FORTY TWO YEARS A SECRET MISTRESS Jan Prebble

BEM, 2013-11-15 Jan Prebble was for 42 years the mistress of John Prebble the writer acclaimed in Scotland for his histories of Glencoe Culloden and The Highland Clearance while elsewhere his best known work is the block buster film Zulu for which he wrote the script This is not an autobiography written in chronological order but a series of snapshots of a great hot fired love affair portraying with humour and feeling some of the difficulties of being a mistress in the days when unmarried couples were not acceptable the ruses they had to adopt and the extraordinary situations they found themselves in More than that it takes in not only Jan s own celebrity interviewing life as a Fleet Street journalist DJ protecting days as PRO to Capital Radio and finally her time working for the Prince of Wales but also fascinating examples of John s unpublished letters serious and flippant historical and romantic It includes untold stories behind his many books and a vivid description of how an author feels when he finishes writing one The whole story is enhanced by tales of John s sense of fun unexpected perhaps in a man who wrote so eruditely about history

The Wheaton Franciscan Heritage Jeanne Guilfoyle, 2009 The Wheaton

Franciscans were among many Catholic sisters who came to minister in this country in response to the needs of a growing immigrant population This influx of pioneering women dedicated to serving God and their neighbor was a major factor in the development of health care education and other social services in the United States This is the story of the Wheaton Franciscan sisters as they overcame misfortune and poverty in America to establish a variety of ministries chief among them health care and housing Today they constitute the American province of an international congregation founded by Mother Clara Pfaender in Germany in 1860 known as the Franciscan Sisters Daughters of the Sacred Hearts of Jesus and Mary The first health care and housing ministries they founded continue to flourish as Wheaton Franciscan Services The sisters also continue their service through their peace and justice activities as well as spiritual development ministries

Self-Portrait

of Percy Grainger Malcolm Gillies, David Pear, Mark Carroll, 2006-06-29 Shortly before his death Percy Grainger 1882 1961 lodged over twenty unpublished sketches in his Australian Museum Self Portrait of Percy Grainger draws exclusively from these sketches revealing for the first time an illuminating portrait of the composer s life With such titles as The Aldridge Grainger Strom Saga Thunks Ere I Forget The Love Life of Helen and Paris and Anecdotes these manuscripts were intended as precursors to Grainger s autobiography My Wretched Tone Life which he only commenced in his final years Expertly shaping these sketches the editors have created a self portrait along the lines that Grainger himself had intended The volume first introduces Grainger s forebears parents friends wife and himself before moving on to his views on composition

performance and the musical world In these sketches Grainger addresses such topics as racial and national identity the meaning of work physical culture language reform sexual practice and artistic patronage Grainger also probes the nature of musical genius discussing a broad range of composers including Igor Stravinsky Thomas Beecham Frederick Delius Edvard Grieg Charles Stanford Cyril Scott Fritz Kreisler Donald Tovey Ferruccio Busoni and Balfour Gardiner Among the works of his own that Grainger most featured are his The Warriors Music for an Imaginary Ballet Colonial Song the Lincolnshire Posy series of band pieces his greatest hit Country Gardens and his many settings of English folk music Written in Grainger's own self created Nordic English as well as translated from Danish the language of his most intimate confessions Self Portrait of Percy Grainger sheds light on some of the most revealing details of the composer's life The sketches trace Grainger's changing self perception from the romantically tinged even lustful views of his forties and fifties through a period of wistfulness in his sixties to the bitterness and self loathing of his old age The volume also includes several of Grainger's own drawings as well as both public and private photographs A fascinating and revealing collection of vignettes this extraordinary book will appeal to instructors students and enthusiasts in musicology music history cultural studies and Australian British and American history *The New Monthly Belle Assemblée* , **pt.I The Smyth family Robinson (...to 1877), pt.II**
