Blessed Kate Bowler, 2013-06-13 Catherine Bowler s *Blessed* represents the first attempt to examine the twentieth century American prosperity gospel movement as a whole seeking to introduce readers to its major figures and features

In Search of Health and Wealth Hermen Kroesbergen, 2014-01-07 The prosperity gospel is very influential in Africa in Pentecostal churches and in Reformed churches But what is the prosperity gospel Where did it originate Is it biblically sound How should we evaluate the prosperity gospel Does it represent a wrong way of looking for health and wealth or can we learn something from it In this book the authors provide an analysis from different perspectives on the highly debated topic of the prosperity gospel It is intended to be accessible and helpful both to academic colleagues and to ordinary ministers Most of the authors are lecturers at Justo Mwale Theological University College in Lusaka Zambia Together with Prof L Togarasei from the University of Botswana they use their theological skills to examine and assess this important topic from an African and Reformed perspective The articles in this book will help anyone who wants to deeply explore and evaluate the intriguing phenomenon of the prosperity gospel in Africa *Healthy and Wealthy?* Robert L. Plummer, 2022-06 The prosperity gospel has spread across the globe and infiltrates homes daily even through primetime television Among the core claims of these teachers is that God wants his people to be healthy and wealthy and if a person is not rich and well it is because that person lacks faith This distortion of the Bible s teaching needs to be answered faithfully and winsomely and the chapters of this volume work toward that end Writing from perspectives such as missiology biblical studies economics and

pastoral theology the contributors tackle crucial issues from Scripture and ministry to lay out a realistic and theologically sound view of health wealth and spiritual vitality

The Health and Wealth Gospel Bruce Barron,1987 **Health and Wealth: God's Will or Not?** Woody Stieffel,2024-01-18 Does God want me to have the best How rich was Jesus May a Christian be rich What does the Bible teach about wealth Does God want me to be healthy What about Christians who get sick These questions are addressed in depth HEALTH AND WEALTH looks to the Bible as the standard of truth in analyzing the claims of the Health and Wealth gospel so wide spread today It also looks at the issue of whether miraculous healings are for today

The Prosperity Gospel Jim Garnett,2020-10-02 There is a gospel movement sweeping the land today but it is not a movement from God It is a false gospel a counterfeit and it is called The Prosperity Gospel The true gospel s message is about a Savior who can save from sin this gospel s message is about Self and how we can secure success Appealing to man s appetite of greed this prosperity gospel offers the very same things that Satan offers to those who will worship him It is no surprise to discover that this false gospel traces its origin not to the pages of the Word of God but to a pagan mind over matter cult called New Thought Theology Two of today s popular cults of Christian Science Mary Baker Eddy and Unity Charles Filmore were also spawned from this same Satanic origin Clothing its metaphysical New Thought teachings with Christian terminology this movement found a home in Pentecostal circles through men like Oral Roberts and Kenneth E Hagin With the rise of the Christian cable networks like CBN TBN and PTL the Prosperity Gospel has grown by leaps and bounds infiltrating and saturating all of Christendom with its message of how to have Your Best Life Now Prosperity preachers like Joel Osteen Kenneth Copeland Creflo Dollar Benny Hinn and Jesse Duplantis model the success of the prosperity message having amassed great wealth into the hundreds of millions of dollars of net worth All of Satan s apples have worms as does this one Instead of bringing health wealth and happiness to its followers it leaves them disappointed discouraged and distrustful of God The Scriptures tell us in the latter days to expect false prophets who are wolves dressed in sheep s clothing examine them in light of the Word of God and exhort our brethren of their presence That is the purpose of Jim Garnett s book May the Holy Spirit guide you into all truth as you study its pages

[The Disease of the Health & Wealth Gospels](#) Gordon D. Fee,2006 Perhaps no other issues more directly affect the lives of professing Christians as do the issues of health and wealth and their relationship to the will of God In Disease of the Health Wealth Gospels Dr Gordon Fee looks at the treatment of these two themes as frequently found in popular Christian teaching Based on solid exegesis of the Scriptures looking at each theme separately this book suggests that there may be yet a more excellent way in viewing these emotionally charged issues Page 4 of cover

The Word-faith Controversy Robert M. Bowman,2001 **Neither Poverty nor Riches** Craig L. Blomberg,2000-10-02 One of the most difficult questions facing Christians today is that of the proper attitude toward possessions What action should we take on behalf of the poor What should we do with our own possessions In this NSBT volume Craig Blomberg asks what the Bible has to say about these issues Avoiding easy answers he draws on the

Old and New Testaments to seek a comprehensive biblical theology of possessions *The Health and Wealth Gospel*

TIMOTHY V. PETERSON, 2022-12-06 The Bible is clear that God's desire is for us to be in good health and to prosper in all things The Health and Wealth Gospel is also written as an encouragement to help you discover how to use your faith to receive health and healing in your life and how to prosper in every arena of your life This book will help you study God's Word and what it has to say about God's will for your health and wealth Pentecostalism: A Guide for the Perplexed

Wolfgang Vondey, 2012-12-18 Pentecostalism is the fastest growing religious movement of our time The unexpected birth of the modern day Pentecostal movement at the doorsteps of the twentieth century is as perplexing as its continuing existence and unprecedented expansion worldwide Once marginalized from public discourse Pentecostals have entered into mainstream culture religion politics academia and social action However the unprecedented growth of Pentecostalism in all its diversity has led to characterizations ripe with platitudes stereotypes and misrepresentations This Guide for the Perplexed sheds light on the most persistent contrasts characterizing the Pentecostal movement the tension between local manifestations and global Pentecostalism the inconsistency between spiritual discernment and charismatic excess the gap between rampant denominationalism and the pursuit of Christian unity the disparity between poverty among many Pentecostals and the popularity of the prosperity gospel the division between Oneness Pentecostals and their trinitarian counterparts and the worldview of Pentecostals beyond the confines of a religious movement Those tensions form the essence of global Pentecostalism and represent the emergence of a global Christian world **Evangelicalism** Richard Kyle, 2017-09-20 Most forms of religion are best understood in the context of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In Evangelicalism Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self-serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America's culture and unabashedly populist Many Evangelicals view America as God's chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become

secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful
