the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VII of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover Saint Augustines commentaries on the writings of John and his first writings as a newly converted Christian In the Soliloquies Augustine reasons through his conversion trying to justify his new faith these are intensely personal journeys toward truth the product of a thoughtful soul seeking comfort and reassurance Spiritual seekers wavering in their faith may find both sections of this book helpful in exploring their beliefs The All-Inclusiveness and Unlimitedness of Christ Witness Lee,1999-02 **Wake-up Calls** Will Davis, Jr.,2005-04 I don t know about you but I need all the help I can get when it comes to spiritually jump starting my day Some days I get up and it is all I can do to concentrate on a few verses of Scripture Other days I feel tempted to blow off my twenty minutes of reading because I m anxious that I have too much to do On such days I have found it helpful to have a source to direct my thoughts toward God I need a tool to help me rouse my weary spirit and prepare to take on yet another day of kingdom building In short I need a wake up call Do you So writes Will Davis Jr in Wake Up Calls Wake Up Calls helps bleary eyed Christians to better see God s kingdom It deals practically with such topics as temptation sin prayer relationships suffering conflict death and obedience with honesty and in your face clarity If you need a blast of kingdom reality that cuts through the morning s spiritual fog then Wake Up Calls is for you **Elijah the Tishbite** Friedrich Wilhelm Krummacker,1865 **Homilies on the Gospel According to Saint John: And His First Epistle** Saint Augustine of Hippo,Aeterna Press, THESE Discourses on St John are assigned by the Benedictine Editors to A D 416 or the following year In favour of an earlier date it might indeed be alleged that the keen controversy against the Donatists which so frequently occurs in these Sermons shews the schism to have been still flagrant when they were preached as in fact in the Homilies on the Epistle of St John delivered in the same year St Austin expressly mentions that the schismatics had still their altar at Hippo quid faciunt in hac civitate duo altaria Whence it might seem that their date must be prior to A D 411 the year of the Conference of Carthage That this however would be too early a date is shewn as the Editors remark by numerous passages in which not only is the doctrine of Predestination put forth as a well understood and most certain truth e g Tr xlv xlviii lxviii lxxxiii cv cxi but there is pointed reference only not by name e g liii lxvii lxxx lxxxvi to the Pelagian heresy which came into Africa in that same year 411 A distinct note of time however is given in Tract cxx 4 in the mention of the revelatio corporis beatissimi Stephani which in the account written by the Presbyter Lucian is assigned to the close of A D 415 Aeterna Press **The Saint Augustine of Hippo Collection [53 Books]** Catholic Way Publishing,2014-08-13 THE SAINT AUGUSTINE OF HIPPO COLLECTION 53 BOOKS SAINT AUGUSTINE OF HIPPO 53 Books 50 by the Author 3 About the Author Over4 6 Million Words in one E Book Includes the Complete Edition of Expositions on the Book of Psalms Volumes I VI Psalms 1 150 Includes an Active Index and Table of Contents for each book with Layered NCX Navigation Includes Illustrations by Gustave Dore Saint Augustine of Hippo 13 November 354 28 August 430 was an early Christian theologian

Give Us This Day Devotionals, Volume 4 Charles

Erlandson,2022-08-05 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he s not afraid to use his sense of humor and he carefully relates the Bible not only to the individual s life but also to the life of the Church At the end of each day s devotional an appropriate Prayer is offered as well as Points for Further Reflection on the day s lesson Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer **The**

Chosen Dwight K. Nelson,2011 When you think of being chosen does your mind go back to recess days on that schoolyard playground long ago when Teacher asked the two biggest boys in the class to choose up teams Remember how the rest of you lined up dutifully waiting for your name to be called And remember how you stood there nervously holding your breath shifting your weight from one sneaker to the other hoping against hope that this time you d be chosen Good news You have been chosen Maybe not for the starting lineup on your school s basketball team or for the next promotion at work But your calling is much more extraordinary For you are a chosen people a people belonging to God that you may declare the praises of him who called you out of darkness into his wonderful light 1 Peter 2 9 NIV Who is this God who has chosen you Why have you been chosen And how are the chosen to live Join Dwight K Nelson in an experience with God that will revolutionize your life as you stand where the chosen of old once stood on the brink of the Promised Land *Moon in the Darkness* Doug

Tweed,2015-07-30 Doug Tweed uses Moon in the Darkness a poem inspired by his dramatic encounter with God as the launching pad for reflections on how the kingdom of God can be revealed through the life of a disciple the church family prayer revival and intimacy with the Holy Spirit Because each reflection includes multiple Scripture references they can be used as tools for both personal spiritual growth and small group Bible study and discussion **Translating the Bible**

Literally Michael T. Schmid,2016-05-31 Differences in translation between so called literal Bible versions make it quite appropriate to re evaluate what is meant by the label literal What do different literal Bible translations have in common How do they differ How do we account for possible different concepts of literalness How is the concept of literalness applied to the making of a Bible translation To answer these questions the author compares three literal Bible translations the King James Version the New American Standard Bible and the English Standard Version For each of these versions the historical background and the writings of the translators themselves are analysed The book concludes with a comparison of the three translations in their renderings of selected examples from the Gospel of John [NPNF1-07.
