Subject Guide to Books in Print ,1997 Encyclopedia of German Literature Matthias Konzett,2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings *The New Werner Twentieth Century Edition of the Encyclopaedia Britannica* ,1907 **The Western Literary Tradition: Volume 2** Margaret L. King,2022-03-01 This compact anthology the second volume in Margaret L King s masterful introduction to the Western literary tradition offers in whole or in part eighty key literary works of the eighteenth nineteenth and twentieth centuries The texts provided here represent an unusually broad array of languages and traditions ranging across a variety of genres such as verse drama philosophy short and long form fiction and non fiction including autobiography speech journalism and essay This second volume shares with the first a focus on works by women numerous texts by Latin American writers are included here as well King s clear engaging introductions and notes support an informed reading of the texts while extending students knowledge of particular authors and problems of interest The Western Literary Tradition s modest length and cost allow for the use of full length works many of which are available in Hackett Publishing s own well regarded and inexpensive translations and editions alongside the anthology without adding undue cost to a student s total textbook fees History of the Literary Cultures of East-Central Europe Marcel Cornis-Pope,John Neubauer,2004-05-28 National literary histories based on internally homogeneous native traditions have significantly contributed to the construction of national identities especially in multicultural East Central Europe the region between the German and Russian hegemonic cultural powers stretching from the Baltic states to the Balkans History of the Literary Cultures of East Central Europe which covers the last two hundred years reconceptualizes these literary traditions by de emphasizing the national myths and by highlighting analogies and points of contact as well as hybrid and marginal phenomena that traditional national histories have ignored or deliberately suppressed The four volumes of the History configure the literatures from five angles 1 key political events 2 literary periods and genres 3 cities and regions 4 literary institutions and 5 real and imaginary figures The first volume which includes the first two of these dimensions is a collaborative effort of more than fifty contributors from Eastern and Western Europe the US and Canada The four volumes of the History comprise the first volume in the new subseries on Literary Cultures

National Traditions in Nineteenth-Century Opera, Volume II Michael C. Tusa,2017-03-02 This volume offers a cross

section of English language scholarship on German and Slavonic operatic repertoires of the long nineteenth century giving particular emphasis to four areas German opera in the first half of the nineteenth century the works of Richard Wagner after 1848 Russian opera between Glinka and Rimsky Korsakov and the operas of Richard Strauss and Jan cek The essays reflect diverse methods ranging from stylistic philological and historical approaches to those rooted in hermeneutics critical theory and post modernist inquiry *Books in Print Supplement* ,1985 *Landscapes of Realism* Svend Erik Larsen,Steen Bille Jørgensen,Margaret R. Higonnet,2022-03-15 Few literary phenomena are as elusive and yet as persistent as realism While it responds to the perennial impulse to use literature to reflect on experience it also designates a specific set of literary and artistic practices that emerged in response to Western modernity *Landscapes of Realism* is a two volume collaborative interdisciplinary investigation of this vast territory bringing together leading edge new criticism on the realist paradigms that were first articulated in nineteenth century Europe but have since gone on globally to transform the literary landscape Tracing the manifold ways in which these paradigms are developed discussed and contested across time space cultures and media this second volume shows in its four core essays and twenty four case studies four major pathways through the landscapes of realism The psychological pathways focusing on emotion and memory the referential pathways highlighting the role of materiality the formal pathways demonstrating the dynamics of formal experiments and the geographical pathways exploring the worlding of realism through the encounters between European and non European languages from the nineteenth century to the present This volume is part of a book set which can be ordered at a special discount **The Nordic Languages. Volume 2** Oscar Bandle,Kurt Braunmüller,Ernst Hakon Jahr,Allan Karker,Hans-Peter Naumann,Ulf Telemann,Lennart Elmevik,Gun Widmark,2008-07-14 No detailed description available for NORDIC LANGUAGES BUNDLE 2 VOL HSK 22 2 E BOOK Heinrich von Kleist ,2023-11-20 The works and biography of Heinrich von Kleist have fascinated authors artists and philosophers for centuries and his enduring relevance is evident in the emblematic role he has played for generations Kleist s prose works remain utterly unique seventy years after Thomas Mann described their singular appeal his dramas remain disturbingly current four decades after E L Doctorow characterized their modernity and twenty first century readers need not read far before finding the unresolved questions of the current century in Kleist Heinrich von Kleist *Artistic and Aesthetic Legacies* explores examples of Kleist s impact on artistic creations and aesthetic theory spanning over two centuries of seismic metaphysical crises and nightmare scenarios from Europe to Mexico to Japan to manifestations of the American Dream **Encyclopedia of the Romantic Era 1760-1850** Christopher John Murray,2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised

by the very concepts of Romantic and Romanticism *Humanities* ,1994 **Folktales of the Jews, Volume 2** Dan Ben-Amos,Dov Noy,2006 Folktales from Eastern Europe presents 71 tales from Ashkenasic culture in the most important collection of Jewish folktales ever published It is the second volume in Folktales of the Jews the five volume series to be released over the next several years in the tradition of Louis Ginzberg s classic Legends of the Jews The tales here and the others in this series have been selected from the Israel Folktale Archives at The University of Haifa Israel IFA a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale s cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the Ashkenasic culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This volume and the others to come will be monuments to a rich but vanishing oral tradition Guillaume de Machaut Lawrence Earp,2013-08-21 First published in 1996 Routledge is an imprint of Taylor Francis an informa company Language, Culture, Computation: Computing for the Humanities, Law, and Narratives Nachum Dershowitz,Ephraim Nissan,2014-12-04 This Festschrift volume is published in Honor of Yaacov Choueka on the occasion of this 75th birthday The present three volumes liber amicorum several years in gestation honours this outstanding Israeli computer scientist and is dedicated to him and to his scientific endeavours Yaacov s research has had a major impact not only within the walls of academia but also in the daily life of lay users of such technology that originated from his research An especially amazing aspect of the temporal span of his scholarly work is that half a century after his influential research from the early 1960s a project in which he is currently involved is proving to be a sensation as will become apparent from what follows Yaacov Choueka began his research career in the theory of computer science dealing with basic questions regarding the relation between mathematical logic and automata theory From formal languages Yaacov moved to natural languages He was a founder of natural language processing in Israel developing numerous tools for Hebrew He is best known for his primary role together with Aviezri Fraenkel in the development of the Responsa Project one of the earliest fulltext retrieval systems in the world More recently he has headed the Friedberg Genizah Project which is bringing the

treasures of the Cairo Genizah into the Digital Age This second part of the three volume set covers a range of topics related to the application of information technology in humanities law and narratives The papers are grouped in topical sections on humanities computing narratives and their formal representation history of ideas the numerate disciplines law computer law and legal computing *The New Cambridge Bibliography of English Literature: Volume 2, 1660-1800* George Watson,Ian R. Willison,1971-07-02 More than fifty specialists have contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **The Children's World of Learning, 1480-1880.
