healing and deliverance comes because of His presence Our faith should not be in the wisdom of men but in the power of God 1 Corinthians 2 5 Introduction *Deliverance and Healing for All* Rev. Ibet N. Toltowicz Evangelist,2019-09-09 He was afraid to open them but hesitantly opened his eyes at my insistence When he began to look around he could not see the spirit anywhere He continued to look all over but the spirit that had tormented and tracked him all of those long years was instantly gone Praise and glory and honor be to our God At that moment I knew that this young man realized that God s power was greater than Satan s *Storming Heaven with Prayer* Ardith Blumenthal,2020-01-30 O come let us worship and bow down let us kneel before the Lord our Maker for He is our God and we are the people of His pasture and the flock under His care Today if only you would hear His voice do not harden your hearts as you did at Meribah as you did that day in Massah in the wilderness Psalm 95 6 8 You may wonder why a book about storming heaven begins with a prayer about bowing and kneeling It s because it is from this position of humility and submission that we find our answers and win our battles In understanding Him we learn He won t deny us our requests In pouring out our heart to Him we learn He would never break our heart Not only do we grow to understand our place in His Kingdom we grow to understand His amazing love toward us He is waiting and longing and expecting to answer our prayers and give us our heart s desire We are members of His household children of the King of Kings We are heirs to all of His incredible promises and recipients of His matchless grace Like most people I ve had experience with prayers that seem to fall on deaf ears prayers that appear for all practical purposes to go unanswered In fact at one point in my life I actually told people if there was a God He was a serious underachiever It s amazing to me that He still loves me after such an insult I d lost family to devastating illnesses I tried without success to ease the terrible suffering experienced by four members of my six person family I watched them die untimely and painful deaths In some cases it was more like seeing them tortured to death If there was a formula to reverse suffering or to talk Jesus into showing mercy I certainly couldn t find it It was a very black time of my life That s why I m excited to share this book I spent years studying prayer reading about prayer praying prayers For more than twenty years my life has been devoted to discovering how to pray effectively I don t believe there is a formula really though I believe the format of The Lord s Prayer is an excellent blueprint Daniel David and Solomon give us beautiful prayers as well The endorsement I give for the prayers in this book is they worked It s not because of what I studied read or wrote It s because during the process of learning what touches the heart of God what He wants what pleases Him I learned to pray His Word
