Presentation of God's Healing Gospel confronts the enemies of healing and offers inspiring testimonies of faith. About the Author: Douglas H. Pessoni is a minister and author. For many years the author suffered from severe seasonal allergies, asthma, and eczema. It was necessary to carry several medications with him in case of a sudden attack. Since there were no medical cures for these diseases, the medications were used to simply counter the symptoms. When the author was introduced to the healing Gospel, he put his complete hope and trust in Jesus to heal him and practiced the principles outlined in this book. From that time forward and for the past fifteen years, he has been totally healed of these diseases. It was this experience that has driven the author to spread the healing Gospel and to enter into the healing ministry. Over the past fifteen years, he has been privileged to witness the awesome healing power of the Holy Spirit through his ministry. Hundreds of people have been healed of severe pain, profound orthopedic problems, cancers, diverse viral and bacterial infections, vision and dental problems, allergies, depression, and anxiety, high cholesterol, injury, and many others.

**The Power of Healing Manifested in God's Word** Jeanette Jenkins, 2012-06. **ARISE BE BLESSED LOVE HOPE** I did Remember ye not the former things neither consider the things of old. Isaiah 43:18. Understanding God's Divine Healing Cyrus W. Harris, 2011-08-30. In this age of skepticism, we are often told God doesn't work miracles today. Don't you believe it? God has not changed and He's healing more today than yesterday. Do you need a miracle? Do you have a vision of yourself reaching out, praying, and seeing someone healed right before your eyes? Understanding God's Divine Healing accurately follows the Bible both in historical and theological treatment and shows that divine healing is for us today. The One Year Book of Healing Reggie Anderson, 2016-09. This year, experience deep healing and refreshment. We're all sick and we're all hurting. Whether it's a broken arm or a broken heart, a chronic illness, or wounds from our past, the fact remains: We are all in desperate need of God's healing. In our pain, it can be easy to believe God has forgotten about us, to believe that he doesn't even care. Dr. Reggie Anderson, author of the acclaimed memoir *Appointments with Heaven*, knows it can't be predicted how God's healing work will come to pass in our lives and hearts; only that it will. As a country doctor who has had remarkable experiences attending people in pain, Reggie wants you to see what he sees every day: that whatever your sickness, whatever your hurt, God is alive and active in your life. He wants you to be truly well, even if that looks different than you might expect. Rich in story and inspiration, *The One Year Book of Healing* will reveal the many ways our Savior heals and intervenes in the lives of the sick and the hurting, giving you the faith, hope, and patience to believe that God can do the same in your life. Understanding the Healing Power of God Doug Jones, 2001. In this book, Rev. Jones presents with simple yet profound clarity the truth concerning this little-talked-about subject: understanding God's healing power. By applying the principles outlined in this book, you will learn how to determine if the healing power is present, how the healing power is administered to your body, how to avoid mishandling the healing power once it has been administered, how to keep the healing power active within you until you are satisfied with the fruit produced. Many believers have been thoroughly instructed from the Word that one ingredient necessary to receive healing is faith.

However in this comprehensive study you will learn of another ingredient that you must understand in order to be healed and that is the healing power of God. When we connect our faith to His power we are on the path to victory. **Healing with God's Word** Alice Roles, 2013-06-19 This is a story of my life of how I survive hurricane Katrina. **Hope for Healing** Reggie Anderson, Jennifer Schuchmann, 2021 Feel better grow stronger and draw closer to the Father. Country doctor and author of the acclaimed memoir *Appointments with Heaven* Reggie Anderson pens hopeful and encouraging reflections on the healing hand of God even in the darkest of circumstances. Combining inspiring story and powerful Scripture Reggie reveals the deep and unending love the Father has for his children broken or whole healthy or sick. Even when we can't see it God is always present in our pain and suffering. Whether in life or after life passes he is working to bring healing to whatever ails you. With every page of this 90 day devotional you'll discover that true healing isn't limited to the pages of the Bible. God is active and alive working in our lives to bring us closer to him. **God's Healing Words** Debbie Marrie, 2011 This insightful little book provides you with what the Bible has to say about healing. **God Heals** Steve Austin, 2023-01-03 This book is important. Be inspired to trust God in that same way. **God's Plan for Your Healing** Colin Urquhart, 1998 This powerful and practical book examines in depth the issue of healing. God's purpose is to deliver his people from all forms of oppression and that includes making them whole beings spiritually emotionally mentally and physically. Following closely Jesus's healing ministry in the Gospels Colin Urquhart invites us to base our faith on the authority and security of Christ's promises rather than focusing on our own experience doubts and expectations. He deals with the searching questions which people often ask. Is it always God's purpose to heal? If so how do we receive his healing power? Isn't death the ultimate healing for Christians? Why isn't everybody healed? Colin Urquhart encourages us to pray with faith in the confidence that God really does hear our prayers and we can trust his purpose for our lives. As we grow in faith in what God has done through Jesus we will know more and more of his healing power. **The Healing Power of God**
