## **Economic Reform Policies And The Labour Market In Nigeria:**

**Economic Reform Policies and the Labour Market in Nigeria** Tayo Fashoyin, 1994 Based partially on a survey of 508 enterprises from the public and private sectors and covers the 1980s      **Reforms and Nigerian Labour and Employment Relations** Ootobo, Dafe, 2016-07-25 This collection of papers from twenty seven chapters is on aspects of reforms and labour and employment relations in Nigeria over the past three decades      Manufacturing Transformation Carol Newman, John Page, John Rand, Abebe Shimeles, Måns Söderbom, Finn Tarp, 2016 This book addresses three questions Why is there so little industry in Africa Does it matter And what can be done about it It gives some of the results of a four year research programme by national and international researchers into what makes firms in low income countries more competitive and what makes countries more attractive to competitive firms The book fills an important gap in development economics and African studies There is no other book on the market devoted to such a comprehensive comparative cross country analysis of Africa's industrialization experience Both the policy conclusions drawn from the comparative analysis and the case studies in their own right will be of substantial interest to readers Policy makers in governments and international development agencies in particular will find the book useful and provocative This is an open access title available under the terms of a CC BY NC SA 3.0 IGO licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations      **The Nigerian Journal of Economic and Social Studies**, 1999      The Nigerian Journal of Economics and Social Studies, 2004      BEYOND OUR IMAGINATIONS Simi Afonja, 2022-06-17 Beyond our Imaginations African Women's Realities is the product of dialogues on Gender and Feminism in the region of Africa It is the first in the series Feminism Visions of Society The book provides a balanced review of Western and West African theories and of participatory methodologies paying particular attention to the exclusion of grassroots feminism from the growing body of knowledge and action It builds on existing essentialist theorizing without disregarding the overlaps with feminism in other cultures Cultural knowledge is extended in discussions of grassroots women's loss of power and voice through changing gender images the declining culture of the Deification of Motherhood Women's Leadership in Modern Markets Female Traditional Rulership and Women's Influence in Community Development and Peace Building This book helps to understand why too often there are gaps between theory and the policies designed to improve African Women's lives There is also a repertoire of qualitative data about feminist practices and strategies at the household level in the workplace and the political domains as part of the patriarchal bargain in African cultures While the collection celebrates the importance of the imagination in building feminist knowledge it takes a more cautionary stand calls for methodological flexibility and sophistication as African scholars expand feminist knowledge      **Benefits and Costs of Economic Reforms in Nigeria** Nigerian Economic Society. Conference, 2006      Development Challenges of India After Twenty Five Years of Economic Reforms Nripendra Kishore Mishra, 2020-10-14 This book revisits some of the persisting challenges of development of India

which remain unresolved even after twenty five years of economic reforms and almost fifteen years of high growth rate These include defining purpose of development inequality labour work unemployment agrarian distress and migration The book questions the overemphasis on growth to the extent of neglecting basic issues of development With a number of contributions re imagining development and its political economy the book discusses above mentioned issues in light of new data and more recent conceptions of the issues The contributors of this volume are eminent researchers in their respective field Presenting primary as well as secondary data the book considers the latest advances and research and also addresses new challenges like the global reorganization of production and the consequences for labour and the world of work along with skills question World of work has received detailed investigation in this book This is a timely addition in existing literature especially in context of pandemic and lockdown Informality and un employment question is addressed in this context Relationship among poverty inequality and growth is examined in light of newer understanding Agrarian distress is looked in a broader context A number of papers are examining migration question by expanding coverage of migration and including labour mobility as apart of migration debate The present crisis of migrant labour and absence of social security for these workers is also discussed This book is primarily intended for those interested in recent advances on some of the basic aspects of development like poverty inequality informality word of work migration and labour mobility It is also useful for researchers policy makers journalists and civil society organizations working on these issues

*Encountering the Nigerian State* W. Adebani, E. Obadare, 2010-07-05 This volume advances extant reflections on the state constituted as the Ur Power in society particularly in Africa It analyzes how various agents within the Nigerian society encounter the state ranging from the most routine form of contact to the spectacular While many recent collections have reheated the old paradigms of the perils of federalism corruption ethnicity etc our focus here is on encounter that is the nuance and complexity of how the state shapes society and vice versa Through this we depart from the standard state versus society approach that proves so limiting in explaining the African political landscape

**Economic Growth and Employment in Vietnam** David Lim, 2014-03-21 Vietnam has enjoyed significant economic success since the implementation of its doi moi reforms including rapid growth in GDP exports and foreign and domestic investment and a shedding of poorly performing state owned enterprises Despite this however the economic situation for many ordinary people in Vietnam is fragile with income only just above the poverty line and high unemployment especially among the young In addition inflation is high and the state owned sector is still large much of it still performing badly This book provides a comprehensive overview of the current economic situation in Vietnam It outlines the state of the economy paying special attention to employment discusses government policies including on trade and integration with the global economy and concludes by assessing the key challenges facing Vietnam s economy going forward
