

# German Odyssey The Journal Of A German Prisoner Of War

**Antonio Thompson**

## **German Odyssey The Journal Of A German Prisoner Of War:**

*A German Odyssey* Helmut Hörner, 1991 Tale of a German captured by the Americans in WWII *From German Prisoner of War to American Citizen* Barbara Schmitter Heisler, 2014-11-29 Among the many German immigrants to the United States over the years one group is unusual former prisoners of war who had spent between one and three years on American soil and who returned voluntarily as immigrants after the war Drawing on archival sources and in depth interviews with 35 former prisoners who made the return the book outlines the conditions that defined their unusual experiences and traces their journeys from captive enemies to American citizens Although the respondents came from different backgrounds and arrived in America at different times between 1943 and 1945 their experiences as prisoners of war not only left an indelible impression they also provided them with opportunities and resources that helped them leave Germany behind and return to the place where we had the good life **German Prisoners of War at Camp Cooke, California** Jeffrey E.

Geiger, 2018-02-24 In 1943 the first great wave of Hitler's soldier's came to America not as goose stepping conquering heroes but as prisoners of war By the time World War II ended in 1945 more than six hundred German POW camps had sprung up across America holding a total of 371 683 POWs One of these camps was established at the U S Army's training installation Camp Cooke on June 16 1944 The POW base camp at Cooke operated sixteen branch camps in six of California's fifty eight counties and is today the site of Vandenberg Air Force Base in Santa Barbara County Compared to other prisoner of war camps in California Camp Cooke generally held the largest number of German POWs and operated the most branch camps in the state A large number of the prisoners were from Field Marshal Erwin Rommel's Afrika Korps as well as from other military formations Under the terms of the Geneva Convention the prisoners received comfortable quarters and excellent care They filled critical wartime labor shortages inside the main Army post at Cooke and in the outlying civilian communities performing agricultural work for which they were paid On weekends and evenings they enjoyed many recreational entertainment and educational opportunities available to them in the camp For many POWs the American experience helped reshape their worldview and gave them a profound appreciation of American democracy This book follows the military experiences of fourteen German soldiers who were captured during the campaigns in North Africa and Europe and then sat out the remainder of the war as POWs in California It is a firsthand account of life as a POW at Camp Cooke and the lasting impression it had on the prisoners *A German POW in New Mexico* Walter Schmid, 2005-06-15 Walter Schmid a member of Rommel's Afrika Korps was one of hundreds of thousands of POWs interned in the United States during World War II Drafted into the German army at twenty he had fought for only five months when captured in Tunisia in May 1943 Schmid was sent first to POW camps in Oklahoma Gruber Bixby and McAlester and was soon transferred to New Mexico in July 1944 Walter Schmid worked in southern New Mexico's Mesilla Valley picking cotton and harvesting melons alongside Mexican American laborers He recalls playing trumpet in the camp orchestra and watching Sunday soccer games between the teams of rival

POW camps Based on his diary and the letters he sent home to his German girlfriend whom he later married Schmid's memoir was published in Germany in 2000 This abbreviated English translation begins with his capture in North Africa and his voyage to the United States and ends with his work experience in England where he was transferred after almost three years of captivity in the United States and his return to Germany in 1947 *The Barbed-Wire College* Ron Theodore Robin, 1995-04-03 From Stalag 17 to The Manchurian Candidate the American media have long been fascinated with stories of American prisoners of war But few Americans are aware that enemy prisoners of war were incarcerated on our own soil during World War II In *The Barbed Wire College* Ron Robin tells the extraordinary story of the 380 000 German prisoners who filled camps from Rhode Island to Wisconsin Missouri to New Jersey Using personal narratives camp newspapers and military records Robin re creates in arresting detail the attempts of prison officials to mold the daily lives and minds of their prisoners From 1943 onward and in spite of the Geneva Convention prisoners were subjected to an ambitious reeducation program designed to turn them into American style democrats Under the direction of the Pentagon liberal arts professors entered over 500 camps nationwide Deaf to the advice of their professional rivals the behavioral scientists these instructors pushed through a program of arts and humanities that stressed only the positive aspects of American society Aided by German POW collaborators American educators censored popular books and films in order to promote democratic humanism and downplay class and race issues materialism and wartime heroics Red baiting Pentagon officials added their contribution to the program as well by the war's end the curriculum was more concerned with combating the appeals of communism than with eradicating the evils of National Socialism The reeducation officials neglected to account for one factor an entrenched German military subculture in the camps complete with a rigid chain of command and a propensity for murdering traitors The result of their neglect was utter failure for the reeducation program By telling the story of the program's rocky existence however Ron Robin shows how this intriguing chapter of military history was tied to two crucial episodes of twentieth century American history the battle over the future of American education and the McCarthy era hysterics that awaited postwar America

**Axis Prisoners of War in Kentucky** Antonio S. Thompson, 2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for their captors and helped save Kentucky's crops while enjoying relative comfort as prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in Kentucky and the vital contributions the Bluegrass State made to Allied victory

**Prisoners of War** Arnold Krammer, 2007-11-30 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe

grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America s current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy     A German Odyssey Helmut Hörner,1991 Tale of a German captured by the Americans in WWII     **The Enemy in Our Hands** Robert Doyle,2010-05-14 Revelations of abuse at Baghdad s Abu Ghraib prison and the U S detention camp at Guant namo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America s most recent prisoners of war an isolated event or part of a troubling and complex issue

that is deeply rooted in our nation's military history. Military expert Robert C. Doyle's *The Enemy in Our Hands: America's Treatment of Prisoners of War from the Revolution to the War on Terror* draws from diverse sources to answer this question. Historical as well as timely in its content, this work examines America's major wars and past conflicts among them: the American Revolution, the Civil War, World Wars I and II, and Vietnam, to provide understanding of the United States' treatment of military and civilian prisoners. *The Enemy in Our Hands* offers a new perspective of U.S. military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next. In addition to other vital information, Doyle provides a cultural analysis and exploration of U.S. adherence to international standards of conduct, including the 1929 Geneva Convention, in each war. Although wars are not won or lost on the basis of how EPWs are treated, the treatment of prisoners is one of the measures by which history's conquerors are judged.

**Axis Prisoners of War in Tennessee** Antonio S. Thompson, 2023-03-09. During World War II, Axis prisoners of war received arguably better treatment in the U.S. than anywhere else. Bound by the Geneva Convention but also hoping for reciprocal treatment of American POWs, the U.S. sought to humanely house and employ 425,000 Axis prisoners, many in rural communities in the South. This is the first book-length examination of Tennessee's role in the POW program and how the influx of prisoners affected communities. Towns like Tullahoma transformed into military metropolises. Memphis received millions in defense spending. Paris had a secret barrage balloon base. The wooded Crossville camp housed German and Italian officers. Prisoners worked tobacco, lumber, and cotton across the state. Some threatened escape or worse. When the program ended, more than 25,000 POWs lived and worked in Tennessee.

*The Enemy Among Us* David Fiedler, 2003. For residents of the mostly small towns where these camps were located, the arrival of enemy POWs engendered a range of emotions: first fear and apprehension, then curiosity, and finally, in many cases, a feeling of fondness for the men they had come to know and like.

BOOK JACKET *The Florida Historical Quarterly*, 1994-07 **Air University Library Index to Military Periodicals**

, 1992 *Men in German Uniform* Antonio Thompson, 2010-11-16. Examining the largest prisoner of war handling operation in U.S. history, this book offers a meticulous account of the myriad history. This book offers a meticulous account of the myriad problems as well as the impressive successes that came with problems as well as the impressive successes that came with housing 371,000 German POWs on American soil during World War II. Antonio Thompson draws on extensive archival research to probe the various ways in which the U.S. government strove to comply with the Geneva Convention's mandate that enemy prisoners be moved from the war zone and given food, shelter, and clothing equal to that provided for American soldiers. While the prisoners became a ready source of manpower for the labor-starved American home front and received small wages in return, their stay in the United States generated more than a few difficulties, which included not only daunting logistics but also violence within the camps. Such violence was often blamed on Nazi influence and control; however, as Thompson points out, only a few of the prisoners were actually Nazis. Because the Germans had cobbled together military

forces that included convicts their own POWs volunteers from neutral nations and conscripts from occupied countries the bonds that held these soldiers together amid the pressures of combat dissolved once they were placed behind barbed wire When these men in German uniform who were not always Germans donned POW garb their former social racial religious and ethnic tensions quickly reemerged To counter such troubles American authorities organized various activities including sports arts education and religion within the POW camps some prisoners even participated in an illegal denazification program created by the U S government Despite the problems Thompson argues the POW housing program proved largely successful as Americans maintained their reputation for fairness and humane treatment during a time of widespread turmoil

**Texas and Texans in World War II** Christopher B. Bean, 2022-08-24 Texans in World War II offers an informative look at the challenges and changes faced by Texans on the home front during the Second World War This collection of essays by leading scholars of Texas history covers topics from the African American and Tejano experience to organized labor from the expanding opportunities for women to the importance of oil and agriculture Texans in World War II makes local the frequently studied social history of wartime bringing it home to Texas An eye opening read for Texans eager to learn more about this defining era in their state s history this book will also prove deeply informative for scholars students and general readers seeking detailed definitive information about World War II and its implications for daily life economic growth and social and political change in the Lone Star State

**The German POWs in South Carolina** Deann Bice Segal, 2004 Many rural communities in South Carolina share a place in World War II history that has largely been forgotten From 1943 to 1946 towns such as Aiken Florence Camden Spartanburg and York were enthusiastic hosts for a special group of laborers German prisoners of war These prisoners from the North African Sicilian and European campaigns filled needed jobs mostly in agriculture all across the nation In South Carolina prison camps were established in rural areas where labor was needed in agriculture the lumber industry and a few manufacturing jobs Prisoner labor was also used on military bases to free civilian and army personnel for front line duty By the end of W W II over 425 000 German Italian and Japanese prisoners were interned in prisoner of war camps in the United States In South Carolina the War Department established more than twenty camps in seventeen counties housing 8 000 to 11 000 German prisoners These prisoners provided much needed labor in agricultural communities and were often the only direct connection with the enemy experienced on the home front prisoners of war and to analyze their implementation in South Carolina from the perspectives of the American officials the German prisoners and the communities that housed the camps This book examines the history of prisoners of war in South Carolina focusing on life behind the wire the labor performed by POWs and the impact of this labor in South Carolina the adherence to the Geneva Convention attitudes that influenced policies for the treatment of prisoners local reaction to the POWs and their labor as well as the prisoners impressions of the conditions in which they were held

**Music in World War II** Pamela M. Potter, Christina L. Baade, Roberta Montemorra Marvin, 2020-10-06 A collection of essays examining the roles played by music

in American and European society during the Second World War Global conflicts of the twentieth century fundamentally transformed not only national boundaries power relations and global economies but also the arts and culture of every nation involved An important unacknowledged aspect of these conflicts is that they have unique musical soundtracks Music in World War II explores how music and sound took on radically different dimensions in the United States and Europe before during and after World War II Additionally the collection examines the impact of radio and film as the disseminators of the war s musical soundtrack Contributors contend that the European and American soundtrack of World War II was largely one of escapism rather than the lofty solemn heroic and celebratory mode of war music in the past Furthermore they explore the variety of experiences of populations forced from their homes and interned in civilian and POW camps in Europe and the United States examining how music in these environments played a crucial role in maintaining ties to an idealized home and constructing politicized notions of national and ethnic identity This fascinating well constructed volume of essays builds understanding of the role and importance of music during periods of conflict and highlights the unique aspects of music during World War II A collection that offers deeply informed interdisciplinary and original views on a myriad of musical practices in Europe Great Britain and the United States during the period Gayle Magee co editor of Over Here Over There Transatlantic Conversations on the Music of World War I A Colorado History, 10th Edition Maxine Benson, Duane A. Smith, Carl Ubbelohde, 2015-12-04 For fifty years A Colorado History has provided a comprehensive and accessible panoramic history of the Centennial State From the arrival of the Paleo Indians to contemporary times this enlarged edition leads readers on an extraordinary exploration of a remarkable place A Colorado History has been since its first appearance in 1965 widely recognized as an exemplary work of its kind The Colorado Magazine Experience Colorado with this new enlarged edition of A Colorado History For fifty years the authors of this preeminent resource have led readers on an extraordinary exploration of how the state has changed and how it has stayed the same From the arrival of Paleo Indians in the Mesa Verde region to the fast pace of the twenty first century A Colorado History covers the political economic cultural and environmental issues along with the fascinating events and characters that have shaped this dynamic state In print for fifty years this distinctive examination of the Centennial State is a must read for history buffs students researchers or anyone interested in the remarkable place called Colorado **World War II in Europe, Africa, and the Americas, with General Sources** Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual

national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war      *Postwar* Tony Judt, 2006-09-05 Finalist for the Pulitzer Prize Winner of the Council on Foreign Relations Arthur Ross Book Award One of the New York Times's 100 Best Books of the 21st Century Impressive Mr Judt writes with enormous authority The Wall Street Journal Magisterial It is without a doubt the most comprehensive authoritative and yes readable postwar history The Boston Globe Almost a decade in the making this much anticipated grand history of postwar Europe from one of the world's most esteemed historians and intellectuals is a singular achievement Postwar is the first modern history that covers all of Europe both east and west drawing on research in six languages to sweep readers through thirty four nations and sixty years of political and cultural change all in one integrated enthralling narrative Both intellectually ambitious and compelling to read thrilling in its scope and delightful in its small details Postwar is a rare joy

German Odyssey The Journal Of A German Prisoner Of War: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

## **German Odyssey The Journal Of A German Prisoner Of War Introduction**

In the digital age, access to information has become easier than ever before. The ability to download German Odyssey The Journal Of A German Prisoner Of War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download German Odyssey The Journal Of A German Prisoner Of War has opened up a world of possibilities. Downloading German Odyssey The Journal Of A German Prisoner Of War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky

folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading German Odyssey The Journal Of A German Prisoner Of War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download German Odyssey The Journal Of A German Prisoner Of War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading German Odyssey The Journal Of A German Prisoner Of War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading German Odyssey The Journal Of A German Prisoner Of War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download German Odyssey The Journal Of A German Prisoner Of War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About German Odyssey The Journal Of A German Prisoner Of War Books**

**What is a German Odyssey The Journal Of A German Prisoner Of War PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a German Odyssey The Journal Of A German**

**Prisoner Of War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a German Odyssey The Journal Of A German Prisoner Of War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a German Odyssey The Journal Of A German Prisoner Of War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a German Odyssey The Journal Of A German Prisoner Of War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
