Hawking God A Young Jewish Womans Ordeal In Jews For Jesus:

Hawking God Ellen Kamentsky,1992 **Un - Sentenced For Life** Jo Ann Schneider Farris,2015-02-24 It s complicated No I m complicated Is there anyone like me Is there anyone out there who is Jewish who was attracted to the love of the Jesus Movement who worked as a teacher in a Pentecostal Christian school who lived in a Christian commune who attended a deaf church who served for years with Jews for Jesus as a volunteer and also a missionary who spoke in hundreds of churches who worked for Focus on the Family who led a cause to expose the wrongs of Jews for Jesus who also taught skating for years who raised her children as secular Jews who sought G d in Orthodox Judaism whose husband almost died in a horrible accident who unschooled her children and who became sort of famous because of her writing about figure skating Perhaps Jonah and I also have something in common I do hope that whoever reads my story will enjoy getting to know me and at the same time be entertained Happy reading JO ANN **Three Perspectives: Jewish, Christian, and Muslim** Steven H.

Propp,2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world **Encyclopedia of Religious**
