Elinor Fettiplace's Receipt Book Hilary Spurling, Elinor Fettiplace, 1986 **The Making of the English Gardener** Margaret Willes, 2011-11-29 In the century between the accession of Elizabeth I and the restoration of Charles II a horticultural revolution took place in England making it a leading player in the European horticultural game Ideas were exchanged across networks of gardeners botanists scholars and courtiers and the burgeoning vernacular book trade spread this new knowledge still further reaching even the growing number of gardeners furnishing their more modest plots across the verdant nation and its young colonies in the Americas Margaret Willes introduces a plethora of garden enthusiasts from the renowned to the legions of anonymous workers who created and tended the great estates Packed with illustrations from the herbals design treatises and practical manuals that inspired these men and occasionally women Willes's book enthrallingly charts how England's garden grew

Girl Culture in the Middle Ages and Renaissance Deanne Williams, 2023-06-01 Deanne Williams offers the very first study of the medieval and early modern girl actor Whereas previous histories of the actress begin with the Restoration this book demonstrates that the girl is actually a well documented category of performer and a key participant in the drama of the Middle Ages and Renaissance It explores evidence of the girl actor in archival records of payment eyewitness accounts stage directions paintings and in the plays and masques that were explicitly composed for girls and in some cases by them Contradicting previous scholarly assumptions about the early modern stage as male dominated this evidence reveals girls participation in medieval religious drama Tudor civic pageants and royal entries Elizabethan country house entertainments and Stuart court and household masques This book situates its historical study of the girl actor within the wider contexts of girl culture including girls as singers translators and authors By examining the impact of the girl actor on constructions of girlhood in the work of Shakespeare whose girl characters register and evoke the power of the performing girl *Girl Culture in the Middle Ages and Renaissance* argues that girls dramatic musical and literary performances actively shaped medieval and early modern culture It shows how the active presence and participation of girls shaped medieval and Renaissance culture and it reveals how some of its best known literary and dramatic texts address represent and reflect upon girl children not as an imagined ideal but as a lived reality

The Sweet Taste of Empire Kim Hall, 2025-08-19 How seventeenth century English literary genres associated with gastronomic and aesthetic pleasure shaped representations of Caribbean colonization and slavery Over the course of the seventeenth century sugar prices fell drastically As this newly affordable luxury made its way from royal entertainments to the closets of home cooks in ever increasing quantities sugar bound England's fortunes to the Caribbean The pursuit of sugar's pleasures and profits generated newly visible and vexed relationships not simply between enslaved and enslaver but also between enslaved and consumer that threatened the English sense of the nation the household and the self *The Sweet Taste of Empire* explores how the unique emphasis the English placed on confections as a marker of status and national identity offered a framework

for grappling with changing notions of race gender labor and domesticity that shaped early colonization Tracing the literal and literary uses of sugar in seventeenth century England Kim F Hall shows how literary genres associated with gastronomic and aesthetic pleasure shaped representations of Caribbean colonization and slavery developing a culinary language that functioned as a discourse of pleasure and white innocence In turn Hall argues Caribbean sugar production influenced domestic consumption and trade in England as well as the very notion of what it meant to be English Drawing on a wide range of early Anglo Caribbean texts from cookbooks and banquet menus to economic poetry to maps and treatises on plantation labor and health Hall uncovers what she calls a plantation aesthetic in which writers mobilize ways of seeing from pastoral georgic and landscape discourses when addressing issues of race and enslavement This plantation aesthetic reveals deep worry over the threat African slavery poses to the imagined idea of English plantations as idealized agrarian life ultimately shaping the history of both English slavery and the later anti slavery response Recentering the Caribbean in early modern literary studies The Sweet Taste of Empire sheds new light on the aesthetic and the poetic in the archives of Caribbean enslavement

The Herbalist's Bible Julie Bruton-Seal,Matthew Seal,2014-09-02 A lost classic of Western herbalism rediscovered and restored with 200 full color images Herbalist to King Charles I John Parkinson 1567 1650 was a master apothecary herbalist and gardener Famous in his own lifetime for his influential books his magnum opus the Theatrum Botanicum was published in 1640 and ran to 1 766 large pages The sheer scope and size was perhaps to prove the book s downfall because while it was much revered and plagiarized it was never reprinted and centuries later has attained the status of an extremely rare and valuable book Parkinson was writing at a time when Western herbalism was at its zenith and his skills as a gardener from his grounds in Covent Garden combined perfectly with his passion for science observation and historical scholarship In the The Herbalist s Bible Julie Bruton Seal and Matthew Seal have beautifully combined selections from Parkinson s book with their own modern commentary on how each plant is used today to create a truly one of a kind comprehensive collection of herbal information old and new Parkinson s clear and lively description of a chosen plant s vertues or healing properties side by side with the editors notes including copious herbal recipes make this the perfect book for students and practitioners of herbalism historians and gardeners all of whom will welcome this restoration of Parkinson s lost classic

Aguecheek's Beef, Belch's Hiccup, and Other Gastronomic Interjections Robert Appelbaum,2008-09-15 We didn t always eat the way we do today or think and feel about eating as we now do But we can trace the roots of our own eating culture back to the culinary world of early modern Europe which invented cutlery haute cuisine the weight loss diet and much else besides Aguecheek s Beef Belch s Hiccup tells the story of how early modern Europeans put food into words and words into food and created an experience all their own Named after characters in Shakespeare s Twelfth Night this lively study draws on sources ranging from cookbooks to comic novels and examines both the highest ideals of culinary culture and its most grotesque ridiculous and pathetic expressions Robert Appelbaum paints a vivid picture of a world in

which food was many things from a symbol of prestige and sociability to a cause for religious and economic struggle but always represented the primacy of materiality in life Peppered with illustrations and a handful of recipes Aguecheek's Beef Belch's Hiccup will appeal to anyone interested in early modern literature or the history of food LIFE CYCLES IN ENG
