Health And Canadian Society:

Health and Canadian Society David Coburn, Carl D'Arcy, George Murray Torrance, 1998-01-01 Health and Canadian Society provides a comprehensive overview of the relationship between health health care and Canadian society It is a wide ranging volume that moves from personal and micro concerns to a more macro and institutional focus It includes chapters of a descriptive nature and others with a more explanatory intent They have been selected from the major journals or have been expressly written for this book Ninety five percent of the contributions are new to this edition. The chapters and the studies reported on are methodologically diverse ranging from ethnographic studies to statistical analyses of data from large national surveys Though the chapters are written by anthropologists economists historians political scientists and physicians as well as sociologists they all have a sociological turn Recognized as the standard textbook on the sociology of health in Canada Health and Canadian Society is an essential reference for sociologists health care providers health administrators and policy planners Mental Health and Canadian Society James E. Moran, David Wright, 2006-08-14 In Mental Health and Canadian Society leading researchers challenge generalisations about the mentally ill and the history of mental health in Canada Considering the period from colonialism to the present they examine such issues as the rise of the insanity plea the Victorian asylum as a tourist attraction the treatment of First Nations people in western mental hospitals and post World War II psychiatric research into LSD Health and Canadian Society David Coburn, 1981 Women's Health in Canada Marina Morrow, Olena Hankivsky, Colleen Varcoe, 2008-05-03 In recent years healthcare professionals have recognized the distinctly different healthcare needs and concerns of men and women Women s health in particular has come into its own in the last two decades In Canada however there has been little available in the way of a general text on women s health This volume works toward filling that gap by providing a resource for teaching and understanding women s health in this country To lay out the methodological and theoretical foundations for their study editors Olena Hankivisky Marina Morrow and Colleen Varcoe bring together an interdisciplinary group of scholars and practitioners from economics anthropology sociology nursing political studies women s studies and psychology Contributors draw on the rich history of the Canadian women s health movement providing analysis of that history and of the emergent theory policy and practice Aimed at undergraduate and graduate students as well as practitioners the collection adopts an intersectional approach looking closely at social factors such as gender race ethnicity class sexuality and gender identity and analysing how they relate both to each other and to women s health Connections between the social economic and cultural contexts of women s lives and their physical spiritual and mental well being are a primary focus Providing a much needed resource for teachers students and practitioners of women s health in Canada this comprehensive volume makes an important contribution to the literature Community Health Nursing in Canada - E-Book Sandra A.
