Heads Of Formerly Royal Houses Of Europe

LL Leslie

Heads Of Formerly Royal Houses Of Europe:

Royalty Who Wait Olga S. Opfell, 2024-10-09 Only seven European monarchies remain intact today all are constitutional monarchies Four empires and 16 kingdoms have disappeared in Europe during the last two centuries The Bourbon kingdom in France vanished first in 1830 the Greek kingdom most recently in 1973 Former sovereigns still consider themselves to be kings Princes dukes and counts remain possessed of far reaching connections to currently reigning monarchs For some of them the path to headship of the royal houses has been complicated taking many twists and turns Two world wars caused the greatest attrition in monarchies Exile has been bitter for some happier for others but in and out of exile the heads of royal families live well Many are successful in business and as financiers Many are enthusiastic followers of sports Some manage large estates others are still trying to regain royal properties The chapters are arranged in the chronological order in which the kingdoms disappeared This book profiles twenty one heads of formerly regnant houses of Europe set in historical perspective and recounting varied life styles occupations and interests At the end of each chapter is a chart or set of charts depicting the line of succession of the headship of the house *American Reference Books Annual, 2002* Bohdan S. Wynar, Libraries Unlimited, 2002-05 This source of information on contemporary American reference works is intended for the library and information community It has nearly 1600 descriptive and evaluative entries and reviews material from more than 300 publishers in nearly 500 subject areas It should help the user keep abreast of reference publications in all fields answer everyday questions and build up reference collections The Informal Powers of Western European Presidents Selena Grimaldi, 2023-08-14 The book explores how weak presidents directly or indirectly elected can still play a crucial role in the political arena Weak presidents have been distinguished from strong ones by relying on the evaluation of the powers they display according to the constitution Six Western European countries are analysed Germany and Italy which present a consistent constitutional design as weak presidents are elected indirectly and Austria Ireland Finland and Portugal that present inconsistent constitutional design as weak presidents are elected directly In contrast to much of the existing comparative works on presidential powers and activism the book emphasises the role and the use of informal powers beyond that of formal ones In particular a definition and a typology of informal powers are provided as well as an empirical investigation on informal presidential activism The positive outcome of presidential informal interventions are studied by relying on an interactionist approach which combines presidency centred as well as president centred explanations The book argues that when dealing with informal presidential activism the opportunity structure matters but presidential public support matters even more **The Constantinian Order of Saint George** Guy Stair Saintry, 2018-12-01 According to legend the Constantinian Order is the oldest chivalric institution founded by Emperor Constantine the Great and governed by successive Byzantine Emperors and their descendants While this chronology was supported by multiple writers even into the twentieth century it has little historical basis Nonetheless the Angeli Farnese and Bourbon families which held the Grand

Mastership could legitimately claim Byzantine imperial descent albeit in the female line and the Order's cross replicates that seen by Constantine in the vision recorded by both Lactantius and Eusebius writing very soon after Maximian's defeat at the battle of the Milvian Bridge. The Order's emergence in the middle of the sixteenth century when Christian Europe was under assault from a militant Ottoman empire gained Papal support almost immediately and by the end of the seventeenth century the Order had members across the Italian peninsula in Spain Bavaria Austria and Bohemia Croatia and Poland. Today the majority of the Order's members are found in Italy and Spain but there are also members in Portugal France Belgium Great Britain and Luxembourg with smaller groups in the Netherlands Germany and Sweden as well as an expanding membership in the United States. This work examines the conversion of Constantine and the histories of the Angeli Farnese and Bourbon Grand Masterships with extensive reference to hitherto unpublished documents in the Vatican archives and in the Farnese and Bourbon archives in Naples. These serve to confirm the close relationship the Order had with the Church and the high regard in which it was held by successive Popes as well as its autonomy as a subject of canon law independent from any crown or temporal sovereignty. This unique status has enabled its hereditary Grand Masters to maintain this dignity after the absorption of the former Kingdom of the Two Sicilies into a united Italy. The Order's autonomy coupled with the Grand Master's close links to the Spanish Crown has meant that Spanish and Italian citizens as well as the citizens of several other states which have accorded the Order recognition may obtain official permission to wear the Order's decorations. 2018 is the three hundredth anniversary of the Papal Bull *Militantis Ecclesiae* which confirmed and approved the previous Papal acts concerning the Order and laid out the rights and privileges of the Order its Grand Masters and members. In the early 20th century Pope Saint Pius X and Benedict XV conferred further privileges on the Order approving the statutes while the then future Pope Pius XII had been admitted to the Order in 1913. Today the Order is engaged in works of charity in conformity with the Church's teachings and includes among its members some thirteen Cardinals as well as some thirty members of reigning or former reigning families. *Bradshaw's illustrated hand-book to Italy* George Bradshaw, 1865

Natural History DK, 2021-11-02. A monumental and beautiful guide to Earth's wildlife and natural history its rocks minerals animals plants fungi and microorganisms this landmark of reference publishing has been extended and updated. In the 11 years since this book was released thousands of new species have been identified and new revelations have redrawn the tree of life. Already featuring galleries of more than 5 000 species The Natural History Book now includes discoveries such as the olinguito the kitty bear of the Andean cloud forest and the painted manakin of Peru. It takes advantage of the first living observations of the giant squid and the deep sea anglerfish. And it has reorganized the groups of living things to reflect the latest scientific understanding. All this ensures that this the only ebook to offer a complete visual survey of all kingdoms of life remains the benchmark of illustrated natural history references. Written by a worldwide team of natural history experts The Natural History Book is the perfect addition to every family bookshelf as well as an ideal gift for any nature lover. From

granites to grapevines from microbes to mammals The Natural History Book is the ultimate celebration of the diversity of the natural world **Leaders and Leadership in Japan** Ian Neary,2014-05-01 Shows Japan s group orientated society may have had fewer so called leaders but has excelled as a society of king makers On the other hand the way leadership is expressed derives from different values and perceptions of hierarchy Chambers's Encyclopaedia ,1883 Chambers's Encyclopædia ,1871 **The New American Cyclopaedia** Charles Anderson Dana,George Ripley,1887 **UK Directory of Executive Recruitment** Executive Grapevine International Limited,2004-07 The UK Directory of Executive Recruitment is a comprehensive source of information on the UK s executive search and selection consultancies **Debrett's Illustrated Peerage and Baronetage, Titles of Courtesy and the Knighthood** ,1925 Includes an unpagged appendix royal warrant holders and 19 a war honours supplement **Turning the Tide on Piracy, Building Somalia's Future** Great Britain: Parliament: House of Lords: European Union Committee,2012-08-21 Operation Atalanta has made clear progress in reducing the number of ships pirated with only 8 vessels and 215 hostages held in June 2012 compared to 23 vessels and 501 hostages in the same month in 2011 Nonetheless the report makes clear that it is vital this effort is extended beyond 2014 to show the EU will not walk away from confronting piracy in the Indian Ocean Otherwise organisations and individuals that organise piracy will simply wait out the operation before returning to their previous activities The report welcomes the increase in trials and imprisonment of pirates and particularly praises the role played by the Seychelles However the Committee do express concerns about the policy of transferring sentenced pirates back to Somalia for imprisonment and suggest there is a risk of breakouts They call on the EU and UN to work together to monitor pirate prisons They also say efforts should be made to ensure the imprisonment includes some efforts at rehabilitation as well as punishment particularly for young pirates Other findings in the report include Somali piracy will never be completely eradicated until the root causes of the problems in the country are addressed through aid focused on providing alternative livelihoods for the Somali people to reduce the incentives to engage in piracy the Committee now support the use of armed guards on ships a welcome degree of international cooperation in tackling Somali piracy with national navies of Russia China and India all playing a role *British Political Leaders* Keith Laybourn,2001-08-16 This A Z biographical dictionary profiles Britain s prime ministers foreign secretaries home secretaries and Chancellors of the Exchequer from 1730 through the present all in clear concise language These leaders guided the nation through the loss of empire through two devastating world wars and into a new role as members of the European Union In clear accessible language this new dictionary shows how in the 18th century and to a lesser extent in the 19th century many of Britain s top leaders were linked more closely by family and factional interests than by party It also illustrates and helps to explain the rise of the Labour Party and the emergence of New Labour **The Spectator** ,1864 A weekly review of politics literature theology and art Chambers's encyclopædia Chambers W. and R., ltd,1863

Cyclopaedia of Political Science, Political Economy, and of the Political History of the United States John

Joseph Lalor,1889 *The Most Influential Contemporary African Diaspora Leaders* Dr. Roland A. Y. Holou,2016-04-30 In this comprehensive reference and background book Dr Roland Holou highlights the lives visions achievements policies and strategies of exceptional contemporary African Diaspora leaders across the globe This inspirational collection of biographies motivates challenges and encourages current and future generations of people of African descent to take initiative and offers guidance to those interested in Africas development It enlightens and empowers readers with stories that showcase the diversity complexity and richness of the ongoing global African Diaspora engagement efforts It also presents powerful accounts of experiences growth struggle failure and success that will provoke interest in the field of Diaspora engagement and inspire readers to stand up and face lifes many challenges The featured leaders are known for their long lasting achievements Their impressive actions both contributed to important historical movements that significantly shaped and transformed the lives and history of people of African descent and removed major roadblocks preventing the prosperity of Africa and its Diaspora They have brought about enormous and rare progress that would have been impossible without their leadership their contributions have greatly improved the freedom and economic and political development of Africa and its Diaspora If you are interested in learning the secrets of these modern leaders who have accomplished outstanding tasks and demonstrated professional excellence and character while performing duties related to Africa and its Diaspora then this is the book for you Since influence can have negative effects as well this book also addresses destructive actions of certain leaders that are pulling down both Africa and its people To learn more about this book please visit www.AfricanDiasporaLeaders.com *Chambers's Encyclopædia* Ephraim Chambers,1870 Public Opinion ,1869
