Economics Directorate, North Atlantic Treaty Organization. Information Directorate, 1980 Economic Reforms in Eastern Europe and Prospects for the 1980s. Colloquium, 16-18 April 1980, 1980 Crisis and Reform in Eastern Europe Ferenc Feher, 2020-02-13 Communism in Eastern Europe is in crisis Its dimensions are social and economic its manifestation is political This volume a collection of essays by leading authorities describes the symptoms of the crisis diagnoses the causes of the malady and offers alternative scenarios for therapy A unique dimension of this collection is its avoidance of one dimensional explanations The contributors approach the subject from very different angles and start from very distinct sociopolitical premises The volume includes original accounts of unexplored aspects of East European communism as well as classic interpretations of the economic crisis and social stagnation that characterize the area Contributions not only examine the sociopolitical behavior of the ruling apparatus but also analyze its strategies political culture and the opposition Both the professional and the general reader seeking more information about Eastern Europe will find this volume an extensive in depth portrait of the current situation in what many observers predict may develop into the major area of tension in post World War II Europe Economic reforms in eastern europe and prospects for the 1980s; Colloquium 1980, 1980 *Economic Adjustment and Reform in Eastern Europe and the Soviet Union* Franklyn D. Holzman, 1988 Economic reform structural adjustment macroeconomic stabilization and participation in the world economy are interconnected aspects of the same issue the long term economic viability of centrally planned economies in the rapidly changing economic environment of

the modern world Any economic strategy that focuses on only one or two of these aspects at the expense of the others is likely to fail yet even strategies that build on all of these bases may well fail unless political leaders can muster exceptional skill garner international support and enjoy some good luck The contributions to this volume reflect the recent research on this issue by various specialists on the economies of the Soviet Union and Eastern Europe Each author emphasizes macroeconomic stabilization structural adjustment participation in the larger world economy or economic reform Crisis and Reform in Eastern Europe Ferenc Fehér, Andrew Arato, Communism in Eastern Europe is in crisis Its dimensions are social and economic its manifestation is political This volume a collection of essays by leading authorities describes the symptoms of the crisis diagnoses the causes of the malady and offers alternative scenarios for therapy A unique dimension of this collection is its avoidance of one dimensional explanations The contributors approach the subject from very different angles and start from very distinct sociopolitical premises The volume includes original accounts of unexplored aspects of East European communism as well as classic interpretations of the economic crisis and social stagnation that characterize the area Contributions not only examine the sociopolitical behavior of the ruling apparatus but also analyze its strategies political culture and the opposition Both the professional and the general reader seeking more information about Eastern Europe will find this volume an extensive in depth portrait of the current situation in what many observers predict may develop into the major area of tension in post World War II Europe Ferenc Fehér a collaborator and friend of George Lukács was a leading member of the Budapest School Forced into exile in 1977 he was taught in Australia and is now in New York at the New School for Social Research He has published widely in several languages on the philosophy of art political theory and history **Soviet Politics In The 1980s** Helmut Sonnenfeldt, 2019-07-11 The Soviet Union in the aftermath of the Brezhnev era may well stand at a crossroads in its history According to the authors of this volume the Chernenko administration and the new generation of political leaders now on the threshold of power must steer through a difficult period in the USSR's international relations especially where the U S is concerned continuing to assert what they regard as the legitimate Soviet role as a world superpower while coping with an inflexible and aging political system a stagnant economy and growing social problems The contributors provide a careful consideration of the choices confronting the USSR as this new era begins and analyze the paths its leaders may take as they grapple with the challenges of the 1980s

Economic reforms in eastern europe and prospects for the 1980s colloquium, 1980, bruxelles Nato. economic directorate, Nato. information directorate, 1980 **The Soviet Bloc In The Imf And The Ibrd** Valerie J Assetto, 2019-07-11 In this book the author surveys performance of the Soviet Bloc states in the International Monetary Fund IMF and the International Bank for Reconstruction and Development IBRD for evidence of unusual levels of assistance using aggregate data obtained from IMF and IBRD sources The Planned Economies of Eastern Europe Alan H. Smith, 2025-08-01 First published in 1983 The Planned Economies of Eastern Europe provides a penetrating analysis of the Eastern European

economies beginning with an examination of the Soviet model on which they are based An interesting comparison is made between the levels of economic development in these countries before and after adopting the Soviet model The effect of the model in generating rapid industrial growth by giving priority to heavy industry without regard to the raw material base and in doing so neglecting agricultural development is looked at in detail This is followed by a survey of proposals to reform the system put forward by Polish Hungarian and Czechoslovakian economists A discussion of the role of money and the problems of consumer equilibrium and the problems of foreign trade both inside and outside Comecon concludes this in depth and constructive review *Economic Reforms in Eastern Europe and Prospects for the 1980s* NATO. Economics Directorate,NATO. Information Service,1980 **Czechoslovakia, a Country Study** Richard F. Nyrop,1982 General study on Czechoslovakia covers history physical geography ethnic groups social structure religious practice economy economic reforms industrial sector agricultural sector trade politics political system government international relations esp With USSR defence administration of justice discusses economic relations within the framework of CMEA and international cooperation in respect of the Warsaw Pact treaty Bibliography glossary map organigrams photographs statistical tables *Planning in Eastern Europe (Routledge Revivals)* Andrew H. Dawson,2017-12-22 Planning is particularly important in Eastern Europe since most spatial change and economic planning are the products of centralised decision making which in turn is the product of a systematic socio political ideology Planning is therefore an important key to understanding society economy and spatial change in Eastern Europe This book which was first published in 1987 provides a comprehensive overview of planning in Eastern Europe Each chapter discusses the nature of planning in the country in question and the changes which have taken place since 1945 and examines regional economic land use environmental protection and urban design policies and their achievements in the post 1945 period Introductory chapters discuss the physical economic and political background of the area and a conclusion considers overall successes and failures and discusses likely future developments This book is ideal for students of geography Employment Policies in the Soviet Union and Eastern Europe Jan Adam,1982-06-18 East European Economic Assessment: Country studies, 1980 ,1981 East European Economic Assessment ,1981 Problems of Communism ,1982 Planning and Profits in Socialist Economies Jean-Charles Asselain,2013-11-05 This study of economic reforms throughout Eastern Europe covers the history of attempts at decentralization The book Describes the centralized model and compares its requirements with the realities of socialist countries Discusses the economic policies of the post Stalinist period Examines the origin of the reforms which began in 1956 culminating in the Soviet economic reform of 1965 and the rehabilitation of profit Countries covered include the former USSR the former East Germany and Hungary
