Emasculation Of The Unicorn The Loss And Rebuilding Of Masculinity In America:

Emasculation of the Unicorn Bud Harris, Clifton Tumlins Bud Harris, 1994 The Unicorn runs free but it's idealistic too Harris is a Jungian analyst who has written a book for men for men who want to deal with heroics and responsibility feelings and masculinity Not a touchy feely book Harris helps men gain insight into their positive role in America today a role that encompasses the spirit as well as the feminine

Resurrecting the Unicorn Bud Harris, 2008-11 Many 21st century men have been raised by women without a masculine role model and what they've learned about being a man has been defined by their mothers wives and outdated or distorted concepts from the 20th century feminist movement As is the case for both men and women without a strong masculine image our souls become fragmented and we lose our way When we are in such a state of confusion and imbalance we must begin again to search for the Holy Grail The Grail is the symbolic container of the psycho-spiritual contents that can nourish balance and renew our lives In *Resurrecting the Unicorn* Bud Harris guides us deep into the realm of metaphors where we can examine the evolution and development of human consciousness and reclaim discarded yet much needed aspects of our humanity

Handbook of Counseling Boys and Adolescent Males Arthur M. Horne, Mark S. Kiselica, 1999-08-09 This comprehensive practical resource provides specific strategies for counsellors working with boys and male adolescents from different cultural backgrounds The first part examines how psychological career and athletic development of boys is shaped by a complex interaction of biological social cultural and economic forces The Second Part covers cultural considerations when counselling particular North American client groups such as Hispanic Americans The final part focuses on special populations such as gay sexually abused and developmentally disabled boys

The Fire and the Rose Bud Harris, 2024-04-15 Our encounters with love spirituality and sexuality play a major role in shaping who we are These powerful aspects of our lives are woven into the pattern that forms our potential for wholeness Through growing consciousness sexuality and spirituality can support our efforts to live more passionately and to understand love in all of its forms In this stimulating and inspiring book Jungian Analyst Bud Harris Ph D challenges us to reconsider our views of spirituality and sexuality as opposites and bring them into harmony and creativity He encourages that together we can heal one of our culture's great wounds of the soul Bud Harris addresses the neurotic split between divinity and the body between spirit and matter and proffers a path of reconciliation and reclamation of sexuality as a vital link to a fuller expression of spirit Full of personal confession case examples and exercises this work offers both theoretical and practical tips to personal and cultural healings James Hollis Ph D Jungian analyst author *Finding Meaning In The Second Half of Life* I have read *The Fire and the Rose* three times now and find something fresh and necessary to my life in each reading Dr Harris is generous with his personal history widely read and deeply involved in the human journey He is a healer in words and stories Gail Godwin Ph D novelist author of *Father Melancholy's Daughter* and *Glass People* When life becomes stagnant and congealed most often sexuality brings a new crisis fraught with the high cost and great promise of the fire of the

numinous The desire that seems to be wrecking our lives may well be the Self awakening us to Soul and the Divine The choice Harris proposes is dead soul addiction or discovering those questions that keep us alive and thirsty Rev Dr Bill Dols creator and editor of The Bible Workbench and coauthor Finding Jesus Discovering Self Passages to Healing and Wholeness A deeply soulful book written from the heart filled with wisdom intimate personal sharing challenging questions and insights into the wonders and mysteries of sexuality and spirituality This book is significant for all of us and a timely resource for psychotherapists and spiritual directors I can't wait to share this book with others especially my clients Gail Vaughn Rogers M A psychotherapist Bud Harris invites the reader to meander in the labyrinth of the Self and there to engage with one's particular monster His wise counsel to live the paradox of freedom through honest engagement with the shadow is the Ariadne thread of a mature anima John Beebe MD Jungian analyst author Integrity in Depth Bud Harris sees spirituality as the driving force that moves us into a life connected to something greater than ourselves and desire as awakening of the soul ridding us of fear and nourishing us during our lifelong journey of becoming He suggests solutions to journal to record dreams and to understand metaphor in religion literature and myth as a source of wisdom He challenges us to create joyful passionate and meaningful lives Charlotte Mathes PhD Jungian analyst author And a Sword Shall Pierce Your Heart Dr Bud Harris explores with humility and wisdom the tension spirituality and sexuality brings to individuals couples and societies He has added points of discussion at the end of several chapters as well as helpful guidelines in dealing with dreams I highly recommend this book Tess Castleman MA LPC Jungian analyst author Threads Knots Tapestries *International Guide to Literature on Masculinity* Diederik F. Subject Guide to Books in Print ,1996 *Paperbound Books in Print* 1995 Reed Reference Publishing,Reference Reed,1995-12 **Psychology Today** T. George Harris,Ziff-Davis Publishing Company, Our Lost Manhood - The Loss and Rebuilding of Masculinity in America C. T. B. Harris,2001-11-01 This guide looks at manhood in a society where the male role has changed dramatically Dr Harris cuts through the confusion surrounding the definition of masculinity and provides tools that help readers find answers to their concerns over masculinity *The Emasculation of Men in America* William Bray,2006-02-23 A war in being waged in American Society in an effort to strip males of their Manhood It is being waged by a number of repressive forces but it is most notably resulting from excessive force being used by Radical Feminists to serve the cause of women s rights While most agree that such a cause is just and needed it should not be necessary to step on men and then to kick them in order to raise the cause of women s rights to new heights In this process feminist writers are rewriting historical accounts of ancient Greece and Rome writing plays and making films showing males in passive or subservient roles and even attempting to rewrite the Bible suggesting Jesus had a wife and family This pure fabrication that Mary Magdalene was married to Jesus to serve the agenda of feminists whose goal may be to reduce Jesus to a kind of Dagwood Bumstead where Blondie gets credit for holding everything together should be considered blasphemy by every Christian The Emasculation of Men in America is intended to be a wake up call for men and women in society and to stimulate discussion in an effort to save the very identity of males and their sons in the future *Manhood in America* Michael S. Kimmel,2012 For more than three decades the women s movement and its scholars have exhaustively studied women s complex history roles and struggles In *Manhood in America* Third Edition author Michael Kimmel argues that it is time for men to rediscover their own evolution Drawing on a myriad of sources he demonstrates that American men have been eternally frustrated by their efforts to keep up with constantly changing standards Kimmel contends that men must follow the lead of the women s movement it is only by mining their past for its best qualities and worst excesses that men will free themselves from the constraints of the masculine ideal The third edition discusses such timely topics as post 9 11 politics self made masculinities including those of Internet entrepreneurs presidential campaigns and gender politics It also covers contemporary debates about fatherlessness the biology of male aggression and pop psychologists like John Gray and Dr Laura Outlining the various ways in which manhood has been constructed and portrayed in America this engaging history is ideal as a main text for courses on masculinity or as a supplementary text for courses in gender studies and cultural history
