Embers A Novel In Poems:

Embers Terry Wolverton,2003 *Embers* Maurine Hathaway,1910 **Embers** John Myers O'Hara,2017-08-25

Embers Maurine Hathaway,2017 My poems are my children and I have not breathed them to please They are born of my fancy guided each by its own pre natal impulse Of the reader I ask only the indulgence granted the mother loving her own It may be that here and there a thought may find welcome lodgment in some kindred heart that a line may breathe a smile to saddened lips if this may be I shall be glad for I have given these lines from my deepest soul Where pathos is found you may believe my heart was burdened if written in merry vein the sunlight guided my pen Each poem tells its story of life as life was then I give you my children if censure comes pray let it come to me not them Page 3 **Saints of Hysteria** David

Trinidad,Denise Duhamel,Maureen Seaton,2007-03-06 Collaborative poetry poems written by one or more people grew out of word games played by French surrealists in the 1920s It was taken up a decade later by Japan s Vou Club and then by Charles Henri Ford who created the chainpoem composed by poets who mailed their lines all over the world After WW II the Beat writers collaborative experiments resulted in the famous Pull My Daisy The concept was embraced in the 1970s by feminist poets as a way to find a collective female voice Yet for all its rich history virtually no collections of collaborative poetry exist This exhilarating anthology remedies the omission Featured are poems by two four even as many as 18 people in a dizzying array of forms villanelles to ghazals sonnets to somonkas pantoums to haiku even quizzes questionnaires and other nonliterary forms Collaborators notes accompany many of the poems giving a fascinating glimpse into the creative process

Ash and Embers James A. Zoller,2018-03-15 Ash thus it embraces the tension that language is inadequate alien and paradoxically a tool for recognition and understanding In Zoller s poems how we speak about life as physical passage as spiritual pilgrimage as imagined patterns as emotional canvas as interwoven narrative strands and as social construct all these voices meet in one conversation Between Photographs that begins the book and Hard Copy that brings it to a close we find everything from first impressions to Second Knowings from notes on the poems of Mao and Seamus Heaney to prayers to the God of time eternity and love **Fleet of Knives: An Embers of War novel** Gareth L. Powell,2019-02-19 From award

winning author Gareth L Powell the second book in the critically acclaimed Embers of War space opera series The former warship Trouble Dog and her crew follow a distress call from the human starship Lucy s Ghost whose crew have sought refuge aboard an abandoned generation ship launched ten thousand years before by an alien race However the enormous vessel contains deadly secrets of its own The Marble Armada calls for recovered war criminal Ona Sudak to accompany its ships as it spreads itself across the Human Generality enforcing the peace with overwhelming and implacable force Then Sudak s vessel intercepts messages from the House of Reclamation and decides the Trouble Dog has a capacity for violence which cannot be allowed to endure As the Trouble Dog and her crew fight to save the crew of the Lucy s Ghost the ship finds herself caught between chaotic alien monsters on one side and on the other destruction at the hands of the Marble Armada
