the masters of the mobile offensive Though Third Army is often remembered for its tank spearheads like the 4th Armored Division these pages also give credit to the brave infantry divisions which butted their heads against fortresses such as Metz with ultimate success It is also the story of a triumph of administration as thousands of trucks carried forward the vital supplies to keep the army on the move and fighting When a German counteroffensive nearly burst through the US lines in the Ardennes it was Patton s Third Army that turned on its heel and immediately drove in the Bulge ending Hitler s last great hope for success in the west Afterward nothing could stop it as it crossed the Rhine and overran the Reich Much of Third Army s greatness driving force and will to win was owed to one man Gen George Smith Patton Jr and a significant part of this book is devoted to him alone In these pages a renowned military historian gives a vivid impression in words and pictures of what it was like to live and fight with Patton s men Full of eyewitness accounts photographs and maps it relates the full story of how America s most dynamic fighting formation led the Allied effort against the Nazis seemingly invincible European empire
