national and international levels Sanity requires the rejection of the gods we've created by learning to focus on the God in whose image we've been created Billions of dollars are spent every year on the pursuit of physical perfection People do anything to become richer more powerful or more prestigious with improved appearances and more pleasing makeup in all domains as if the only value that really counts is the most attractive picture we are able to show In this very expensive race for the outside perfect masks the pursuit of inner beauty can often be pushed aside when this inner beauty is by far more important than the outer beauty Don't we know that the Lord does not see as mortals see they look on the outward appearance but the Lord looks on the heart 1 Samuel 16:7 In this book *Heal Your Life Awakening to the Power of Faith Hope Love Prayer* Dr Maalouf masterly invites us to reject the double lifestyle we are living and to genuinely consider living by the truth of the permeation and integration of theology and politics Politics Pope Paul VI declared is the highest form of charity And we can add that charity is the highest form of political sanity as well Indeed real politics takes action and contemplation All our crises are rooted in our spiritual crisis first For our sanity and survival God is needed For our sanity and survival the politics of the earth should match the politics of the kingdom of God as this book explains *My Journey Through Trauma and Healing* April Merritts, 2021-07-08 April Merritts experienced shock and trauma when her narcissistic ex husband had a mid life crisis and suddenly and unexpectedly left their marriage April vulnerably details her journey through pain and trauma sharing the healing practices she intentionally embraced ultimately leading to a self love story She connects to her readers by sharing her story openly bringing hope and light to people experiencing their own trauma All names and details have been changed for privacy and non disclosure purposes **The Life of Christ: book 5.
