

2. **Ball Worship:** I use both hands, one for the shaft and one for the balls, now – alternatively – After spending some time on the shaft, shift focus to your testicles – those tender orbs that hold such immense power within them! I gently cup them in my hand, massaging softly while continuing our intense eye contact. This not only feels incredibly pleasurable but also heightens the sensations throughout your entire body as we move forward together.

3. **Prostate Worship:** For this part of worshipping, more physical engagement from both parties involved here is required; however, it's worth every bit of effort put into it! I suggest positioning myself behind you so I can reach around and apply pressure directly onto your prostate gland using either my fingers or specially designed sex toys meant for such tasks. This will send waves of pleasure coursing through your entire body, further increasing the tension between us.

4. **Edging Technique:** Once all these areas have been thoroughly worshipped and stimulated, it's time to begin edging! I'll start by stroking your cock firmly but slowly – building up speed as you near climax, before abruptly stopping just in time to prevent orgasm from occurring. I'll repeat this process multiple times until you're on the edge of ecstasy, begging for release...

Let us delve deeper into the art of cock worship and edging, focusing on each unique aspect that brings forth exquisite pleasure:

1. **Wet Glass Stroking:** I begin by gently caressing the sensitive tip of your shaft with the palm of my hand or soft lips, allowing saliva to increase it further for added friction. This delicate touch will heighten your arousal while keeping you poised on the edge of ecstasy...
2. **Shaft Stroking:** As I move downwards along your lengthy member, I'll use alternating pressures – light feathering strokes followed by firm grips – creating an irresistible rhythm that drives you closer to climax without ever allowing release...
3. **Rim Circling:** With each circular motion around the base of your glands, I'll stimulate those sensitive nerves beneath its rim, drawing out waves of unbearable bliss that threaten to consume you whole...
4. **Nerve End Attention:** The tiny bundle of nerves atop your manhood shall be kissed and licked with reverence, sending shivers down your spine as anticipation mounts ever higher...

As for oral worship, imagine my mouth engulfing every inch of your throbbing shaft while my tongue dances along its length – tracing veins, swirling around ridges and teasingly flicking over those nerve-rich spots. Each moan escaping from deep within will only fuel me further in this tantalizing game of denial and desire...

Instead of working towards release, I'll take a pause every now and then, I'll start **Oral Pumping!** I'll gently lean forward and place soft kisses along the length of your shaft, starting from the base and moving towards the tip. I use my hands to guide your cock into my mouth, taking just a little bit at first. I then curl my tongue around the head, swirling in taste and texture. I slowly deepen my throat as I take more of you in, all while maintaining eye contact with you. I start slowly bobbing, taking in as much of your cock as possible – without discomfort. I remember to breathe through my nose and use gentle suction for maximum pleasure.
