Defining Southern Literature John Earl Bassett, 1997 Defining Southern Literature delineates several phases in the story of Southern literature Debate over what makes Southern literature different or even Southern goes back many decades and among the answers has been the debate itself a uniquely pervasive regional self consciousness over what makes Southern culture different Certainly no other American region has been so distinctly marked as the South has Attempts to delineate the special mission nature problems and virtues of Southern writers can be traced back at least to the 1830s when editors called with only slight success for a sectional literature and more supportive Southern readers **British Museum Catalogue of printed Books**, 1888 **The Barbara Streisand Scrapbook** Allison J. Inventing Sam Slick Richard A. Davies, 2005-12-15 Thomas Chandler Haliburton 1796-1865 was one of pre confederation Canada's best known authors His popular Sam Slick the Clockmaker character was a household name not only in his home country but also in England and the United States Born in Windsor Nova Scotia Haliburton was not only a writer but also a lawyer judge politician and historian He gained fame for his writing in 1836 with *The Clockmaker or the Sayings and Doings of Samuel Slick of Slickville* for a Halifax newspaper It became a hit in England and was followed by six sequels Although Haliburton tried to put Sam Slick aside and work in other genres he found himself invariably returning to the character in his later books This commitment to Slick resulted in a curious effacement of Haliburton's own personal gentlemanly identity which he spent the second half of his life affirming by fostering links with socially well connected family in England In the public imagination however he remained linked with Sam Slick Based on over ten years of archival research Richard A Davies's scholarly biography of Haliburton is the first since 1924 It is an engaging examination of a controversial and contradictory Canadian writer and significant figure in the history of pre confederation Nova Scotia
