Information Diane Rasmussen Neal,2012-10-30 The scope of this volume will encompass a collection of research papers related to indexing and retrieval of online non text information In recent years the Internet has seen an exponential increase in the number of documents placed online that are not in textual format These documents appear in a variety of contexts such as user generated content sharing websites social networking websites etc and formats including photographs videos recorded music data visualizations etc The prevalence of these contexts and data formats presents a particularly challenging task to information indexing and retrieval research due to many difficulties such as assigning suitable semantic metadata processing and extracting non textual content automatically and designing retrieval systems that speak in the native language of non text documents **Eternal Flame** Jennifer Otter Bickerdike,2025-02-18 The authorized biography of the

quintessential 80s pop band The Bangles who scored massive hits with Manic Monday Walk Like an Egyptian Hazy Shade of Winter and more From their first meeting in 1981 the Bangles were ambitious focused and intentional their hard work and determination resulted in millions of records sold across the globe before becoming the first all girl band to have five Top 10 hits Not long after coming together they toured the world released 1 records and collaborated with the biggest artists of the day They seemed unstoppable until tensions within the band artistic differences and the pressures of sudden celebrity tore them apart less than a decade later ETERNAL FLAME is the story of those eight years of a diverse and vibrant Los Angeles music scene unfettered work ethics and self belief the dawn of MTV the unpredictable consequences of fame life as a touring band and their rapid rise to global domination then imploding at the height of success But it's also a story of the very real challenges faced by women attempting to follow their artistic dreams in a media and music industry ecosystem which seemed set up for their failure from the start With unprecedented access to founding members Debbi Peterson Susanna Hoffs and Vicki Peterson ETERNAL FLAME is the first authorized biography of this iconic group featuring exclusive stories input and
