get heartbroken we get disappointed we get rejected It s part of life We live in a world with flawed humans who fail us and make mistakes Many of our dreams are wrapped up in these humans and because of that brokenness is just a part of living on this earth It s a price of admission to this life and something which we all must pay We can t always control the situation or the outcome for that matter But we can control how we respond to the devastating blow when heartbreak strikes In this book I will go over all the ways one can truly heal from heartbreak Dealing with the pain that comes with it the struggle the insecurities disappointment and the rejection I will show you how to combat grief and how to endure the difficult road to becoming whole again Heartbreak and disappointment they change you change how you eat how you sleep and how you interact with others It shakes you to your very core The essence of who you are Recovering from such trauma can be an extremely lengthy and challenging process If done incorrectly you re not only prolonging your heartbreak but also risking long term emotional damage Add to the fact that most people don t even know what genuine healing really is and then you understand why most people never truly accomplish it In a world that leaves us broken many times over we must excel in the process of healing Healing is an art An art that we must master if we want to live a truly fulfilling life If we re going to create healthy long lasting relationships then we have to learn how to heal fully and in the right way from the ones that leave us broken Because heartbreak isn t physical trauma where our bodies automatically know how to respond No I m afraid with mental trauma the healing process is far more complicated than that And it s entirely up to us whether we heal or not If your heart is heavy if your soul is crushed if you re suffocating in immeasurable grief and disappointment I want you to take this book and let it be your lifeline for these troublesome times Let me be the compass that will lead you out of this storm
