team and has been an instrumental figure in bringing the Formula One Grand Prix championship race to India. He also owns the Indian Premier League cricket team called the Royal Challengers and is very much involved in making a successful championship run for the team. He is also the man who has changed horse racing in India from a gambling den to a classy entertainment venue. For all the critics who downplayed Dr. Mallya's success and bashed his playboy image, it is not surprising that he is having the last laugh. Dr. Mallya and his future generations are set to carry on the Mallya legacy successfully. Long live the King of Good Times.
