Releasing the Church from Its Cultural Captivity S K Tham, 2015-11-09 In this book I would like you to come on a journey with me It is a journey that I have been on and I want to retrace the route that I have taken Some parts of the journey may be familiar to you but other parts may be new and sometimes scary My journey is by no means at its end yet but the delight that I have experienced beckons me to tell others and to take others along this journey Many times along the way I had to discard the cultural baggage that I had carried along because they became burdensome and prevented me from going further I then had to adorn a totally new attire and at times change my lenses to see things clearer I was reluctant to do that at first but the moment I tried on the new lenses I saw things that I had never seen before That was exciting Things came into much sharper focus However the distant view remained hazy but this only made me more determined to journey on With each new step I took I saw a little more Somehow the haze of the distant hills never lifted It remained I was only given a clear view of the immediate surroundings Over time I became contented with that view knowing that in this journey the delight is limitless S K Tham Those who have struggled with cross cultural communication of the Word of God will find this book a great assistance It is not that here at last is a method we can employ that will remove the barriers we face but there is an explanation and one that is not restricted to any particular Christian cultural group Siew Kiong Tham has argued that the basic problem is not anthropological or cultural it is theological Knowing the triune God and having that knowledge effect Christian living and relationships lies at the heart of all we are about as believers and proclaimers Rev Dr Ian Pennicook New Creation Teaching Ministry NSW We see our own culture as inviolable Apart from Christ it represents our lasting and sacred endeavours It fits us with the way things are done Dr Tham shows us that we may not simply overlay our culture with a form of external Christianity The delivery of grace by the present reigning Lord Jesus can never be drooped over our culture as a better moral system that simply tidies up some minor cultural loose ends The culture of the Fathers family must break through as the culture of love seen and known only in the Cross Only there do we discover the Fathers lasting and sacred endeavours to form His culture within humanity Brian Arthur Pastor Bethel Christian Church

restoration of love compassion and unity within the church Resentment often arises from a myriad of sources unmet expectations perceived injustices or unresolved conflicts These emotions can be rooted in disagreements over leadership differences in theological interpretations or personal grievances among members Left unaddressed resentment becomes a corrosive force eroding the foundations of trust and unity that are vital for a thriving church community As we navigate the intricate web of resentment we confront the consequences it imposes on the church The erosion of trust breakdown in communication and the emergence of gossip create an environment that is antithetical to the teachings of grace love and forgiveness In understanding the root causes and consequences of resentment we lay the groundwork for breaking free from its chains and unlocking the true power of forgiveness This chapter invites you to reflect on the transformative journey from resentment to forgiveness a journey that holds the promise of renewed unity spiritual growth and a flourishing church community May these pages serve as a guide on the path towards embracing forgiveness unlocking the profound power it holds within the sacred spaces of the church

Head, 2018-10-02 Written in an easy to understand conversational style Restoring the Shattered is an account of Nancy E Head's journey through single motherhood and poverty The permanent divide between her and her husband led to a shattering of their family as the children settled into separate camps The story begins when Nancy and her children have little to eat Through a miraculous intervention God provides and leads them along their way Other interventions and more

guidance came from people of different denominations illustrating Christ's love through the larger Church. When one of Nancy's grown children became Catholic she became more aware of the ways her own evangelical tradition often dismisses Catholic believers and misinterprets many of their doctrines. While doctrines may differ so many essential beliefs are the same. Restoring the Shattered looks at the causes of the Reformation and other schisms and how the original schism in Christianity happened because of a mistranslation. Misunderstanding others' faith languages feeds so much separation today. Nancy encourages pursuing accord among evangelical, Catholic and Christian Orthodox communities in order to lead the Church to the kind of ministry that helped Nancy's family so much and rebuild the ruins of society through obedience to Christ's call for Christian accord.

Final Report of the Truth and Reconciliation Commission of Canada, Volume One: Summary The Truth and Reconciliation Commission of Canada, 2015-07-27. This is the Final Report of Canada's Truth and Reconciliation Commission and its six year investigation of the residential school system for Aboriginal youth and the legacy of these schools. This report, the summary volume, includes the history of residential schools, the legacy of that school system and the full text of the Commission's 94 recommendations for action to address that legacy. This report lays bare a part of Canada's history that until recently was little known to most non-Aboriginal Canadians. The Commission discusses the logic of the colonization of Canada's territories and why and how policy and practice developed to end the existence of distinct societies of Aboriginal peoples. Using brief excerpts from the powerful testimony heard from Survivors, this report documents the residential school system which forced children into institutions where they were forbidden to speak their language, required to discard their clothing in favour of institutional wear, given inadequate food, housed in inferior and fire-prone buildings, required to work when they should have been studying and subjected to emotional, psychological and often physical abuse. In this setting, cruel punishments were all too common as was sexual abuse. More than 30,000 Survivors have been compensated financially by the Government of Canada for their experiences in residential schools, but the legacy of this experience is ongoing today. This report explains the links to high rates of Aboriginal children being taken from their families, abuse of drugs and alcohol and high rates of suicide. The report documents the drastic decline in the presence of Aboriginal languages even as Survivors and others work to maintain their distinctive cultures, traditions and governance. The report offers 94 calls

to action on the part of governments churches public institutions and non Aboriginal Canadians as a path to meaningful reconciliation of Canada today with Aboriginal citizens Even though the historical experience of residential schools constituted an act of cultural genocide by Canadian government authorities the United Nations declaration of the rights of aboriginal peoples and the specific recommendations of the Commission offer a path to move from apology for these events to true reconciliation that can be embraced by all Canadians

Unearthed Brandon Address, 2010-10 Jesus said that the Kingdom of God is like a treasure buried in a desolate field that one would sell all of his possessions to attain Yet the shocking reality is that this treasure remains buried as the average Christian and Church are sadly unaware of what the Kingdom of God is or why it even matters In his revealing first work Brandon Address writes that while the Christian and the Church continue to chase their tails in pursuit of an identity and purpose in the world it is ultimately the unearthing of the Kingdom of God that will transform the Church and change the world While walking simplistically through the parables of Jesus to get a better understanding of Kingdom of God this book will also convince and inspire you and your Church to be the means through which the Kingdom of God breaks into the world in power

My Wounded Heart Benny Woods, 2015-09-22 Wounds can heal with time but healed wounds always leave scars reminding the person of the wound Deep extensive or infected wounds may not heal on their own and require surgical removal of damaged skin and tissue Reconstructive surgery

can be done bringing in new tissue or skin resulting in a modified or renewed appearance Yet even with the best surgery a faint scar will be detectable Scientific research has yet to find a way of complete wound healing or tissue regeneration without leaving a scar God in His infinite wisdom designed the human body in this way for a reason Similarly healed emotional wounds also leave scars as shown in this book Often in this life the past gets in the way of the future Deep emotional scars can be difficult to deal with However unless the root cause is dealt with or removed true progress cannot be made

Once Upon a Time There Was a Three-Year-Old Grandpa David Janzen,2024-07-18 This eccentric title recalls a collection of tales first told to grandchildren at bedtime Each chapter begins with a fun to read farmer boy story from the 1940s an era before industrial farming when horses cows and chickens were still members of the family These anecdotes each launch a theme that splashes down with further development in later decades of life Diverse topics include imaginative play construction crew humor animal intelligence contemplative prayer and journal writing rural and urban farming communal wisdom and affordable housing along with a few serious pranks and the prophetic mischief that follows This memoir is also a confession in the pattern of Augustine reflecting on God's in breaking initiatives and the writer's emerging sense of calling in lifelong conversation with Jesus Its stories offer a series of curiosity driven on ramps into eight decades of transformative experiences for curious souls to ponder an open eyed faith and a communal way of life for the long haul
