**Forster** Vasant Anant Shahane,1975 On the works of the British novelist Edward Morgan Forster 1879 1970      **The Facts on File Companion to the British Short Story** Andrew Maunday,2007 A comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth With approximately 450 entries this A to Z guide explores the literary contributions of such writers as Joseph Conrad James Joyce D H Lawrence Rudyard Kipling Oscar Wilde Katherine Mansfield Martin Amis and others      *Utopian England* Dennis Hardy,2012-12-06 England in the early part of the twentieth century was rich in utopian ventures diverse and intriguing in their scope and aims Two world wars an economic depression and the emergence of fascist states in Europe were all a spur to idealists to seek new limits to escape from the here and now and to create sanctuaries for new and better lives Dennis Hardy explores this fascinating history of utopian ideals the lives of those who pursued them and the utopian communities they created Some communities were fired by a long tradition of land movements others by thoughts of more humane ways of building towns In turn there were experiments devoted to the arts to the promotion of religious doctrine and to a variety of political causes And some were just places of the imagination Utopian England is about just one episode in the perennial search for perfection but what is revealed has lessons that extend well beyond a particular time and place So long as there are failings in society so long as rationality is not enough there will continue to be a place for thinking the impossible for going in search of utopia
