**The East India Company at Home, 1757-1857** Margot Finn, Kate Smith, 2018-02-15 The East India Company at Home 1757 1857 explores how empire in Asia shaped British country houses their interiors and the lives of their residents It includes chapters from researchers based in a wide range of settings such as archives and libraries museums heritage organisations the community of family historians and universities It moves beyond conventional academic narratives and makes an important contribution to ongoing debates around how empire impacted Britain The volume focuses on the propertied families of the East India Company at the height of Company rule From the Battle of Plassey in 1757 to the outbreak of the Indian Uprising in 1857 objects people and wealth flowed to Britain from Asia As men in Company service increasingly shifted their activities from trade to military expansion and political administration a new population of civil servants army officers surveyors and surgeons journeyed to India to make their fortunes These Company men and their families acquired wealth tastes and identities in India which travelled home with them to Britain Their stories the biographies of their Indian possessions and the narratives of the stately homes in Britain that came to house them frame our explorations of imperial culture and its British legacies

**Shakespeare's House** Richard Schoch, 2023-11-16 A page turning story Times Literary Supplement Eye opening Michael Billington A detailed and highly compelling story that involves so much more than bricks and mortar The Stratford Herald In the wide realm of Shakespeare worship the house in Stratford upon Avon where William Shakespeare was born in 1564 known colloquially as the Birthplace remains the chief shrine It s not as romantic as Anne Hathaway s thatched cottage it s not where he wrote any of his plays and there s nothing inside the house that once belonged to Shakespeare himself So why for centuries have people kept turning up on the doorstep Richard Schoch answers that question by examining the history of the Birthplace and by exploring how its changing fortunes over four centuries perfectly mirror the changing attitudes toward Shakespeare himself Based on original research in the archives of the Shakespeare Birthplace Trust in Stratford upon Avon and the Folger Shakespeare Library in Washington DC and featuring two black and white illustrated plate sections which draw on the wide array of material available at the Folger Shakespeare Library and the Victoria and Albert Museum this book traces the history of Shakespeare s birthplace over four centuries Beginning in the 1560s when Shakespeare was born there it ends in the 1890s when the house was rescued from private purchase and turned into the Shakespeare monument that it remains today
