## **German Politics 1945 1995:**

**German Politics, 1945-1995** Peter G. J. Pulzer, 1995 With the opening of the Berlin Wall in 1989 and the unification of 1990 a new German state emerged the fifth constitutional upheaval and the fourth change of frontiers in this century This book aims to introduce the reader to the legacy that present day Germany has inherited from both East and West and from the period before 1945 It looks at the way political life has evolved since the Second World War tracing the way the political parties the institutions of government and social forces have shaped the Germany that we know and frequently misunderstand today

**The German Polity** Eric Langenbacher, David P. Conradt, 2017-02-16 This thoroughly revised and updated edition provides a comprehensive introduction to contemporary Germany one of the world's leading economic and political powers Tracing the country's transformation since World War II the authors provide an in depth guide to Germany's institutions actors and challenges

**A History of Modern Germany** Martin Kitchen, 2011-05-02 Featuring revised and extended coverage the second edition of A History of Modern Germany offers an accessible and engagingly written account of German history from 1800 to the present Provides readers with a long view of modern German history revealing its continuities and changes Features updated and extended coverage of German social change and modernization class religion and gender Includes more in depth coverage of the German Democratic Republic Examines Germany's social political and economic history Covers the unification of Germany the German Empire the Weimar Republic the Third Reich post war division the collapse of Communism and developments since re unification Addresses regional history rather than focusing on the dominant role of Prussia

**Continuity and Change in German Politics** Stephen Padgett, Thomas Poguntke, 2002 Over three decades Gordon Smith has written authoritatively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio economic change globalisation European integration and the domestic upheaval of unification

*German politics today* Geoffrey Roberts, 2016-04-30 A comprehensive overview of the structures and influences of politics in Germany which covers both historical and recent events

[A Concise History of Germany](#) Mary Fulbrook, 2004-02-19 This book provides a clear and informative guide to the twists and turns of German history from the early middle ages to the present day The multi faceted problematic history of the German lands has provided a wide range of debates and differences of interpretation Mary Fulbrook provides a crisp synthesis of a vast array of historical material and explores the interrelationships between social political and cultural factors in the light of scholarly controversies First published in 1990 A Concise History of Germany now appears in an updated second edition

**Anglo-German relations during the Labour governments 1964-70** Terry Macintyre, 2013-07-19 Speaking at West Point in 1962 Dean Acheson observed that Britain had lost an empire and had still to find a new role This book explains why in the following years as Britain's Labour government contemplated withdrawal from east of Suez ministers came to see that Britain's future role would be as a force within Europe

To this end and in order to gain entry into the European Economic Community a close relationship with the Federal Republic of Germany would be essential This account of Anglo German relations during the 1960s reveals fascinating insights into how both governments reacted to a series of complex issues and why despite differences which might have led to strains a good understanding was maintained Terry Macintyre s innovative approach brings together material covering NATO strategy d tente and European integration making the volume fascinating and essential reading for students and enthusiasts of contemporary British and German political history This book makes an important contribution to what we know about Cold War history and should help to redefine some of the views about the relationship between Britain and Germany during the 1960s
