## **Health And Social Change In Russia And Eastern Europe:**

**Health and Social Change in Russia and Eastern Europe** William C. Cockerham,1999 Examines the social causes of the decline in life expectancy in Russia and Eastern Europe Countries discussed include Russia Poland Hungary Romania Bulgaria the Czech Republic and East Germany

**Health and Social Change in Russia and Eastern Europe** William C. Cockerham,2002-05-03 Examines the social causes of the decline in life expectancy in Russia and Eastern Europe Countries discussed include Russia Poland Hungary Romania Bulgaria the Czech Republic and East Germany *Medical Sociology*

William C. Cockerham,2017-04-21 The most thorough major academic textbook available this classic text presents the most important research studies in the field The author also integrates engaging first person accounts from patients physicians and other health care providers throughout the text A much greater number of first person accounts and updated examples are added to the new fourteenth edition Other updates include Coverage of Zika Ebola MERS and updates on other pandemics Expanded discussion of obesity as a disease Coverage of the widening gap in life expectancy between the rich and the poor New information on the decline of life expectancy among American white women especially those who live in rural counties New material on biomarkers gene environment interaction and stress Analysis of the role of the hidden curriculum in medical schools Exiting the Affordable Care Act

*The New Blackwell Companion to Medical Sociology* William C. Cockerham,2016-09-26 An authoritative topical and comprehensive reference to the key concepts and most important traditional and contemporary issues in medical sociology Contains 35 chapters by recognized experts in the field both established and rising young scholars Covers standard topics in the field as well as new and engaging issues such as bioterrorism bioethics and infectious disease Chapters are thematically arranged to cover the major issues of the sub discipline Global range of contributors and an international perspective

**Chernobyl and the Mortality Crisis in Eastern Europe and the Former USSR** José A. Tapia,2022-09-20 Before the COVID 19 pandemic the mortality crisis which affected Eastern Europe and the republics of the former USSR at the time of the transition to a market economy was arguably the major peacetime health crisis of recent decades Chernobyl and the Mortality Crisis in Eastern Europe and the Old USSR discusses the importance of that crisis surprisingly underplayed in the scientific literature and presents evidence suggesting a potential role of the Chernobyl disaster among the causes contributing to it

*East Central Europe and the former Soviet Union* Michael Bradshaw,Alison Stenning,2016-04-15 A comprehensive introduction to the important economic social and political processes and development issues in this increasingly popular area of study Employing a groundbreaking thematic approach the book centres its discussion on the interrelation between contemporary development theories and continuing transition issues in this huge and complex region

*A Century of State Murder?* Michael Haynes,Rumy Husan,2003-08-20 Russia has one of the lowest rates of adult life expectancy in the world Average life expectancy for a man in America is 74 in Russia it is just 59 Birth rates and population levels have also plummeted These excess levels of mortality

affect all countries that formed the former Soviet bloc. Running into many millions, they raise comparisons with the earlier period of forced transition under Stalin. This book seeks to put the recent history of the transition into a longer term perspective by identifying, explaining, and comparing the pattern of change in Russia in the last century. It offers a sharp challenge to the conventional wisdom and benign interpretations offered in the west of what has happened since 1991. Mike Haynes and Romy Husan have produced the first and most complete and accurate account of Russian demographic crisis from the Revolution to the present.

**Understanding Post-Communist Transformation** Richard Rose, 2009-01-21 The fall of the Berlin Wall launched the transformation of government economy and society across half of Europe and the former Soviet Union. The text compares how ordinary people have coped with the stresses and opportunities of transforming into post-Communist societies.

**Medical Careers and Feminist Agendas** Elianne Riska, 2017-07-05 The increasing proportion of women in the medical profession has been followed keenly both by conservative and feminist observers during the past three decades. Statistics both in Europe and in the United States tend to confirm that women work mainly in niches of the health care system or medical specialties characterized by relatively low earnings or prestige. The segregation of medical work has become increasingly recognized as a sign of inequality between female and male members of the medical profession. Medicine as a social organization is not a universal structure. Health care systems vary in the extent to which physicians work in the private or public sector and in the extent to which they have as a corporate body been able to influence their numbers and the character of their work. The aim of this book is not only to review and to provide an account of women's position in medicine but also to provide an analytical framework. The text revolves around three key issues that illuminate this argument: numbers, medical practice, and feminist agendas of women physicians. The issues are addressed in all the chapters but highlighted as central analytical themes in a cross-cultural context. Challenging previous studies of the medical profession which have assumed for the most part a gender-neutral stance, Riska's text provides a unique focus.

**Medical Careers and Feminist Agendas** presents a comprehensive cross-national analysis of the current status of women in three societies where the economics of medical practice vary considerably: a market society, a welfare state, and a formerly communist society in transition. Aimed at a wide audience, this book will be useful for years to come in medical sociology, the sociology of professions, and women's studies. Its historical breadth, current data, and trenchant probing will furnish practitioners and policy makers alike with a needed analytical tool.

**The Wiley Blackwell Companion to Medical Sociology** William C. Cockerham, 2021-02-15 A comprehensive collection of original essays by leading medical sociologists from around the world, fully updated to reflect contemporary research and global health issues. Companion's twenty-eight chapters contain timely theoretically informed coverage of the coronavirus pandemic and emerging diseases bioethics healthcare delivery systems health disparities associated with migration social class gender and race It also explores mental health the family religion and many other real world health concerns The most up to date and comprehensive single volume reference on the key concepts and contemporary issues in medical sociology this book Presents thematically organized essays by authors who are recognized experts in their fields Features new chapters reflecting state of the art research and contemporary issues relevant to global health Covers vital topics such as current bioethical debates and the global effort to cope with the coronavirus pandemic Discusses the important relationship between culture and health in a global context Provide fresh perspectives on the sociology of the body biomedicalization health lifestyle theory doctor patient relations and social capital and health The Wiley Blackwell Companion to Medical Sociology is essential reading for advanced undergraduate and graduate students in medical sociology health studies and health care as well as for academics

researchers and practitioners wanting to keep pace with new developments in the field *Russia's Bitter Path to Modernity* Alexander Chubarov, 2001-01-01 Will it follow the model of the Western capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on tsarist Russia The Fragile Empire One of the key factors to Russia's distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia's Soviet development within Russia's own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist and Soviet Russia with the latter often repeating the former's mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states Fathers across Cultures Jaipaul L.

Roopnarine, 2015-08-26 This volume offers a comprehensive up to date synopsis of fathering and father child relationships in diverse regions of the world helping students and practitioners alike understand cultural variations in male parenting Interest in the role of the father and his influence on children's development and economic well being has grown considerably This edited volume uses detailed accounts to provide culturally situated analysis of fathering in cultures around the world The book's contributors a multidisciplinary group of scholars bring together the most recent theoretical thinking and research findings on fatherhood and fathering in cultural communities across developed recently developed and developing societies They address such issues as fathering and gender equality in caregiving concepts of masculinity in

contemporary societies fathering in various ethnic groups immigrant fathers fathering and childhood outcomes and social policies as they affect and are affected by issues related to fathering Organized geographically the book scrutinizes major sociocultural demographic economic and other factors that influence men's relationships within families It shows how economic conditions impact men's involvement with children and considers the effects of ideological belief systems and views of spousal partner roles and responsibilities The analysis is underpinned by recent data that underscores the significance of fathers involvement with and investment in the well being of their children **Small-town Russia** Anne White,2004 This book examines a number of key questions about social change in contemporary Russia issues such as how people survive when they are not paid for months on end the New Poor the falling birth rate why so many Russian men die in middle age whether regional identities are becoming stronger and how people's sense of Russianness has developed since the creation of the Russian Federation in 1992 It examines these issues by looking at actual experiences in three small Russian towns It includes a great deal of original ethnographic research and by looking at real places overall provides a good sense of how different aspects of social change are interlinked and how they actually affect real people's lives **The Last Man in**

**Russia** Oliver Bullough,2013-04-04 From Oliver Bullough the acclaimed author of the Orwell Prize shortlisted *Let Our Fame Be Great* a study part travelogue part political analysis of a nation in crisis *The Last Man in Russia* is a portrait of the country like no other a quest to understand the soul of Russia Award winning writer Oliver Bullough travels the country from crowded Moscow train to empty windswept village following in the footsteps of one extraordinary man the dissident Orthodox priest Father Dmitry His moving terrifying story is the story of a nation famine war the frozen wastes of the Gulag the collapse of communism and now a people seeking oblivion Bullough shows that in a country so willing to crush its citizens there is also courage resilience and flickering glimmers of hope Brisk lucid style skilful interweaving of historical context with his own rich experience of Russia Bullough has a talent for sketching the people he meets often administering a welcome dose of humour and he appreciates the absurd in the best Russian tradition an ambitious and wide ranging journey Arthur House Sunday Telegraph An extraordinary portrait of a nation struggling to shed its past and find peace with itself Anthony Sattin Sunday Times Oliver Bullough studied modern history at Oxford University and moved to Russia after graduating in 1999 He lived in St Petersburg Bishkek and Moscow over the next seven years travelling widely as a reporter for Reuters news agency He is now the Caucasus Editor for the Institute of War and Peace Reporting His first book *Let Our Fame Be Great* Journeys Among the Defiant People of the Caucasus received the Cornelius Ryan award in the United States and was shortlisted for the Orwell Prize in Britain Oliver Bullough received the Oxfam Emerging Writer award in 2011

**The Blackwell Companion to Medical Sociology** William C. Cockerham,2008-05-12 The Blackwell Companion to Medical Sociology is a comprehensive collection of twenty six original essays by leading medical sociologists from all over the world The articles are organized both topically and by region to provide thorough coverage of the concerns issues and future

directions of the discipline This invaluable resource is the most informed complete and up to date reference on transnational medical sociology available today Covers both substantive areas in medical sociology and regional perspectives located in the Americas Europe the Middle East Asia and Africa First comparative perspective to provide a comprehensive view of the field

**Contemporary Russia as a Feudal Society** V. Shlapentokh,Joshau Woods,2007-11-26 The book offers a theoretical discussion of the feudal model and a preliminary application of the model to post Soviet Russia In addition to a review of the feudal model as an ideal type the author explains the analytical benefits of drawing comparisons between countries and across historical contexts Specifically contemporary Russia is compared to Western European countries during the Middle Ages and to the Soviet period in Russian history The book is devoted to illuminating the most important political social and economic characteristics of contemporary Russian society

*Nation-Building and Identity in the Post-Soviet Space* Rico Isaacs,Abel Polese,2016-04-14 Nation building as a process is never complete and issues related to identity nation state and regime building are recurrent in the post Soviet region This comparative inter disciplinary volume explores how nation building tools emerged and evolved over the last twenty years Featuring in depth case studies from countries throughout the post Soviet space it compares various aspects of nation building and identity formation projects Approaching the issue from a variety of disciplines and geographical areas contributors illustrate chapter by chapter how different state and non state actors utilise traditional instruments of nation construction in new ways while also developing non traditional tools and strategies to provide a contemporary account of how nation formation efforts evolve and diverge

Handbook of Social Problems George Ritzer,2004 Ritzer s Handbook of Social Problems offers a comprehensive treatment of today s major societal issues The articles are authored by some of the top scholars in the field and address problem areas that will capture the interests of students and professors alike The international coverage is most welcome in this time of intensifying global inequalities Nancy Jurik Arizona State University The Handbook of Social Problems A Comparative International Perspective provides a unique broadly comparative perspective on the current state of social problems and deviance in a variety of societies around the world Editor George Ritzer along with leading U S and international sociologists examines the relationship between social problems and a society s level of development and affluence The essays in this volume focus on four interrelated issues involved in the relationship between social problems and the level of development and affluence Less developed and less affluent societies are more likely to experience a range of social problems than developed and affluent societies Affluence causes or at least brings with it a series of social problems that do not exist in less affluent societies It is only with affluence that certain things can come to be imagined as social problems such as excessive consumption The very affluence of a society makes it vulnerable to problems that would not be social problems in poorer societies The Handbook explores the theory of the weakness of the strong in other words strong or wealthy nations may have greater vulnerability to some social problems than less developed or affluent societies This theory is clearly illustrated in this volume by the

aftermath of September 11 2001 depicting the vulnerability of the U S to social problems in far removed corners of the world In addition the international and comparative essays in this volume cover other important issues such as the impact of modern technologies on social problems ecological problems global inequality health as a social problem and much more The Handbook of Social Problems is a vital resource for sociologists and graduate students as well as an excellent addition to any academic library

**Women and Gender in Central and Eastern Europe, Russia, and Eurasia** Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes

**Food Culture in Russia and Central Asia** Glenn R. McNamara, Asele Surina, 2005-06-30 Russia and the newly independent states of Central Asia are struggling to reassert or create national identities and are receiving fresh attention from the West After decades of oblivion the vast Eurasian continent is once again divulging its intense cultural heritage and foodways to the international community The diversity of food cultures within the former Soviet Union with more than 100 distinct nationalities is overwhelming but this book brilliantly distills the main elements of contemporary cuisine and food related customs for students and foodies Vibrant descriptions of the legacy of the Silk Road the classic foods such as kasha pirogi non flatbread pickles and shashlyk shish kebab the over the top Moscow theme restaurants and meals at the dacha and tea time are just some of the highlights Russia and the newly independent states of Central Asia are struggling to reassert or create national identities and are receiving fresh attention from the West After decades of oblivion the vast Eurasian continent is once again divulging its intense cultural heritage and foodways to the international community The diversity of food cultures within the former Soviet Union with more than 100 distinct nationalities is overwhelming but Food Culture in Russia and Central Asia brilliantly distills the main elements of contemporary cuisine and food related customs for students and foodies Vibrant descriptions of the legacy of the Silk Road the classic foods such as kasha pirogi non flatbread pickles and shashlyk shish kebab the over the top Moscow theme restaurants and meals at the dacha and tea time are just some of the highlights After centuries of contact and conflict among peoples of Eurasia Russian and Central Asian cuisines and culinary cultures have much in common To understand one the other must be considered as well Russia and Central Asia cuisines share many ingredients dishes and customs This volume

strives to emphasize the evolving and multifaceted nature of the food cultures Readers will be able to appreciate the ingredients cooking methods and traditions that make up the Eurasian foodways

Health And Social Change In Russia And Eastern Europe: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Health And Social Change In Russia And Eastern Europe : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Health And Social Change In Russia And Eastern Europe : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
