Healing Hands of Jesus Rekha Vidyarthi,2012-03 Archangel Michael taught interactive healing to author Rekha Vidyarthi through this technique she has assisted the healing process in people for sixteen years Michael said to her You need to heal yourself in order to heal others Written with Jesus s guidance Healing Hands of Jesus illustrates how you can choose to change the karmic things and past lives that are happening right now Angels heal many lives at once by healing one personality and integrating one fragment at a time into the higher self shortening the incarnation of a troubled past and present Every experience in life is created by unconscious thoughts Your outer situation triggers your innermost emotions and feelings The mind requires answers in order to change one s perspective Because most answers lie either in childhood or in a past life it is necessary to look within The angels trigger our

memories to identify the connection which is when healing begins Such things as parental imprinting family karma ego anger fear guilt sadness depression or learned behavior perpetuate from one life to the next These issues repeat themselves through many lives until we learn how to heal the issues Healing Hands of Jesus explains that we must ask forgiveness for the negative things that are happening to us now in order to heal ourselves His Healing Hands Margaret Feinberg, Women of Faith, 2013 Life hurts There s no getting around it But surely there s a way through it Thankfully God meets us in the broken places This isn t just something we can hope for but something we can expect This study leads women to find God in broken places by examining the life of Christ the true Healer Each of the twelve chapters will highlight a moment in which Jesus brought healing and restoration to an individual or situation Through this study we will find that those areas of life where we experience pain and loss can become emblems of His glory as God transforms and heals us Features include 12 sessions of interactive Bible study Perfect for individual or group study Tips for leading a great group included **Healing Hands of God** , **Healing Hands** Allegra Taylor, 1993 The human potential for transmitting energies of a healing nature through therapeutic touch has been realized for centuries and everyone knows how loving touch can effect our sense of well being In Healing Hands Allegra Taylor explores this potential we all possess to develop and channel our healing energies for the benefit of ourselves and our friends and family Many techniques from crystals to visualization to aromatherapy are detailed along with practical guidelines to good health and wholeness Healing Hands Monica Gilk, 2025-08-25 Healing Hands is not just an ordinary story about a girl who got healed by Jesus it s more than that It s about how Jesus changed her from the inside and out The Lord not only healed her autoimmune disease that was incurable but He also healed her mind and restored her faith and so much more Healing Hands isn t just another story this book is based off true events that happened in my life every emotion thought prayer confusion hurt and so much more you re gonna read about I truly all felt this isn t just a story it s a living testimony Thanks to Jesus Christ for healing me and He can do the same for you Myasthenia gravis I thought was my identity You will read about that here but that s not true My identity is in Christ I wasn t made to be sick I was made to live for Him and worship Him in a sickness free body The Lord never intended sickness to happen The Lord doesn t want you to have a cold In this book you will hear a lot of lies from the enemy and sadly I believed them for many years But now my eyes are open and I see all the lies I was feeding into wasn t me and it wasn t The Lord allowing me to feel this way It was the enemy and his demons I allowed to come into my mind and take away my hope faith trust and even make me second guess God s word for my life I knew God s word was true but sometimes I believed it didn t apply to me which is all lies from the devil himself His lies come from his own resources Look up John 8 44 NKJV to see where his lies come from This book is dear to my heart because I m so grateful and blessed to say God healed me from an uncurable disease where there was no hope no fix no cure but there was a cure and the cure was Jesus Christ I can t thank God enough for healing me I can never repay Him but all I can do is say hold on to the faith Don t let the enemy confuse you

because confusion is not from The Lord and don't allow Satan to rob your joy and don't listen to the lies he tells us But keep going The Lord can and will for you too None of this would be possible if God wouldn't have healed me I believe He knew I was gonna be healed and one day write about it But again Healing Hands is only possible by The Lord the actual book and the healing is all by His hands not mine The Lord is faithful I hope you enjoy Healing Hands and it blesses you and you see how real God is and how merciful God and His Son is God bless *The Gift of Healing Hands* Marina Mangano D.C.

RYT,2021-07-20 As the gatekeeper for a world of unknown healing techniques author Dr Marina Mangano sees a fine line between the helplessness that brings a patient to her and the accessible relief that is waiting for each of them Just as she reminds each of her patients she doesn't want you to give up In *The Gift of Healing Hands* Marina explains the science she hunted during the stages of her own clinical enlightenment Her work uncovers hidden practices that modern providers are using to treat the consciously aware patient Honest personalized and empowering this accessible guide encourages you to question why you continue to use the term alternative for such sensible techniques This guide is an introduction into the world of subconscious medicine Marina reveals the freedom that techniques such as chiropractic yoga and energy medicine can offer in the same tiers in which she learned them Reading this will ignite a sustainable journey through the world of subtle healing where diving in deeper describes ascension Emotional and physical healing can be acquired at home but there is something magical about sharing that experience with a trusted provider who will direct you towards the next phase Through each chapter you will learn what questions to ask and which providers will start your healing today **The**
