Hazrat Mian Mir and the Sufi Tradition Brahma Singh Brahma,1994 On Sufism includes brief biography of M m M ra Indian Muslim saint      Sufi Women of South Asia Tahera Aftab,2022-05-16 In Sufi Women of South Asia Veiled Friends of God the first biographical compendium of hundred and forty one women from the eleventh to the twentieth century Tahera Aftab fills a serious gap in the existing scholarship regarding the historical presence of women in Islam and brings women to the centre of the expanding literature on Sufism The book s translated excerpts from the original Farsi and Urdu sources that were never put together create a much needed English language source base on Sufism and Muslim women The book questions the spurious religious and cultural traditions that patronise gender inequalities in Muslim societies and convincingly proves that these pious women were exemplars of Islamic piety who as true spiritual masters avoided its public display      **Middle East Garden Traditions** Michel Conan,Dumbarton Oaks,2007 This book unites new information and surprising results from the last fifteen years of garden research at a remove from the clichés of Orientalism Garden archaeology reveals the economic importance of Judean gardens in Roman times and the visual complexity of gardens created and transformed in Moorish Spain More contemporary approaches unravel the cultural continuities variations and differences between gardens in the Middle East since Roman times and in the Islamic world      **The Female Voice in Sufi Ritual** Shemeem Burney Abbas,2010-06-04 The female voice plays a more central role in Sufi ritual especially in the singing of devotional poetry than in almost any other area of Muslim culture Female singers perform sufiana kalam or mystical poetry at Sufi shrines and in concerts folk festivals and domestic life while male singers assume the female voice when singing the myths of heroines in qawwali and sufiana kalam Yet despite the centrality of the female voice in Sufi practice throughout South Asia and the Middle East it has received little scholarly attention and is largely unknown in the West This book presents the first in depth study of the female voice in Sufi practice in the subcontinent of Pakistan and India Shemeem Burney Abbas investigates the rituals at the Sufi shrines and looks at women s participation in them as well as male performers use of the female voice The strengths of the book are her use of interviews with both prominent and grassroots female and male musicians and her transliteration of audio and videotaped performances Through them she draws vital connections between oral culture and the written Sufi poetry that the musicians sing for their audiences This research clarifies why the female voice is so important in Sufi practice and underscores the many contributions of women to Sufism and its rituals      *The Language of the Taj Mahal* Michael D.
