

The book cover features a vertical illustration. At the top, a bright, multi-colored triangular light source, resembling a star or a divine being, emits a powerful beam of light. This beam is composed of many fine, radiating lines of light in shades of yellow, orange, and red. The beam descends towards the center of the cover, where it appears to interact with a horizontal band of sparkling, star-like particles. Below this band, the background transitions into a dark, deep blue or black space, suggesting the night sky or outer space. The overall composition is symmetrical and evokes a sense of cosmic energy and spiritual illumination.
