known Hollywood is full of cautionary tales for child actors like Judy Garland Jackie Coogan and Macaulay Caulkin who all soared to fame in their youth only to suffer family feuds drug addiction or other ill effects of becoming famous so early in life Even those child actors for whom stardom was not traumatic such as Shirley Temple had great difficulty succeeding in Hollywood as an adult with their careers effectively over by the time they reached adulthood Child actors may or may not enjoy the fame bestowed upon them so early in life but their fame has almost always come at a cost especially since it has traditionally been difficult for audiences to disassociate them from their early roles On the other hand the life of Elizabeth Taylor bears little in common with the paradigm of the troubled child star After arriving in the United States at the age of 9 Taylor was indoctrinated into the life of the Hollywood studio system shortly after child stars Judy Garland and Mickey Rooney but while Garland suffered great trauma at the hands of the studio system Taylor s early experience in Hollywood represented the flip side of the coin Groomed for a life in Hollywood by her zealous mother Taylor enjoyed her life in the motion picture industry and reveled in the privileged lifestyle and opportunities she enjoyed by virtue of her profession Acting supplied her with a lavish lifestyle and more importantly for her constant attention From an early age Taylor displayed a vociferous love for living in the public eye Another difference separating her from other child stars is that Taylor was able to successfully transition from child star to major adult actress in fact her fame only escalated as she grew into adulthood In many ways Taylor enjoyed being in the public spotlight and living the lifestyle of the rich and famous and her personal life very much resembled a performance suitable for Hollywood Taylor faced great adversity throughout her life including being married on eight different occasions to seven different spouses and fighting battles with weight and drug addiction Still while many actors grow resentful of public attention even during her moments of personal struggle Taylor thrived on public attention and enjoyed a mutually adoring relationship with the American public She was a creature of the studio system yet she maintained a dynamic with the public that deviated sharply from the norms of child actors American Legends The Life of Elizabeth Taylor examines the life and career of Elizabeth Taylor putting the spotlight on Taylor s child roles and her adult films and the relationship between the two main stages of her career Of course it also documents the notorious elements of her personal life as well Along with pictures of important people places and events you will learn about Elizabeth Taylor like never before in no time at all *Elizabeth Taylor, the Last Star* Kitty Kelley,1981 Follows her career and personal life from childhood through her real life role as a Senate wife Elizabeth Taylor Susan Smith,2019-07-25 Elizabeth Taylor was one of the major film stars of the twentieth century embodying all the glamour and allure of Hollywood stardom Yet her achievements as an actress have often been overshadowed by her beauty and tumultuous life off screen To redress this imbalance Susan Smith offers an illuminating study of Elizabeth Taylor s work in film exploring her fascinating trajectory from child to adult star Smith reveals the influence that Taylor s early work exerted over her later career and the ways in which her on screen identity is profoundly rooted in her association with animals and nature Smith carefully unpicks what

made Taylor such a distinctive and dynamic on screen performer from the expressive use she made of her eyes to the dramatic significance of her voice and considers the importance of certain professional collaborations that Taylor forged during her career most notably her acting partnership with Montgomery Clift **Elizabeth Taylor** Kathryn Dixon, 2014-05-19 Elizabeth Taylor defines movie star Breathtakingly beautiful from a very young age she most successfully made the rare transition from child star to adult star Pocketing two Best Actress Oscars and numerous other honors for achievement in acting Elizabeth battled an overbearing stage mother a stronghanded studio unhappy marriages global media attention alcohol and prescription drug addiction and life long health problems to emerge if not victorious resolute and reflective and appreciative of all that she had experienced and learned In addition to her career Elizabeth is well known for her seven husbands and eight marriages two of which were to the tempestuous Welsh actor Richard Burton and for her magnificent jewelry collection Her fight for funding to support AIDS HIV research was also a major part of her life s work after her acting career was largely over Filled with photos of Elizabeth her husbands her leading men and her four children this book tells the story of Ms Taylor s almost unbelievable life as leading lady jet setter and adulteress as well as a pretty down to earth person simply seeking happiness Her story is fascinating just as she was *The Richard Burton Diaries* Richard Burton, 2012-10-15 The irresistible candid diaries of Richard Burton published in their entirety Just great fun and written out of an engaging often comical bewilderment How did a poor Welshman become not only a star but a player on the world stage that was Elizabeth Taylor s fame Hilton Als New Yorker com Of real interest is that Burton was almost as good a writer as an actor read as many as three books a day haunted bookstores in every city he set foot in bought countless books on every conceivable subject and evaluated them rather shrewdly Apt writing abounds John Simon New York Times Book Review Irresistibly magnetic on stage mesmerizing in movies seven times an Academy Award nominee Richard Burton rose from humble beginnings in Wales to become Hollywood s most highly paid actor and one of England s most admired Shakespearean performers His epic romance with Elizabeth Taylor his legendary drinking and story telling his dazzling purchases enormous diamonds a jet homes on several continents and his enormous talent kept him constantly in the public eye Yet the man behind the celebrity fa ade carried a surprising burden of insecurity and struggled with the peculiar challenges of a life lived largely in the spotlight This volume publishes Burton s extensive personal diaries in their entirety for the first time His writings encompass many years from 1939 when he was still a teenager to 1983 the year before his death and they reveal him in his most private moments pondering his triumphs and demons his loves and his heartbreaks The diary entries appear in their original sequence with annotations to clarify people places books and events Burton mentions From these hand written pages emerges a multi dimensional man no mere flashy celebrity While Burton touched shoulders with shining lights among them Olivia de Havilland John Gielgud Claire Bloom Laurence Olivier John Huston Dylan Thomas and Edward Albee he also played the real life roles of supportive family man father husband and highly intelligent observer His
