Germaine Greer Untamed Shrew:

Germaine Greer: Untamed Shrew Christine Wallace, 2013-07-01 The story of one of the most intriguing people in a generation Germaine Greer is one of the opinion formers of our age her challenging views constantly provoking us in print and on the small screen *The Female Eunuch* her first book published in 1970 was hailed by the women's liberation movement and influenced an entire generation Yet two years earlier Greer had argued that there is hardly a woman alive who is not deeply attracted to the notion of a husband of the kind extolled by Kate the rebellious wife subdued in *The Taming of the Shrew* Over 30 years later as Germaine Greer revises what one reviewer called one of the most eloquent pieces of anarchist propaganda that have appeared in this century it is fitting to assess the life and work of this complex compelling intellect Christine Wallace an Australian academic familiar with the background in which Germaine Greer grew up has drawn extensively from candid interviews with Greer's family friends and former colleagues as well as from her many autobiographical writings She reveals a courageous contradictory often tormented woman variously and often simultaneously scholar rock stars groupie bohemian lover of cats and gardening and a feminist who spurned and then yearned for motherhood An icon of women's liberation yet fiercely competitive and scathing of other women a swashbuckling adventuress yet often vulnerable and surprisingly passive in her dealings with men an inveterate self dramatist yet incorrigibly honest Greer has always lived by extremes and the risks she took have allowed shoals of moderate feminists to swim in her wake Many followers have been rebuffed by her reckless inconsistency a quality she shares with Byron her first literary love stemming from a rare determination to be true to the moment This biography puts into context the unhappy childhood the convent schooling and promiscuous but rigorous university years that shaped Greer's powerful personality and restless intelligence Child of the beat generation leader and victim of the 60s sexual revolution she continues to assail our complacency [Germaine Greer](#) John Blake Publishing, Limited, *Greer* Christine Wallace, 1998 First published in 1997 this biography of well known feminist Germaine Greer describes her childhood in Melbourne her relationship with her parents her involvement with the Sydney Push her life in Britain at Cambridge University the reception of *The Female Eunuch* *The Obstacle Race* *Sex and Destiny* and *Daddy We Hardly Knew You* and the way in which their publication affected her life Includes references and an index The author's other publications include *Hewson* a portrait **Germaine Greer, Celebrity Feminism and the Archive** Anthea Taylor, 2024-11-29 Germaine Greer *Celebrity Feminism and the Archive* the first scholarly book on this internationally renowned feminist draws upon Greer's largely unexplored archive to demonstrate her impact on readers and viewers since the 1970s Across many decades in the limelight and through multiple media forms the provocative Greer has worked to shape audience understandings of gender sexuality and feminism Through deep engagement with archival material Anthea Taylor offers a compelling reassessment of Greer's celebrity feminist labour and its effects over time Examining archived letters from fans anti fans and those in between this innovative volume shows how

and why readers and viewers have come to affectively invest or disinvest in this iconoclastic feminist Advancing debates about the social and political function of celebrity Germaine Greer *Celebrity Feminism* and the Archive is essential reading for scholars in Gender Studies History Archival Studies and Media and Cultural Studies Different Lives Hans Renders, David Veltman, 2020-06-15 Internationally acclaimed biographies are almost always written by British or American biographers But what is the state of the art of biography in other parts of the world Introduced by Richard Holmes the volume *Different Lives* offers a global perspective seventeen scholars vividly describe the biographical tradition in their countries of interest They show how biography functions as a public genre featuring specific societal issues and opinion making Indeed the volume aims to answer the question how can biography contribute to a better understanding of differences between societies and cultures Special attention is given to the US China and the Netherlands Other contributions are on Australia Belgium Canada the Czech Republic Denmark Iceland Iran Italy New Zealand Spain and South Africa This book represents a much needed breakdown of the history and current status of Biography Studies throughout the world Any educator teaching a course in higher education that includes Biography Studies should definitely consider this as a major text for inclusion Billy Tooma film maker and Assistant Professor Wessex County College The rise of biography is the literary event of our time Hamilton and Renders are its pioneer scholars and their compelling primer is a must read Joanny Moulin Institut Universitaire de France on Nigel Hamilton and Hans Renders in *The ABC of Modern Biography* 2018 See inside the book *New Makers of Modern Culture* Justin Wintle, 2016-04-22 *New Makers of Modern Culture* is the successor to the classic reference works *Makers of Modern Culture* and *Makers of Nineteenth Century Culture* published by Routledge in the early 1980s The set was extremely successful and continues to be used to this day due to the high quality of the writing the distinguished contributors and the cultural sensitivity shown in the selection of those individuals included *New Makers of Modern Culture* takes into full account the rise and fall of reputation and influence over the last twenty five years and the epochal changes that have occurred the demise of Marxism and the collapse of the Soviet Union the rise and fall of postmodernism the eruption of Islamic fundamentalism the triumph of the Internet Containing over eight hundred essay style entries and covering the period from 1850 to the present *New Makers of Modern Culture* includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley next to John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping runs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin Once again Wintle has enlisted the services of many distinguished writers and leading academics such as Sam Beer Bernard Crick Edward Seidensticker and Paul Preston In a few cases for example Michael Holroyd and Philip Larkin contributors are themselves the subject of entries With its global reach *New Makers of Modern Culture* provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there

Critical Childhood Studies and the Practice of Interdisciplinarity Joanne Faulkner, Magdalena Zolkos, 2015-12-14 This book analyzes different figurations of childhood in contemporary culture and politics with a particular focus on interdisciplinary methodologies of critical childhood studies It argues that while the figure of the child has been traditionally located at the peripheries of academic disciplines perhaps most notably in history sociology and literature the proposed critical discussions of the ideological symbolic and affective roles that children play in contemporary societies suggest that they are often the locus of larger societal crises collective psychic tensions and unspoken prohibitions and taboos As such this book brings into focus the prejudices against childhood embedded in our standard approaches to organizing knowledge and asks is there a natural disciplinary home for the study of childhood Or is this field fundamentally interdisciplinary peripheral or problematic to notions of disciplinary identity In this respect does childhood force innovation in thinking about disciplinarity For instance how does the analysis of childhood affect how we think about methodology What role do understandings of childhood play in delimiting how we conceive of our society our future and ourselves How does thinking about childhood affect how we think about culture history and politics This book brings together researchers working broadly in critical child studies but from various disciplines in the humanities and social sciences including philosophy literary studies sociology cultural studies and history in order to stage a conversation between these diverse perspectives on the disciplinary or interdisciplinary character of the child as an object of research Such conversation builds on the assumption that childhood far from being marginal is a topic that is hidden in plain sight That is to say while the child is always a presence in culture history literature and philosophy and is often even a highly charged figure within those fields its operation and effects are rarely theoretically scrutinized but rather are more likely drawn upon surreptitiously for another purpose

Writing Feminist Lives Malin Lidström Brock, 2017-05-05 This book draws attention to the controversy that surrounds Betty Friedan Germaine Greer Gloria Steinem and Simone de Beauvoir's lives and the important role that their life stories have played in their feminist writing Directly and indirectly the four women have contributed to battles over feminism's meaning through autobiographically informed political writing Inevitably therefore their biographers are also participants in these battles yet not always on the same side as their subjects *Writing Feminist Lives* introduces a further fold of nuance into considerations of biography and feminism by showing that the biographers of the four women have made methodological choices that reflect their loyalty to or their scepticism towards competing ideological definitions of the exemplary feminist life

Germaine Greer Maryanne Dever, Anthea Taylor, Lisa Adkins, 2020-04-28 Germaine Greer is one of the most enduring and influential figures of the second wave of the women's movement *The Female Eunuch* 1970 is one of second wave feminism's most widely recognised publications and its author has come to embody and indeed expand our understanding of second wave feminism in a way that few others have Yet while Greer's public visibility never seems to wane her writings and her politics have failed to attract the kind of sustained critical engagement they warrant This volume represents the first collection of essays to examine Greer her politics her writing and her status as a feminist celebrity The essays in this collection cover *The Female Eunuch* 1970 Greer's public rivalry with Arianna Stassinopoulos her time in America her ideas and politics and her styling as feminist fashion icon Many essays include new insights drawn from previously unseen material in the recently launched Germaine Greer Archive at the University of Melbourne Australia This book was originally published as a Special Issue of *Australian Feminist Studies*
