He desires to set people free from their painful past and deliver them from the snares of the enemy. With more than 30 years of experience conducting spiritual warfare seminars and testimonies from thousands proclaiming their freedom, Jerry and Sherill Piscopo have written a groundbreaking definitive guide to spiritual warfare, deliverance, and personal healing. With scriptural foundation and revelation, they provide straightforward understanding and help for Christians everywhere. A powerful link exists between bitter root judgments, unforgiveness, curses, and personal healing. There are direct correlations between strongholds, yokes, bondages, and spiritual oppression. The Piscopos dispel myths about deliverance and give balanced insights on personal healing. They explain the biblical interaction of body, soul, and spirit and spiritual forces. With sound doctrine and teaching, they take the mystery and stigma out of spiritual warfare. Every Christian and ordained minister needs to read this book and gain greater ability to bring inner healing to oneself and to God's people. Spirit-empowered Christianity in the Twenty-first Century Vinson Synan, 2011 What does a re vision of the Charismatic Pentecostal Spirit empowered movement look like in the coming years of this millennium The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive

truths but the perpetrators of them as well. If any generation ceases to accentuate this emphasis, the movement likely will forfeit the right to be recognized as such. When the Pentecostal message is preached, published, and proclaimed through triumphant song, an atmosphere is sustained for people to experience anew and again the reality of salvation, holiness, charismata, wholeness, and hope. Such a revival will be biblically based, rationally sound, traditionally accurate, and experientially real. Spirit Empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa, OK, in April 2010. These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century. For example, one portion covers the topic of the 21st century renewal, while another discusses how we can protect our Charismatic distinctives. Another portion will highlight Charismatic adaptations for reaching this present age, discussing issues of social and economic justice, prosperity, and suffering, challenges to urban ministry, the future of the next generation, Oneness Pentecostalism, and missiological aims in North America. *The Heartfelt Medium* Rachelle Gehman, 2020-08-07. Unshackled Kathy DeGraw, 2020-06-02. Jesus didn't come to earth just to save us from hell. He suffered, died, and rose again for the complete deliverance and healing you long for. Soul wounds affect each of us and leave broken places in our lives that need healing. When we seek inner healing but don't also close demonic doorways to the enemy, we simply mask the issue temporarily and may find ourselves in more bondage than we experienced previously. A respected minister of deliverance, Kathy DeGraw will show you through biblical insights, real-life examples, and practical instruction how you can discern and destroy the root of fear, anger, addictions, rejection, and other strongholds that just won't go away. Use repentance, forgiveness, and robust spiritual warfare prayers and declarations to possess freedom, minister deliverance, and inner healing to others, and more. The Holy Spirit wants to open your eyes to the strongholds that have kept you stuck. It's time to be unshackled and free. *The Great Cosmic Lesson Plan* Sam Menahem Ph.D., 2015-03-18. The Great Cosmic Lesson Plan is a unique way of looking at life. It presents a perspective that combines spirituality, psychology, humor, and music as pieces of the puzzle leading to a happy, peaceful, meaningful life. We are all connected to each other in the great energy source that is God. We become unhappy when things don't go our way in the material world. This book suggests that happiness will come from a gradual shift to spiritual values. The book presents practical techniques for letting go of anger, fear, guilt, and negative beliefs. Additionally, humor and music are very helpful in aiding the process of letting go. Part One explores changes which need to be made to find happiness and the means to accomplish those changes. Ultimately, to reach this goal, there needs to be a connection
