Emergence Of The Past:

The Emergence of the Past Dale H. Porter, 1981 **Doing History** Mark Donnelly, Dr. Claire Norton, Claire Norton, 2011 History as an academic discipline has dramatically changed over the last few decades and has become much more exciting and varied as a result of ideas from other disciplines the influence of postmodernism and historians incorporation of their own theoretical reflections into their work The way history is studied at university level can vary greatly from history at school or as represented in the media and *Doing History* bridges that gap Aimed at students of history in their final year of secondary education or beginning degrees this is the ideal introduction to studying history as an academic subject at university *Doing History* presents the ideas and debates that shape how we do history today covering arguments about nature of historical knowledge and the function of historical writing whether we can really ever know what happened in the past what sources historians depend on and whether the historians version of history has more value than popular histories This practical and accessible introduction to the discipline introduces students to these key discussions familiarises them with the important terms and issues equips them with the necessary vocabulary and encourages them to think about and engage with these questions Clearly structured and accessibly written it is an essential volume for all students embarking on the study of history Publication of the American Sociological Society American Sociological Association, 1913 List of members in v 1 5 25 28 supplemental list in v 26 27 *On Doing Local History* Carol Kammen, 2003 Completely revised and updated edition of the guide for local historians Aging in World History David G. Troyansky, 2015-10-05 In *Aging in World History* David G Troyansky presents the first global history of aging At a time when demographic aging has become a source of worldwide concern and more people are reaching an advanced age than ever before the history of old age helps us understand how we arrived at the treatment of aging in the modern world This concise volume expands that history beyond the West to show how attitudes toward aging the experiences of the aged and relevant demographic patterns have varied and coalesced over time and across the world From the ancient world to the present this book introduces students and general readers to the history of aging on two levels the experience of individual men and women and the transformation of populations With its attention to cultural traditions medicalization decades of historical scholarship and current gerontology *Aging in World History* is the perfect starting point for an exploration of this increasingly universal aspect of human experience *The ^AOxford Companion to United States History* Paul S. Boyer, 2001-07-04 Here is a volume that is as big and as varied as the nation it portrays With over 1 400 entries written by some 900 historians and other scholars it illuminates not only America s political diplomatic and military history but also social cultural and intellectual trends science technology and medicine the arts and religion Here are the familiar political heroes from George Washington and Benjamin Franklin to Abraham Lincoln Woodrow Wilson and Franklin D Roosevelt But here too are scientists writers radicals sports figures and religious leaders with incisive portraits of such varied individuals as

Thomas Edison and Eli Whitney Babe Ruth and Muhammed Ali Black Elk and Crazy Horse Margaret Fuller Emma Goldman and Marian Anderson even Al Capone and Jesse James The Companion illuminates events that have shaped the nation the Great Awakening Bunker Hill Wounded Knee the Vietnam War major Supreme Court decisions Marbury v Madison Roe v Wade landmark legislation the Fugitive Slave Law the Pure Food and Drug Act social movements Suffrage Civil Rights influential books The Jungle Uncle Tom's Cabin ideologies conservatism liberalism Social Darwinism even natural disasters and iconic sites the Chicago Fire the Johnstown Flood Niagara Falls the Lincoln Memorial Here too is the nation's social and cultural history from Films Football and the 4 H Club to Immigration Courtship and Dating Marriage and Divorce and Death and Dying Extensive multi-part entries cover such key topics as the Civil War Indian History and Culture Slavery and the Federal Government A new volume for a new century The Oxford Companion to United States History covers everything from Jamestown and the Puritans to the Human Genome Project and the Internet from Columbus to Clinton Written in clear graceful prose for researchers browsers and general readers alike this is the volume that addresses the totality of the American experience its triumphs and heroes as well as its tragedies and darker moments
