'The everlasting gospel' of the Old & New Testaments, sermons. Selected by sir R. Phayre Charles Haddon

Spurgeon,1897 Sermons for Reviving, on the Table Talk of the Master Louis Albert Banks,1928 **Memoirs of Grassy Creek** Zetta Barker Hamby,1997-12-15 Born on January 5 1907 Zetta Hamby spent much of her life in the northwestern mountains of North Carolina keenly watching the changes in her community of Grassy Creek and in the world Families homes weddings and funerals politics health world war race relations the telephone those are among the topics touched on in this firsthand look at rural Appalachia in the early decades of the present century Sometimes poignant often humorous and surely authentic these stories are yet another reminder of recent history that is all too quickly being lost Forgive Me Father, for I Have Grieved V. N. Phillips,2006-05 Religious gaffes are served up in a family friendly style in this riotous collection of bona fide stories and puns related to traditions of worship Amusing anecdotes of comical church incidents are featured as are examples of Christians who have been given the boot for poorly chosen words uttered in front of their congregations A section on cemeteries looks at bizarre witty and often brazenly frank tombstone inscriptions such as He was so cold natured Warm in life he was not Now it is believed he s very warm In a place where it s very hot and if possible the people and stories behind them *Giving Glory to God in Appalachia* Howard Dorgan,1990-11-08 In *Giving Glory to God in Appalachia* Howard Dorgan explores the worship practices of Primitive Regular Old Regular Union Missionary and Free Will Baptists The worship practices of the denominations under consideration are varied and often exuberant and Dorgan s writing is highly evocative conveying in rich detail the joy and pathos of worship in these mountain churches As Dorgan states in the introduction he is less concerned with academic theorizing and more concerned with presenting a vivid firsthand account of all that he has seen and heard And in the nearly fifteen years he spent researching his book Dorgan saw and heard quite a lot spirited vociferous sermons creek baptisms foot washings homecomings dinners on the ground and evangelistic radio broadcasts Dorgan s prose is at its most enchainning when he presents tableaux of these phenomena a foot washing precipitates the erasure of interpersonal turmoil between two women a preacher uses his lively mode of sermonic delivery to orchestrate the rapturous shouts and hollers of a group of women a radio evangelist exhorts a recent widower to accept salvation The wonderful pictures interspersed throughout the book and the transcription of sermons help to further reify the worship scenes that Dorgan describes At times Dorgan s prose is intensely personal Dorgan is always aware that he is writing about sets of shared values and worship practices that mean a great deal to the congregations he is studying and Dorgan treats his subjects and their beliefs with tremendous sensitivity and respect Ultimately Dorgan is writing about people and the ways in which they invest their lives with meaning and purpose This imbues *Giving Glory to God in Appalachia* with a universal appeal even readers who find the religious settings in the book completely alien will be able to sympathize with the congregations search for meaning *Preaching the Gospel of John* Lamar Williamson,2004-01-01 In this accessible treatment of the major themes of the Gospel of John renowned New Testament scholar Lamar Williamson blends the best of biblical scholarship and a close reading of the Fourth Gospel to meet the practical needs of weekly

preaching A more reflective Gospel in which the risen Jesus speaks in signs and discourses John does not simply tell stories but allows us to experience the Word and to see Jesus offering living water to the aridity of the institutional church and bread to the hungry hearts of individual disciples More than mere exposition Preaching the Gospel of John includes at the end of each passage three to five possibilities for preaching the text creative and pertinent suggestions that can help preachers apply the words of the Fourth Gospel to the lives of today's churchgoers Proclaiming the living Word is a major theme of the Gospel of John and this clear and insightful commentary captures that message in the preaching moment Barefoot Disciple Stephen Cherry, 2010-12-02 The rediscovery of genuine passionate humility as a healthy life giving and community building virtue capable of transforming our BSE Blame Someone Else society **Making Gospel Sense To A Troubled Church** James Wm. McClendon, 2004-12-17 Making Gospel Sense is theologian James Wm McClendon Jr's riveting story of his experiences as an interim pastor in a floundering congregation Through twenty six prophetic sermons each introduced by interpretive commentary McClendon describes his call to the church the struggle between disparate personalities the difficulties and rewards of moving from classroom to sanctuary and the evolution of his congregation from seemingly hopeless decline to spirited recovery Here is a microcosm of today's church a tale of anxiety dissension self discovery and renewal Essential reading for pastors seminarians and all those who care about the church Making Gospel Sense is at once a challenging and inspiring pilgrimage to the true meaning of ministry **The Yoder Case** Shawn Francis Peters, 2003 In the late 1960s an Amish community considered state education detrimental to its own values When the state claimed truancy and took Jonas Yoder to court a legal battle of landmark proportions followed This volume is a complete and compelling account of the Yoder case Spurgeon's Sermons Volume 16: 1870 Charles Haddon Spurgeon, **Truth Seeker**, 1925 **My Kingdom Is Not of This World: 300 Years of the Amish, 1683-1983** Horst Gerlach, 2013-06-01 Originally printed in German in 1993 this updated and revised version has been translated into English Lots of new photos and updated data were added to the text as Gerlach traces the beginnings of the Amish movement in Switzerland their development and contribution to agriculture in Europe and their spread throughout Europe as well as their eventual decline A short portion covers the Amish in North America This is the most comprehensive book on the Amish in Europe 401pp color illus index Masthof Press 2013 *Lectionary Preaching Workbook* Jerry L. One New Humanity Martin Burrell, 2020-08-26 This is more than just an account of ministry to and with the Roma Martin s calling to work with the Roma community in Luton is a profound witness to God s love for all his people and their well being This Gadjo dillo this crazy Englishman reveals glimpses of heaven in those who so often have been marginalised oppressed and despised This book is about a dream the dream that Roma and Gadje of all colours languages and backgrounds can as one new humanity come together as a foretaste of heaven Rooted in his commitment to the Luton Roma community Martin opens up to us the heights and depths of this most alienated people and enables them to speak of God s love and purposes for us all Bishop Richard Atkinson OBE Bishop of Bedford In One New Humanity Martin embarks on a reflective journey that is both provoking and deeply insightful His writing illustrates the benefits of working cross culturally while engaging the Biblical witness Years of friendship with the Roma broaden and deepen his Biblical understanding thus allowing him to critique his own British culture At the same time he brings an outsider perspective to evaluate certain aspects of how the Roma are living out their Pentecostalism in his particular UK context Within these two intersecting currents he is able to envision a thoroughly Gospel centered yet contextual picture of One New Humanity in Christ pointing to something beyond Roma rights policies and Gadje Roma relations In fact this is a book for all Christians who want to reflect on their own cultural blind spots in light of the Biblical narrative Melody J Wachsmuth mission researcher and writer

Preaching in My Yes Dress Jo Page, 2016-01-28 The frank and funny story of a church geek girl who spent twenty years in the ecclesiastical trenches as a Lutheran pastor preaching weekly words of hope she wasn t sure she even believed After a series of childhood misfortunes her father s death her mother s ill advised love affair her disabled sister wrecking the family GTO self avowed church geek Jo Page decided it was her job to figure out how to stay on God s good side and maybe spare the family any more tragedy But she was a girl And a Lutheran That ruled out the Roman Catholic sisterhood as so quasi erotically portrayed by Audrey Hepburn in Page s favorite movie *The Nun s Story* Though women were ordained in the larger branch of the Lutheran church when Page s own pastor handed her a brochure

enumerating all the ways in which she as a female was to be silent and submissive she gave up on the church and went off in search of sex and drugs and rock and roll like any rejected adolescent Lutheran girl would Eventually Page found her way back into the church and ultimately into ordained ministry spending twenty years in the ecclesiastical trenches presiding over life s rituals and preaching compulsory weekly words of hope she wasn t sure she even believed Comical provocative and heartbreaking Preaching in My Yes Dress tells several stories of a child s need to cleave to the very God who instills mortal terror of the shape shifting that a public pastoral identity entails of the power of ritual and the weight involved in presiding over it and of the rise of the religious right and the patriarchy endemic to both scripture and faith traditions Page also raises the question of whether or not faith can heal the wounds the life of faith has itself inflicted Preaching in My Yes Dress lives up to its wonderful title Jo Page s memoir is a thoughtful wide ranging and unusually frank chronicle of her spiritual journey Anyone interested in Christianity the daily realities of pastoral work or the challenges of living an ethical life will find this book illuminating and inspiring Tom Perrotta author of The Leftovers In Preaching in My Yes Dress Jo Page tells the remarkable story of her journey in and outside the church over nearly fifty years The result is all the things you hope a good memoir will be profound witty deeply serious wonderfully original and utterly absorbing Page is a remarkably intimate writer and this book offers the best kind of companionship Margot Livesey author of The Flight of Gemma Hardy A Novel

A Meal for the Road Charles E. Link, 1994 Link suggests that a church s attitude toward communion is a barometer of a congregation s spiritual vitality Each sermon is accompanied with scripture references and questions for discussion and reflection **Appalachian Heritage** , 1985
