Healing Hearts Kathy Shelton,2014-02-03 Healing Hearts A Journey in the Midst of Spiritual Adversity is the remarkable story of many emotionally painful and traumatic experiences from author Kathy Shelton s life telling how the Lord Jesus Christ healed deep places of emotional and spiritual wounds in her heart so that she could then help others It was written to encourage those who have undergone painful and traumatic situations and let them know that there is healing and freedom available through the love of Jesus Christ Healing Hearts is also intended to be a resource for and inspiration to those who are currently serving the Lord or who are considering becoming involved in inner healing ministry Our spiritual growth is often blocked by unhealed emotional and spiritual wounds Most of us have been unaware of the effect that the painful and traumatic events in our lives have had on us and our ability to grow in the Lord Unless healing occurs for the pain that has been stuffed we may struggle for years and sometimes our entire life in our walk with God Spiritual maturity is a process It is not something that occurs automatically the moment after we ask Jesus into our lives Oh if it were just that simple In James 1 4 we are instructed to become mature and complete not lacking anything We must pursue spiritual maturity

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.
