German Recollections Julius Seelye Bixler, 1985      *Dictionary of Modern American Philosophers* John R.

Shook, 2005-01-01 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought      **Journal of Phenomenological Psychology**, 1988      **Personal Memories of the Early Analytic**

**Philosophers** Jeffrey Maynes, Steven Gimbel, 2022-08-31 Analytic Philosophy began in the first decades of the 20th century at Cambridge with Bertrand Russell in Vienna with the Vienna Circle of Logical Positivists and in Berlin with Hans Reichenbach's Society for Empirical Philosophy While the story of the rise of this intellectual movement is chronicled in a number of recent and not so recent books these treatments largely focus on the story of the ideas Largely missing are the figures themselves their lives and personalities Those are saved in the memories of the people who knew them Analytic Logic Synthetic Lives is a collection of eleven edited transcripts of oral history interviews collected over twenty years with those who had such memories the widows spouses classmates and students of these towering figures of 20th century analytic thought The primary and secondary scholarly literature on the history of early analytic philosophy is plentiful but the same is not true when it comes to the personal side of these figures This volume fills that hole by collecting personal remembrances from those who knew them best      International Philosophical Quarterly, 1991      **Journal of the History of Philosophy**, 1986      Proceedings and Addresses of the American Philosophical Association American Philosophical Association, 1986

**The Reception of Classical German Literature in England, 1760-1860, Volume 7** John Boening, 2020-01-31 The extensive scope of this collection means that this documentary record of the reception of German literature in England is a valuable scholarly resource One of the most important features of British literary and intellectual history over the past 250 years is the influence of German literature From the second half of the 18th Century through the first decades of the 19th German books and ideas attracted then gained the attention of a nation Despite the acknowledged importance of the influence on writers such as Coleridge and Carlyle the subject though often alluded to was rarely studied This collection provides a guidebook through the masses of

periodical and allows the English side of the Anglo German literary relationship to be explored in detail In order to make the collection useful to scholars with a wide range of interest it has been divided into three parts Part 1 is a chronological presentation of commentary on German literature in general It also contains collective reviews of multiple German authors notices of important anthologies and reactions to influential works about Germany and its culture Part 2 collects reviews of 18th Century individual German authors and Part 3 is devoted to the English reception of Goethe and Schiller Parts 2 3 contain cross references to the collective reviews of Part 1 Containing over 200 British serials and articles and reviews from all the major English literary periodicals the collection also includes a broad sampling of opinion from the more general magazines including some popular religious publications The Philosophical Review ,1986 Memoirs of a Dissident Publisher Henry Regnery,1985-07-01 The forthright yet unassuming and engagingly honest memoirs of a publisher whose controversial books on domestic and foreign politics made his house a force to be reckoned with *The Most Influential Women in History: Over 100 Memoirs & Biographies* Elizabeth Cady Stanton,Catherine H. Birney,Helen Keller,Margaret Sanger,Julia Ward Howe,Emmeline Pankhurst,Sarah H. Bradford,Mother Jones,Helen Wright,2023-11-13 The collection The Most Influential Women in History Over 100 Memoirs it presents a vivid context where these narratives resonate with lasting impact making each piece crucial to understanding the multifaceted roles of women in shaping the world This anthology features works by influential voices such as Elizabeth Cady Stanton Helen Keller and Emmeline Pankhurst who are renowned for their pivotal roles in defining modern feminist thought and activism These contributors along with others connect their personal experiences with broader movements such as women s suffrage labor rights and education reform Their writings together embody the tenacity and spirit that characterized movements like the first and second waves of feminism among others Each author s unique perspective contributes to a comprehensive mosaic of women s enduring influence in historical and cultural contexts For readers seeking an enlightening journey through history this anthology provides an unparalleled opportunity to explore the intellectual and cultural legacies left by these extraordinary women The diversity of perspectives and narrative styles not only educates but also inspires prompting reflection and appreciation of the challenges and triumphs chronicled within This collection is recommended for anyone interested in feminist literature historical narratives or the broader social implications of women s achievements across time Each work within this anthology fosters a dialogue engaging readers with the dynamism and determination that have been central to women s historical narratives Littell's Living Age ,1871 **Littell's Living Age** Eliakim Littell,Robert S. Littell,1877 Memoirs Hans Jonas,2021-04 Jonas was a veritable intellectual celebrity in Germany owing to the runaway success of his 1979 book *The Imperative of Responsibility* an extra ordinarily timely work that mediates between humankind s enormous technological capacities and its diminished moral sensibilities The book became something of a cultural shibboleth Jonas himself became a celebrated public intellectual For Jonas this development must have been enormously gratifying In the 1920s Jonas studied philosophy with Edmund

Husserl and Martin Heidegger at universities in Marburgh and Freiburg but the Nazi regime s early attempts to Aryanize the universities forced Jonas to leave Germany for London He emigrated to Palestine in 1935 and eventually enlisted in the British Army s Jewish Brigade to fight against Hitlerism Following the Israeli War of Independence in which he also fought he emigrated to the US and took a position at the New School for Social Research in New York He became part of a circle of friends around Hannah Arendt and Heinrich Blucher which included Adolph Lowe and Paul Tillich Because Jonas s life spanned nearly the entire twentieth century this memoir provides nuanced pictures of a host of important historical moments of German Jewry during the Weimar Republic of German Zionism of the Jewish emigrants in Palestine during the 1930s and 1940s and of German Jewish emigre intellectuals in New York In addition Jonas outlines the development of his work beginning with his studies under Husserl and Heidegger and extending through his later metaphysical speculations about God after Auschwitz

### **German Recollections Some Of My Best Friends Were Philosophers Introduction**

In today's digital age, the availability of German Recollections Some Of My Best Friends Were Philosophers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of German Recollections Some Of My Best Friends Were Philosophers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of German Recollections Some Of My Best Friends Were Philosophers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing German Recollections Some Of My Best Friends Were Philosophers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, German Recollections Some Of My Best Friends Were Philosophers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing German Recollections Some Of My Best Friends Were Philosophers books and manuals, several platforms offer an extensive collection

of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for German Recollections Some Of My Best Friends Were Philosophers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, German Recollections Some Of My Best Friends Were Philosophers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of German Recollections Some Of My Best Friends Were Philosophers books and manuals for download and embark on your journey of knowledge?
