Emanuel Swedenborg John Hyde,2016-10-17 Excerpt from Emanuel Swedenborg A Lecture Revised and Extended
There is a constantly increasing demand for some knowledge of Swedenborg and the doctrines he taught But the assumption that the Lord has no new truth to communicate to men is so prevalent that Swedenborg's claim to have performed this office is received with much hesitation and doubt if not by prompt denial The questions y to the lips If these truths are so grand and important to man's salvation and Epiritual progress as he says they are Why were they not made known before Why has the Lord delayed this work for thousands of years Why did he select Swedenborg for this office About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
