Confessions of Madame Psyche Dorothy Bryant, 2020-07-08
Describes a life that explores in ways that only fine fiction can the differences between myth and illusion between real psychic gifts and false ones The Denver Post This American Book Award Winner follows the story of the young Mei li Murrow who is dubbed Madame Psyche after she accidentally predicts the San Francisco earthquake of 1906 Although she wins fame and fortune Mei li seeks a truer spirituality and embarks on a pilgrimage that takes her to the death soaked Europe of the First World War to a utopian commune in the Santa Cruz Mountains in the 1920s to the Depression era migrant work camps and cannery strikes and finally to the Napa State Hospital where she finds wisdom and peace among the outcasts of the asylum Mei li s modern day epic is grounded in the history of Northern California in the first half of the twentieth century and peopled by comrades of many classes and cultures and by lovers both male and female Yet her central odyssey remains

one of inner discovery In *Confessions of Madame Psyche* Dorothy Bryant has created a character who is so honest in her search for truth growth and spiritual understanding that this quest becomes inherent to her survival Breathtaking and heartbreaking It is in the specifics of time and place that Bryant roots the book's magic It is in her characterizations that the magic convinces A beautiful story has very simply told itself The *Denver Post* Fascinating and beautiful Ursula K LeGuin Intricate appealing and profound *Women's Review of Books* *The Italian American Heritage* Pellegrino A D'Acerno, 2021-12-12 First published in 1999 The many available scholarly works on Italian Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters watching films that require a familiarity with Italian Americans or looking at works of art that can be fully appreciated only if one understands Italian culture This basic reference work for non specialists and students offers quick insights and essential easy to grasp information on Italian American contributions to American art music literature motion pictures and cultural life This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola Italian American poetry the art of Frank Stella the music of Frank Zappa a survey of Italian folk customs and an analysis of the evolution of Italian American biography Comprising 22 lengthy essays written specifically for this volume the book identifies what is uniquely Italian in American life and examines how Italian customs traditions social mores and cultural antecedents have wrought their influence on the American character Filled with insights observations and ethnic facts and fictions this volume should prove to be a valuable source of information for scholars researchers and students interested in pinpointing and examining the cultural intellectual and social influence of Italian immigrants and their successors *The New York Times Book Review* , 1973 **Ageing, Popular Culture and Contemporary Feminism** I. Whelehan, J. Gwynne, 2014-11-06 How has popular film television and fiction responded to the realities of an ageing Western population This volume analyses this field of representation to argue that while celebrations of ageing as an inspirational journey are increasing most depictions still focus on decline and deterioration *Doris Lessing* Gayle Greene, 1994 An original and compelling appraisal of this important international literary figure *Re-visionary Heteroglossia* Lisa Maria Hogeland, 1991 **Freedom's Ring** Jacqueline Foertsch, 2021-04-16 Freedom's Ring begins with the question of how the American ideal of freedom which so effectively defends a conservative agenda today from globally exploitative free trade to anti French freedom fries during the War in Iraq once bolstered the progressive causes of Freedom Summer the Free Speech Movement and more militant Black Power and Women's Liberation movements with equal efficacy Focused as it is on the faring of freedom throughout the liberation era this book also explores attempts made by rights movements to achieve the often competitive or cross canceling American ideal of equality economic professional and otherwise Although many struggled and died for it in the civil rights era freedoms such as the vote integrated bus rides and sex without consequences via the Pill are ultimately free costing officialdom little if anything to fully implement while

equality with respect to jobs salaries education housing and health care will forever be the much more expensive nut to crack Freedom s Ring regards the politics of freedom and politics in general as a low cost substitute for and engrossing distraction from substantive economic problem solving from the liberation era to the present day *The Dream Book* Helen Barolini,2000-12-01 Drawing on rare sources and archival material Helen Barolini has here collected 56 works by Italian American women writers The volume features prose poetry one play and a large section of fiction *Poser* Claire Dederer,2010-12-21 The studio was decorated in the style of Don t Be Afraid We re Not a Cult All was white and blond and clean as though the room had been designed for surgery or Swedish people The only spot of color came from the Tibetan prayer flags strung over the doorway into the studio In flagrant defiance of my longtime policy of never entering a structure adorned with Tibetan prayer flags I removed my shoes paid my ten bucks and walked in Ten years ago Claire Dederer threw her back out breastfeeding her baby daughter Told to try yoga by everyone from the woman behind the counter at the co op to the homeless guy on the corner she signed up for her first class She fell madly in love Over the next decade she would tackle triangle wheel and the dreaded crow becoming fast friends with some poses and developing long standing feuds with others At the same time she found herself confronting the forces that shaped her generation Daughters of women who ran away to find themselves and made a few messes along the way Dederer and her peers grew up determined to be good good good even if this meant feeling hemmed in by the smugness of their organic buying attachment parenting anxiously conscientious little world Yoga seemed to fit right into this virtuous program but to her surprise Dederer found that the deeper she went into the poses the more they tested her most basic ideas of what makes a good mother daughter friend wife and the more they made her want something a little less tidy a little more improvisational Less goodness more joy Poser is unlike any other book about yoga you will read because it is actually a book about life Witty and heartfelt sharp and irreverent Poser is for anyone who has ever tried to stand on their head while keeping both feet on the ground *Fiction Catalog* H.W. Wilson Company,1976 *Alternative Masculinities in Feminist Speculative Fiction* Michael Pitts,2021-06-01 *Alternative Masculinities in Feminist Speculative Fiction* A New Man traces efforts within American feminist utopias to imagine healthier conceptions of manhood As this analysis illuminates feminist works envisioning the improved society and its attending masculinities constitute an overlooked site for mining new masculinities During the years in which such utopias gained popularity the early 1970s to the mid 2010s these novels grew more complex challenging essentialist conceptions of masculinity and female experience These texts vary in their focus but share an interest in replacing patriarchal masculinities with an alternative informed by second wave and intersectional feminism This book analyzes the centrality of alternative masculinities to these ideal societies and the ways feminist writers present new conceptions of manhood pivotal to discussions surrounding the ongoing crisis of American masculinity
