Embroidered Stuart Pictures:

Embroidered Stuart Pictures Margaret Swain,1990 Embroidered pictures of the seventeenth century still abound on boxes mirror frames and bookbindings The tiny figures dressed in opulent garments exquisitely embroidered and set in a flowery landscape are admired for their doll like appearance though the subjects are often obscure to the modern eye This book gives a readable and authoritative account of how they came to be made who made them and where they obtained their designs It will be a useful handbook to collectors museum curators and dealers and an inspiration to the moderns needlewoman *The Art of Joseph Farquharson, A.R.A.* William Macdonald Sinclair,1912 *The Connoisseur* ,1907

Chats on Old Lace and Needlework Emily Leigh Lowes,1908 **Embroidering Her Truth** Clare Hunter,2022-03-17 I felt that Mary was there pulling at my sleeve willing me to appreciate the artistry wanting me to understand the dazzle of the material world that shaped her At her execution Mary Queen of Scots wore red Widely known as the colour of strength and passion it was in fact worn by Mary as the Catholic symbol of martyrdom In sixteenth century Europe women s voices were suppressed and silenced Even for a queen like Mary her prime duty was to bear sons In an age when textiles expressed power Mary exploited them to emphasise her female agency From her lavishly embroidered gowns as the prospective wife of the French Dauphin to the fashion dolls she used to encourage a Marian style at the Scottish court and the subversive messages she embroidered in captivity for her supporters Mary used textiles to advance her political agenda affirm her royal lineage and tell her own story In this eloquent cultural biography Clare Hunter exquisitely blends history politics and memoir to tell the story of a queen in her own voice A charmed feat of imagination and learning HILARY MANTEL *Needlework of Mary Queen of Scots* Margaret Swain,2013-08-31 Although a large body of needlework has always been attributed to Mary Queen of Scots little attempt was made to authenticate these pieces or to explain how so energetic and impetuous a woman could have found pleasure in the meticulous craft of embroidery This is the first comprehensive study of the Queen as a needlewoman describing all the works associated with her For the first time every piece marked by her cipher or monogram is illustrated in full A biographical outline provides the framework for understanding her work by setting it in the context of her unsettled and stormy life It recounts the influence of her formative years in France and her absorption in needlework during the years of imprisonment Many of the embroideries can be seen in British country houses and in Scottish collections A significant work in the history of costume and textiles and sheds a new light on those little known aspects of Mary Queen of Scot s life The first comprehensive study of the Queen of Scots as a needlewoman and how such an energetic and impetuous woman could have found pleasure in the meticulous craft of embroidery Illustrated in full with 12 colour 70 black white photographs and 20 illustrations Margaret Swain is an expert on the history of costume and textiles and was awarded an MBE for her work on embroidery and tapestries **Bulletin of the Museum of Art** Rhode Island School of Design. Museum of Art,1920 [Eighteenth-century Contexts](#) Howard D. Weinbrot,Peter J. Schakel,Stephen E. Karian,2001 This text

offers an array of essays that consider literary intellectual political theological and cultural aspects of the years 1650 1800 in the British Isles and Europe At the centre of the book is Jonathan Swift other essays discuss Alexander Pope 18th century music and poetry William Congreve James Boswell Samuel Richardson and women s novels of the 18th century Library of Congress Subject Headings Library of Congress,1998 Library of Congress Subject Headings Library of Congress.
