Healing Yourself with Light LaUna Huffines, 1995 A complete method for bringing the healing light of the soul the Solar angel and the angelic healers into the physical body taught in workshops for many years these easy to learn processes have helped thousands to heal and upgrade the cells in their body No Ordinary Angel Susan R. Garrett, 2008-01-01 In this provocative intelligent and highly original addition to the Anchor Yale Bible Reference Library Susan R Garrett argues that angel talk has never been merely about angels Rather from ancient times until the present talk about angels has served as a vehicle for reflection on other fundamental life questions including the nature of God s presence and intervention in the world the existence and meaning of evil and the fate of humans after death In *No Ordinary Angel* Garrett examines how biblical and other ancient authors addressed such questions through their portrayals of angels She compares the ancient angel talk to popular depictions of angels today and considers how the ancient and modern portraits of angels relate to Christian claims about Jesus *No Ordinary Angel* offers important insights into the development of angelology the origins of Christology and popular Western spirituality ranging from fundamentalist to New Age In doing so it provokes stimulating theological reflection on key existential questions Living from the Heart Mark Greenia, 2002-03 Greenia a massage therapist explores subtle energy healing and balancing in the new millennium By blending discoveries from quantum physics with concepts of the powerful energies of the heart center this book emphasizes the importance of energy therapies Fully returnable *Son Rise* Barry Neil Kaufman, 2011-03-10 In 1979 the classic bestseller *Son Rise* was made into an award winning NBC television special which has been viewed by 300 million people worldwide Now *Son Rise The Miracle Continues* presents not only the expanded and updated journal of Barry and Samahria Kaufman s successful effort to reach their unreachable child but goes beyond to include a sensitive portrayal of how that singular event has become a worldwide phenomenon When their son Raun was a year old he began to withdraw from human contact Diagnosed as autistic Raun tested with an I Q of under 30 Experts offered no hope and advised institutionalizing him Barry and Samahria refused to accept this prognosis For several years they worked with Raun in a program of their own design based on unconditional love and acceptance By age three and a half Raun was functioning above his age level a bright and curious little person The story of the Kaufmans experience to this point makes up Part I of *Son Rise The Miracle Continues* Part II continues Raun s story and describes the intervening years as the Kaufmans offered hope and healing to thousands of families with special needs children At age twenty Raun attended a top university and displayed a near genius I Q Today he shows no trace of his former condition Part III of the book highlights the moving stories of five families who guided by the Kaufmans and the *Son Rise* Program have created rebirths for their own special children New Spiritual Answers to Life's Big Questions Ph. longer exist It is now necessary for us if we are to exist in harmony with our planet to transition as well If we choose not to transition then frustration and anger will become paramount in our lives The choice is up to us To live in the fifth dimension is not only to experience the energy of magic and miracles but to learn that we can create all the perfection we desire in our lives by simply shifting our thinking into fifth dimensional thinking We are able to see the perfection where formerly we saw the illusion of imperfection This new vantage point allows us to become the center of our own reality and easily navigate through difficult individuals and challenging events while maintaining a state of balance and harmony We are then able to turn possibilities into probabilities and probabilities into actualities This journey begins with describing and identifying all of the unseen but certainly not unfelt influences in our lives that have been given to each of us to help us live our life on earth in the best and easiest manner possible Each reader will be able to identify their birthright gift as well as the other gifts available to tap into and expand one's energy thereby allowing this innate knowledge to grow and develop All of the necessary techniques and tools are explained in detail in this book so that you can easily make the transition from your current dimension into the fifth dimension allowing you to create a new future You are able to learn and make friends with each of your bodies of consciousness and their respective inner child and together you begin a journey of healing You as parent of these inner children learn how to set the stage and the rules so that everyone is playing by the same playbook You learn that you may win as a team or you may lose as a team but you are all on the same team working together to achieve that balance that allows you to maintain your newly found center By removing fears one by one each of us can transition from a place of fear into a place of love learning to live from the heart As we work towards this goal we isolate and identify the negative emotions that have been growing and harvesting within These negative emotions equate disease This book is your guide to help acknowledge these fears recognize and release them one by one creating a new you a lighter you We then experience a new energy a more evolved energy a higher vibrating energy as we invite the energy of excellent health and balance into our bodies It is here that **Exodus Iii** Orest Bedrij,2011-09-06 Glory to You and Great Joy You Are the Absolute Splendor of Your Universe Who were you before the breathtaking origin and evolution of your world How do you create the great joy of deep peace ultimate freedom fulfillment and abundance Advancing beyond the Hubble's universe supergravity quantum mechanics and beyond the final theory this landmark book provides answers to the basic questions of life and a pathway to an intimate experience of God It takes you prior to the big bang It takes you to the Holy of Holies 1 the observer where all information and power resides the mind and heart of God I AM in you and as you In Exodus III you learn that your ultimate achievement is not in physics or in mathematics or in your institutions or religions but in the direct experience of your Absolute Splendor the rebirth within you of your Divinity and the most fundamental science of 1 which opens new cosmic doorways for your being Following a timeline beginning in 1750 BC Exodus III references 360 enlightened giants of science industry the power of the heart and the spirit from across the globe corroborating your oneness with all The
