on building national identity and erecting institutions to cement the fledgling nation The first book on Washington to examine exclusively his role in state formation *George Washington* is essential reading for scholars students and everyone interested in America's first and most formative president

The Presidency of George Washington Danielle Smith-Llera, 2015-12-21 George Washington knew he was setting an example in everything he did The first American president had been a heroic military commander during the Revolutionary War leading his forces to victory As president he would guide the citizens of a new republic with a strong central government No more would each state make its own decisions Instead they would band together with the beloved Washington leading the way It was up to him not to abuse the power of his mighty position

George Washington and Political Fatherhood Heinz Tschachler, 2020-02-20 More than two hundred years after his death George Washington is still often considered the metaphorical father of the United States He was first known as the Father of His Country during his lifetime when the American people bestowed the title upon him as a symbolic act of resistance and rebirth Since then

presidents have stood as paternal figureheads for America often serving as moral beacons This book tracks political fatherhood throughout world history from the idea of the pater patriae in Roman antiquity to Martin Luther's Bible translations and beyond Often using George Washington as a paradigm the author explores presidential iconography in the U S propaganda and the role of paternal rhetoric in shaping American sociopolitical history including the results of the 2016 presidential election

The American Revolution: Understanding The Limiting Factors Of Washington's Strategy Major Douglas D. Jones, 2014-08-15 During the American Revolution as the Commander in Chief of the Continental Army George Washington was responsible for determining the military strategy of the rebellious colonies Throughout the war diplomatic social and economic factors prevented Washington and his subordinate commanders from developing a strategy that allowed militia soldiers to fight in the same formations as soldiers of the Continental Army During the conflict the Continental Congress took measures to maintain control of the Continental Army which hampered Washington's ability to plan and execute military strategy Although recruiting problems training challenges and complications with the command structure limited Washington's ability to form strategy and employ the Continental Army by 1778 Washington and his subordinate commanders successfully developed a professional force that was capable of fighting against the British Army Despite the militia's lack of discipline inconsistent regulations and limited training over time Washington cleverly used the militia in specific roles to enhance his strategy Once Washington understood how diplomatic social and economic factors restricted his strategy he combined the military capabilities of the Continental Army in a complimentary manner with the strengths of the militia which enabled the rebellious Americans with the support of European allies to defeat the British

George Washington , **Ties That Bound** Marie Jenkins Schwartz, 2017-04-06 Behind every great man stands a great woman And behind that great woman stands a slave Or so it was in the households of the Founding Fathers from Virginia where slaves worked and suffered throughout the domestic environments of the era from Mount Vernon Monticello and Montpelier to the nation's capital American icons like Martha Washington Martha Jefferson and Dolley Madison were all slaveholders And as Marie Jenkins Schwartz uncovers in **Ties That Bound** these women as the day to day managers of their households dealt with the realities of a slaveholding culture directly and continually even in the most intimate of spaces Unlike other histories that treat the stories of the First Ladies slaves as separate from the lives of their mistresses **Ties That Bound** closely examines the relationships that developed between the First Ladies and their slaves For elite women and their families slaves were more than an agricultural workforce slavery was an entire domestic way of life that reflected and reinforced their status In many cases slaves were more constant companions to the white women of the household than were their husbands and sons who often traveled or were at war By looking closely at the complicated intimacy these women shared Schwartz is able to reveal how they negotiated their roles illuminating much about the lives of slaves themselves as well as class race and gender in early America By detailing the prevalence and prominence of slaves in the daily lives of women who helped shape the country

Schwartz makes it clear that it is impossible to honestly tell the stories of these women while ignoring their slaves. She asks us to consider anew the embedded power of slavery in the very earliest conception of American politics, society, and everyday domestic routines.

Religion and the American Presidency M. Rozell, G. Whitney, 2007-05-14 This volume opens a new avenue toward understanding the politics and policies of many US presidents. As the essays in this book reveal, religion has had an enormous impact on many critical presidencies in US history. Contrary to the conventional wisdom, these essays reveal the deeply religious side to Truman, Eisenhower, and Reagan among others.

Confidence and Character James A. Pingel II, 2014-12-09 His birthday was once celebrated as a national holiday and his portrait once adorned the walls of almost every classroom in the United States. He was a victorious Revolutionary War general, a crucial influence in the creation of the Constitution, and the first President of the United States. Today, unfortunately, many only know America's first hero and the Father of His Country as a slaveholder with wooden teeth or as the somber-looking man on the one-dollar bill. To many, he remains a distant, mysterious, and unapproachable figure from a day long gone. The truth about George Washington, however, is much different. He was America's most successful, venerated, and indispensable founding father. So who was this man? What made him such a singularly successful leader? What lessons can be learned from his life?

Confidence and Character: The Religious Life of George Washington examines religion's impact on the private and public man. Too often ignored, underemphasized, suppressed, or distorted, Washington's religious faith fundamentally inspired and nurtured his worldview, vocational performance, and leadership. This is the Washington we need to get to know and learn from even today.

Great Warrior Leaders/thinkers, 1989

United States Senate Catalogue of Fine Art William Kloss, 2005-08 The U.S. Capitol abounds in magnificent art that rivals its exterior architectural splendor. The fine art held by the U.S. Senate comprises much of this treasured heritage. It spans over 200 years of history, contains works by such celebrated artists as Augustus Saint Gaudens, Hiram Powers, Daniel Chester French, Charles Willson Peale, Gilbert Stuart, Walker Hancock, Alexander Calder. This volume provides previously unpublished information on the 160 paintings, sculptures in the U.S. Senate. Each work of art, from portraiture of prominent senators to scenes depicting significant events in U.S. history, is illustrated with a full-page color photo accompanied by an essay, secondary images that place the work in historical, aesthetic context.

Religion and the American Presidency Mark J. Rozell, Gleaves Whitney, 2017-09-21 This book chronologically analyzes thirteen key US Presidents from Washington to Trump to highlight how religion has informed or influenced their politics and policies. For years, leading scholars have largely neglected religion in presidential studies. Yet religion has played a significant role in a number of critical presidencies in US history. This volume reveals the deep religious side to such presidents as Truman, Eisenhower, and Reagan among others, and the impact that faith had on their administrations. Now in its third edition, this work also provides a fresh look at the legacy of Obama's faith-based administration, as well as a new chapter on the 2016 Trump campaign's dependence on religious voters, to provide a timely update to a key text in the study of religion and the presidency.

The Road to Valley Forge John Buchanan, 2008-04-21 Acclaim for The Road to Valley Forge Buchanan is a master of the historical narrative a host of new insights into George Washington as a leader of men Thomas Fleming author of Liberty The American Revolution The Road to Valley Forge is an effective operational history clearly written judicious in its judgments and based on a careful look at the war from both sides Jeremy Black author of War for America The Fight for Independence 1775 1783 John Buchanan skillfully guides us through 1776 and 1777 the two most critical years of the Revolutionary War for George Washington as commander in chief With a gift for finding the apt quotation and the telling anecdote the author traces the growth of Washington as a commanding general and the professional development of the Continental Army Don Higginbotham Professor of History University of North Carolina at Chapel Hill The Road to Valley Forge tells the whole story of Washington's growth from inexperienced backwoods general to true Commander in Chief of a professional fighting force This warts and all portrait of America's greatest hero reveals a courageous and intelligent man struggling desperately to learn from his mistakes forge a motley assortment of militiamen into a real army and demonstrate to all of his fellow Americans that they could indeed become masters of their own destiny Washington's Revolution Robert Middlekauff, 2016-02-09 Focusing on Washington's early years Bancroft Prize winner and Pulitzer Prize finalist Robert Middlekauff penetrates his mystique revealing his all too human fears values and passions Rich in psychological detail regarding Washington's temperament idiosyncrasies and experiences this book shows a self conscious Washington who grew in confidence and experience as a young soldier businessman and Virginia gentleman and who was transformed into a patriot by the revolutionary ferment of the 1760s and 70s Middlekauff makes clear that Washington was at the heart of not just the revolution's course and outcome but also the success of the nation it produced This vivid insightful new account of the formative years that shaped a callow George Washington into an extraordinary leader is an indispensable book for truly understanding one of America's great figures **Washington** Ron Chernow, 2011-09-27 From the author of Alexander Hamilton the New York Times bestselling biography that inspired the musical comes a gripping portrait of the first president of the United States Winner of the 2011 Pulitzer Prize for Biography Truly magnificent a well researched well written and absolutely definitive biography Andrew Roberts The Wall Street Journal Until recently I d never believed that there could be such a thing as a truly gripping biography of George Washington Well I was wrong I can't recommend it highly enough as history as epic and not least as entertainment Hendrik Hertzberg The New Yorker Celebrated biographer Ron Chernow provides a richly nuanced portrait of the father of our nation and the first president of the United States With a breadth and depth matched by no other one volume biography of George Washington this crisply paced narrative carries the reader through his adventurous early years his heroic exploits with the Continental Army during the Revolutionary War his presiding over the Constitutional Convention and his magnificent performance as America's first president In this groundbreaking work based on massive research Chernow shatters forever the stereotype of George Washington as a stolid unemotional

figure and brings to vivid life a dashing passionate man of fiery opinions and many moods Lin Manuel Miranda's smash Broadway musical *Hamilton* has sparked new interest in the Revolutionary War and the Founding Fathers In addition to Alexander Hamilton the production also features George Washington Thomas Jefferson James Madison Aaron Burr Lafayette and many more

Washington's Circle David S. Heidler, Jeanne T. Heidler, 2016-02-09 History enthusiasts and admirers of Team of Rivals will rejoice in this magisterial account of the extraordinary Americans who served the nation's first chief executive Together they created the presidency for a country disgusted by crowns and the people who would wear them In 1789 as George Washington became the first president of the United States the world was all but certain that the American experiment in liberty and representative government would founder More than a few Americans feared that the world was right In Washington's Circle we see how Washington and his trusted advisers close friends and devoted family defied the doomsayers to lay the foundation for an enduring constitutional republic This is a fresh look at an aloof man whose service in the Revolutionary War had already earned him the acclaim of fellow citizens Washington was easy to revere if difficult to know David S. Heidler and Jeanne T. Heidler reveal Washington's character through his relationship with his inner circle showing how this unlikely group created the office of the presidency Here is a story of cooperation confrontation triumph and disappointment as the president Congress and the courts sorted out the limits of executive power quarreled over funding the government coped with domestic strife and faced a world at war while trying to keep their country at peace Even more it is a story of remarkable people striving for extraordinary achievements Many of these characters are familiar as historic icons but in these pages they act and speak as living individuals the often irked and frequently irksome John Adams in the vice presidency the mercurial Alexander Hamilton leading the Treasury Department the brilliant deceptively cunning Thomas Jefferson as secretary of state James Madison who was Washington's advocate and his eyes and ears in Congress and Washington's old friend and former brother in arms Henry Knox at the administration's beleaguered War Department Their stories mingle with those of Edmund Randolph John Jay Gouverneur Morris and the others who stood with a self educated Virginia farmer to forge the presidency into an institution protective of its privileges but respectful of congressional prerogatives Written with energy wit and an eye for vivid detail Washington's Circle is the fascinating account of the people who met the most formidable challenges of the government's earliest hours with pluck ability and enviable resourcefulness When the world said they would fail they rolled up their sleeves This is their story Praise for Washington's Circle A fine readable history of the first presidency David and Jeanne Heidler provide not only a lively history but a group portrait of Washington and the various figures vying to influence him The Wall Street Journal Washington's Circle positively glows with narrative exuberance This is a book that will make even the most jaded student of the American Revolution bark little laughs of pure delight while reading Open Letters Monthly Traditional accounts portray Washington as a solitary actor in the drama of American nationhood as chilly and featureless as the marble shaft that dominates his namesake capitol In fact he was the

intensely human lead in one of history's most colorful and contentious ensembles David S Heidler and Jeanne T Heidler bring the whole cast to unforgettable life in this character study cum group portrait cum old fashioned page turner Richard Norton Smith author of *On His Own Terms* **The Raising of a President** Doug Wead, 2005-03-15 God bless my mother all I am or ever hope to be I owe to her Abraham Lincoln What are the family circumstances that have created our presidents How did their upbringing shape their future and ours New York Times bestselling author Doug Wead answers these questions in one of the most comprehensive studies of presidential families to date When one thinks about the leadership qualities of George Washington and Theodore Roosevelt or the intellectual prowess of John Adams and Abraham Lincoln it is hard to imagine them as children It is even more difficult to envision the parents of our leaders especially the larger than life idols of our political past Our greatest presidents have entered the Oval Office armed with overwhelming ambition intellect and political savvy But were these characteristics evident in childhood *The Raising of a President* is a groundbreaking look at the parents of the American presidents full of never before seen facts and anecdotes as well as psychological profiles based on Wead's findings He analyzes the types of families into which our presidents were born and sheds a fascinating light on how their destinies were shaped during childhood Using countless presidential correspondences and letters as well as notes from hours of his own private conversations and interviews with six presidents and first ladies Wead focuses specifically on the early life of our first president George Washington John Adams John Quincy Adams and the making of our nation's first political empire the humble beginnings of our greatest president Abraham Lincoln the privileged upbringing of Franklin Delano Roosevelt the ambitious rise of John Fitzgerald Kennedy and the quiet dynasty led by George H W Bush and his son George W Bush Throughout *The Raising of a President* readers will find that the circumstances and events that would destroy most children were often the very things that sparked greatness in our nation's future leaders These are the stories of the presidents' parents but in a truer sense they are the stories of the presidents themselves from a perspective that is long overdue *Sex and the Founding Fathers* Thomas A. Foster, 2014-01-17 Biographers journalists and satirists have long used the subject of sex to define the masculine character and political authority of America's Founding Fathers Tracing these commentaries on the Revolutionary Era's major political figures in *Sex and the Founding Fathers* Thomas Foster shows how continual attempts to reveal the true character of these men instead exposes much more about Americans and American culture than about the Founders themselves *Sex and the Founding Fathers* examines the remarkable and varied assessments of the intimate lives of George Washington Thomas Jefferson John Adams Benjamin Franklin Alexander Hamilton and Gouverneur Morris from their own time to ours Interpretations can change radically consider how Jefferson has been variously idealized as a chaste widower condemned as a child molester and recently celebrated as a multicultural hero Foster considers the public and private images of these generally romanticized leaders to show how each generation uses them to reshape and reinforce American civic and national identity **Washington at the Plow** Bruce A. Ragsdale, 2021-10-12 George Washington spent

most of his time farming often employing experimental methods Washington saw slave powered scientific agriculture as the key to the nation's prosperity Bruce Ragsdale argues that it was slave labor's inefficiency as much as its inhumanity that finally convinced Washington to emancipate the men and women bonded to him

This book delves into George Washington Reconsidered. George Washington Reconsidered is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into George Washington Reconsidered, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to George Washington Reconsidered
 - Chapter 2: Essential Elements of George Washington Reconsidered
 - Chapter 3: George Washington Reconsidered in Everyday Life
 - Chapter 4: George Washington Reconsidered in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of George Washington Reconsidered. The first chapter will explore what George Washington Reconsidered is, why George Washington Reconsidered is vital, and how to effectively learn about George Washington Reconsidered.
 3. In chapter 2, this book will delve into the foundational concepts of George Washington Reconsidered. This chapter will elucidate the essential principles that must be understood to grasp George Washington Reconsidered in its entirety.
 4. In chapter 3, the author will examine the practical applications of George Washington Reconsidered in daily life. The third chapter will showcase real-world examples of how George Washington Reconsidered can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of George Washington Reconsidered in specific contexts. This chapter will explore how George Washington Reconsidered is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about George Washington Reconsidered. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of George Washington Reconsidered.

George Washington Reconsidered Introduction

George Washington Reconsidered Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. George Washington Reconsidered Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. George Washington Reconsidered : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for George Washington Reconsidered : Has an extensive collection of digital

content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks George Washington Reconsidered Offers a diverse range of free eBooks across various genres. George Washington Reconsidered Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. George Washington Reconsidered Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific George Washington Reconsidered, especially related to George Washington Reconsidered, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to George Washington Reconsidered, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some George Washington Reconsidered books or magazines might include. Look for these in online stores or libraries. Remember that while George Washington Reconsidered, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow George Washington Reconsidered eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the George Washington Reconsidered full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of George Washington Reconsidered eBooks, including some popular titles.

FAQs About George Washington Reconsidered Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. George Washington Reconsidered is

one of the best book in our library for free trial. We provide copy of George Washington Reconsidered in digital format, so the resources that you find are reliable. There are also many Ebooks of related with George Washington Reconsidered. Where to download George Washington Reconsidered online for free? Are you looking for George Washington Reconsidered PDF? This is definitely going to save you time and cash in something you should think about.
