Although deconstruction has become a popular catchword as an intellectual movement it has never entirely caught on within the university For some in the academy deconstruction and Jacques Derrida in particular are responsible for the demise of accountability in the study of literature Countering these facile dismissals of Derrida and deconstruction Herman Rapaport explores the incoherence that has plagued critical theory since the 1960s and the resulting legitimacy crisis in the humanities Against the backdrop of a rich informed discussion of Derrida's writings and how they have been misconstrued by critics and admirers alike *The Theory Mess* investigates the vicissitudes of Anglo American criticism over the past thirty years and proposes some possibilities for reform

**On Turner's Trail** Wilbur R. Jacobs, 2021-10-08 Should Frederick Jackson Turner be revered as the father of western history or reviled as a misguided advocate of a frontier spirit and rugged individualism that denied cultural diversity and produced widespread environmental destruction Dividing into camps over the issue western historians place him everywhere from one end of the spectrum to the other In this provocative new interpretation of Turner's life work and legacy Wilbur Jacobs challenges the views of traditionalists and views of traditionalists and revisionists alike From extensive research in the Turner archives a nationwide search for additional Turner correspondence interviews with historians and a lifetime of collecting Turner anecdotes Jacobs chronicles Turner's professional and sometimes personal bequest through 100 years of Western historical writing Jacobs adds his voice to the heated debate by mixing a sophisticated critique of historical writing with stories of professional intrigue the fights to protect Turner's legacy limit access to the Turner archives and control the Western history Association He traces the intellectual development of Turner's frontier theory explores the intense rivalry between two major Turnerian disciples Frederick Merk and Ray A Billington as they vied for control of Turner's legacy and analyzes the efforts of new western historians who seek to erase Turner and Billington from the landscape of what is now called the history of the West Balanced in his assessments Jacobs treats Turner and his disciples with a sympathetic yet critical eye He points out Turner's limitations in dealing with environmental racial ethnic and urban themes as well as the shortcomings of Merk Billington and other Turnerians At the same time however Jacobs illuminates the major contributions of their work Despite their intense differences Jacobs argues all western historians remain inextricably linked by Turner's

*Ulster to America* Warren R. Hofstra, 2011-12-09 In *Ulster to America: The Scots Irish Migration Experience 1680-1830* editor Warren R. Hofstra has gathered contributions from pioneering scholars who are rewriting the history of the Scots Irish In addition to presenting fresh information based on thorough and detailed research they offer cutting edge interpretations that help explain the Scots Irish experience in the United States In place of implacable Scots Irish individualism the writers stress the urge to build communities among Ulster immigrants In place of rootlessness and isolation the authors point to the trans Atlantic continuity of Scots Irish settlement and the presence of Germans and Anglo Americans in so called Scots Irish areas In a variety of ways the book asserts the Scots Irish actually modified or abandoned some of their own cultural traits as a result of interacting with people of other backgrounds and in response to many of the main themes defining American history While the Scots Irish myth has proved useful over time to various groups with their own agendas including modern day conservatives and fundamentalist Christians this book by clearing away long standing but erroneous ideas about the Scots Irish represents a major advance in our understanding of these immigrants It also places Scots Irish migration within the broader context of the historiographical construct of the Atlantic world Organized in chronological and migratory order this volume includes contributions on specific U S centers for Ulster immigrants New Castle Delaware Donegal Springs Pennsylvania Carlisle Pennsylvania Opequon Virginia the Virginia frontier the Carolina backcountry southwestern Pennsylvania and Kentucky *Ulster to America* is essential reading for scholars and students of American history immigration history local history and the colonial era as well as all those who seek a fuller understanding of the Scots Irish immigrant story     **The Money Manias** Robert Sobel, 2000     *The English Historical Review* Mandell Creighton, Justin Winsor, Samuel Rawson Gardiner, Reginald Lane Poole, Sir John Goronwy Edwards, 1928
