## **Econometric Contributions To Public Policy:**

**Econometric Contributions to Public Policy** William Peterson, 1978-12-14  
**Public Policy** Richard Stone, William A. Peterson, William Peterson, 1979  
**Nomination of Michael J. Boskin** United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs, 1989  
*Poverty and Famines* Amartya Sen, 1983-01-20 The main focus of this book is on the causation of starvation in general and of famines in particular The author develops the alternative method of analysis the entitlement approach concentrating on ownership and exchange not on food supply The book also provides a general analysis of the characterization and measurement of poverty Various approaches used in economics sociology and political theory are critically examined The predominance of distributional issues including distribution between different occupation groups links up the problem of conceptualizing poverty with that of analyzing starvation  
**Putting Econometrics in Its Place** G. M. P. Swann, 2006-01-01 I consider the book as well suited to provide a broader perspective on methods used in applied economic research For the applied researcher the book will provide a nice overview on existing methods and some arguments as to which method might be particularly suitable for specific purposes Peter Winker Jahrb cher f National konomie u Statistik  
**Expanded Residential Weatherization Program**, 1984  
**Journal of Economic Literature**, 2006  
*The Legacy of John Kenneth Galbraith* STEVEN PRESSMAN, 2013-10-18 When John Kenneth Galbraith passed away on April 29 2006 the economics profession lost one of its true giants And this is not just because Galbraith was an imposing figure at 6 feet 9 inches tall Throughout his life Galbraith advised Presidents made important professional contributions to the discipline of economics and also tried to explain economic ideas to the general public This volume pays tribute to Galbraith s life and career by explaining some of his major contributions to the canon of economic ideas The papers describe the series of unique contributions that Galbraith made in many different areas He was a founder of the Post Keynesian view of money and a proponent of the Post Keynesian view that price controls were necessary to deal with the problem of inflation in a modern economy where large firms already control prices and prices are not determined by the market He promulgated the view that firms manipulate individual preferences and tastes through advertising and other means of persuasion and he drew out the economic implications of this view He was a student of financial frauds and euphoria and a forerunner of the Post Keynesian Minskean view of finance and how financial markets really work This book was published as a special issue of the Review of Political Economy  
Global Economic Modeling: A Volume In Honor Of Lawrence R Klein Peter Pauly, 2018-04-25 Global econometric models have a long history From the early 1970s to the present as modeling techniques have advanced different modeling paradigms have emerged and been used to support national and international policy making One purpose of this volume based on a conference in recognition of the seminal impact of Nobel Prize winner in Economic Sciences Lawrence R Klein whose pioneering work has spawned the field of international econometric modeling is to survey these developments from today s perspective A second

objective of the volume is to shed light on the wide range of attempts to broaden the scope of modeling on an international scale Beyond new developments in traditional areas of the trade and financial flows the volume reviews new approaches to the modeling of linkages between macroeconomic activity and individual economic units new research on the analysis of trends in income distribution and economic wellbeing on a global scale and innovative ideas about modeling the interactions between economic development and the environment With the expansion of elaborated economic linkages this volume makes an important contribution to the evolving literature of global econometric models

**The Political Environment Of Economic Planning In Iran, 1971-1983** Hossein Razavi, Firouz Vakil, 2019-07-09 The Political Environment of Economic Planning in Iran 1971 1983 From Monarchy to Islamic Republic Hossein Razavi and Firouz Vakil Based on both research and first hand experience this book provides a politico economic analysis of the operation of Iran s economy before and after the revolution of February 1979 The authors discuss the function and effectiveness of economic planning during the shah s tenure and relate the shortcomings of plan preparation and implementation to the explosive psycho economic instability of the regime They then discuss the institutional problems that the revolutionary regime has been facing in operating the economy and foresee the possible consequences of its failure to appropriately deal with these problems Finally analyzing the economic postures of important opposition groups the authors outline future prospects for economic planning in Iran
