Ethnodramatherapy Stephen Snow, 2021-11-24 Ethnodramatherapy explores the integration of the performance ethnography method known as ethnodrama with the principles and practices of drama therapy to establish a sound theoretical formulation for ethnodramatherapy and considers its use as art as therapy as research and as a vehicle for social justice The book begins by defining ethnodramatherapy an original synthesis created by the author through deep study and practice of Mienczakowski's ethnodrama combined with 35 years of his own practice and research in drama therapy creative arts therapies and therapeutic theatre The book describes the origins of ethnodramatherapy along with its evolution and method It then delves into applications of the practice highlighted by five case studies with different audiences in different settings Subjects include adults with developmental disabilities female adolescents in youth protection caregivers for loved ones with mental illnesses and Chinese students exploring controversial issues of oppression in China Complex ethical issues are reviewed and suggestions are made on how to deal with some of the challenging ethical situations that are likely to arise in the ethnodramatherapy process What emerges is a powerful tool that harnesses theatrical art ethnographic research and the clinical techniques of drama therapy to create a potential for emancipatory experience for both performers and audiences This exciting and dynamic synthesis of drama therapy performance ethnography theatrical art and social activism will be of interest to the whole community of theatre practitioners and scholars who use theatre to effect individual and social change including the disciplines of applied theatre theatre education experimental theatre performance studies and of course drama therapy psychodrama and the other creative arts therapies Theological Fragments Rubén Rosario Rodríguez, 2023-05-23 The swelling ranks of religious nones those who do not identify with any particular religious tradition have demonstrated that traditional Christian apologetics set on delivering a universally accepted objectively verifiable system that proves the truth and superiority of Christian belief has failed Turned off by organized Christianity's hypocrisy and politics of intolerance millennials and Generation Z have rejected such domineering forms of reasoning aimed at winning converts through logical argument Not only is this misguided missional strategy argues Rubén Rosario Rodríguez but it is grounded in bad theology as well The propositional truth claims imply that if you accept the argument you must accept the Christian faith too Instead of this triumphalist understanding of Christian truth Rosario argues for a broken and contrite Christian theology that can help make sense of a fractured world Realizing that fragments of truth are often all we have he points out that the search for the truth of God and the self will most often be found while engaged in the struggle for justice Theological Fragments is not another set of strategies for how to win back millennials Rather it provides a foundational

theological vision necessary to the work of inviting the nones to hear the gospel afresh *Women's Desistance in a Colonial Context* Grace Low, 2025-02-18 This book adds to global knowledge of pathways out of crime desistance by exploring the desistance narratives of 15 women with histories of imprisonment in Aotearoa New Zealand 10 of whom identify as M ori New Zealand s Indigenous population By voicing these women s experiences the book adds to desistance research by moving beyond the mainstream Western nations which dominate desistance literature such as the United States and UK to explore how historical and structural influences including Aotearoa New Zealand s colonial history shape women s offending and desistance trajectories This book explores the women s journeys in and out of crime including the various socio structural constraints which could impede the women s desistance efforts especially for M ori women who are overrepresented in Aotearoa New Zealand s prison population This book explores the influence of the women s personal relationships with families of origin wh nau intimate partners friends associates and children and their institutional interactions i e their experiences of employment drug alcohol addiction treatment and other forms of rehabilitative support The book also takes a close look at the role of housing and the more subjective notion of home in the women s offending and desistance journeys It makes recommendations for policy and practice to support women leaving prison in Aotearoa New Zealand and internationally with an emphasis on the importance of wider community support This book makes an original contribution to desistance literature by bringing greater conceptual clarity to gendered aspects of the desistance process and how these manifest in a colonial setting It will appeal to students and scholars of criminology desistance gender studies recovery from addiction and to practitioners and policy makers in these fields **Health and Medicine through History** Ruth Clifford Engs, 2019-08-08 This three volume set provides a comprehensive yet concise global exploration of health and medicine from ancient times to the present day helping readers to trace the development of concepts and practices around the world From archaeological evidence of trepanning during prehistoric times to medieval Europe s conception of the four humors to present day epidemics of diabetes and heart disease health concerns and medical practices have changed considerably throughout the centuries *Health and Medicine through History From Ancient Practices to 21st Century Innovations* is broken down into four distinct time periods antiquity through the Middle Ages the 15th through 18th centuries the 19th century and the 20th century and beyond Each of these sections features the same 13 chapter structure touching on a diverse array of topics such as women s health medical institutions common diseases and representations of sickness and healing in the arts Coverage is global with the histories of the Americas Europe Asia Africa and Oceania compared and contrasted throughout The book also features a large collection of primary sources including document excerpts and statistical data These resources offer readers valuable insights and foster analytical and critical thinking skills *The Kennedy Heirs* J.
