El Alamein:

Battle Story: El Alamein 1942 Pier Paolo Battistelli, 2011-09-30 The Second Battle of El Alamein marked a major turning point in the Western Desert Campaign of the Second World War El Alamein saw two of the greatest generals of the war pitted against each other Rommel and Montgomery Through key profiles and a chapter devoted to The Armies Battle Story El Alamein explores what made these men inspired leaders and what led to their respective defeat and victory Montgomery's success ensured that the Axis army was unable to occupy Egypt and therefore gain control of the Suez Canal or the Middle Eastern oil fields thereby preventing a major source of income and power for them The background and impact of the battle are explored in separate chapters so offering the reader a clear insight into why what happened in this remote part of Egypt was so central to the Allied cause Through quotes and maps the text explores the unfolding action of the battle and puts the reader on the frontline If you truly want to understand what happened and why read Battle Story *El Alamein 1942* Ken Ford, 2005-09-10 The battle of El Alamein marked the turning point in Britain's fortunes in the World War II 1939-1945 There were three separate battles between July and November 1942 all of which were fought to halt the advance of Rommel's army towards the Suez Canal This final battle at El Alamein fought in October and November saw the continuous bombardment of the German line that Rommel was instructed to hold at all costs by Hitler himself The Allies shattered the German defences and Rommel led a westward retreat in order to salvage what was left of the Afrika Korps This book provides an in-depth analysis of the battle that turned the tide in favour of the Allies in Africa El Alamein and the Struggle for North Africa Jill Edwards, 2012-10-01 This new collection of studies presents fresh insights into a war fought over unusually difficult terrain and with exceptional supply demands From the ongoing Italian geomorphic study of the Alamein arena to individual memories of non-combatant Alexandrians from the Free French to the seasoned colonial forces of Australia India New Zealand and South Africa and from vital naval engagements and the siege of Malta to the study of Rommel's leadership and the Churchill Montgomery duo this book presents the reader with a detailed yet broad reassessment of the complexities of the war in North Africa between 1941 and 1943 its technology philosophy military doctrine strategy tactics logistics and the associated local and international politics Writing from the perspectives of some of the many nations whose armies were involved in the conflict fifteen historians bring to their work the precision of their national historical archival sources in clear and spritely narratives **El Alamein** John Sadler, 2010-08-15 The epic battle in Egypt between Britain's Desert Rats and the Axis forces led by Rommel the Desert Fox *Pendulum of War* Niall Barr, 2005-04-21 In late June 1942 the dispirited and defeated British Eighth Army was pouring back toward the tiny railway halt of El Alamein in the western desert of Egypt Tobruk had fallen and Eighth Army had suffered a humiliating defeat at the hands of Rommel's Panzerarmee Afrika Yet just five months later the famous opening bombardment signaled the start of Eighth Army's own offensive which destroyed the Axis threat to Egypt Explanations for the remarkable change in the fortunes of Britain's desert army have generally been

sought in the abrasive personality of the new army commander Lieutenant General Bernard Law Montgomery But the long running controversies surrounding the commanders of Eighth Army Generals Auchinleck and Montgomery and that of their legendary opponent Field Marshal Erwin Rommel have often been allowed to obscure the true nature of the Alamein campaign This is also the story of how an army learned from its mistakes For too long the change in personalities at the top has blurred the real continuity of experience that saw the Eighth Army transform itself from a tactically inept collection of units into a battle winning army Pendulum of War explores the Eighth Army s learning curve and shows how lessons from bitter experience were used to develop improved tactical methods that eventually mastered the veterans of Rommel s Afrika Korps Book Jacket

El Alamein Field-Marshal Michael Carver,2017-07-11 The Second Battle of El Alamein 23 October 11 November 1942 was a decisive battle of the Second World War that took place near the Egyptian railway halt of El Alamein and marked the watershed of the Western Desert Campaign In August 1942 Lt Gen Sir Bernard Law Montgomery took command of the 8th Army and the British victory turned the tide in the North African Campaign ending the Axis threat to Egypt the Suez Canal and the Middle Eastern and Persian oil fields via North Africa The Second Battle of El Alamein revived the morale of the Allies being the first major success against the Axis since Operation Crusader in late 1941 The battle coincided with the Allied invasion of French North Africa in Operation Torch which started on 8 November as well as the Battle of Stalingrad and the Guadalcanal Campaign This book first published in 1962 provides a detailed account of the Second Battle of El Alamein based on original German and British sources and drawing on the author s own observations as one of the combatants

The Battle of El Alamein Fred Majdalany,2003-02-11 Majdalany recounts the battle with the clarity of full comprehension

El Alamein 1942 Richard Doherty,2018-08-30 The Battle of El Alamein is well established as a pivotal moment of the Second World War Following the wildly fluctuating fortunes of the opposing sides there was a real risk that Rommels Afrika Korps and his Italian allies would break through and seize Cairo with catastrophic strategic and political implications for the Allies That this never happened is of course well known but as this highly readable yet authoritative work reveals there were moments of extreme peril and anxiety Churchills bold nay desperate decisions concerning key appointments Montgomerys stubborn refusal to be rushed Rommels chronic logistic problems and critical air superiority are all examined in expert detail The authors description of the actual fighting is brought to life by personal accounts as well as his complete grasp of the plan and tactics involved The result seventy five years on is a delightfully fresh and fascinating account of one of the iconic battles not just of the War but in military history

El Alamein Bryn Hammond,2012-06-20 El Alamein Britain s victory in the deserts of North Africa in 1942 was the first major reversal of fortunes for Hitler s Third Reich Before the Battle of El Alamein in 1942 the British had never won a major battle on land against the Germans nor indeed had anyone else Drawing on a remarkable array of first hand accounts this book reveals the personal experiences of those on the frontline and provides fascinating details of how the war was actually fought It also

includes analysis of the strategic decisions made by the generals El Alamein is the story of exactly how a seemingly beaten and demoralized army turned near defeat into victory in a little over four months of protracted and bloody fighting in the harsh North African desert *Destiny in the Desert* Jonathan Dimpleby,2013-09-03 A superior history of the North African campaign and the British WWII victory that Winston Churchill called the end of the beginning Booklist It was the Allied victory at the Battle of El Alamein in November 1942 that inspired one of Churchill s most famous aphorisms This is not the end it is not even the beginning of the end but it is perhaps the end of the beginning And yet the true significance of this iconic episode remains unrecognized In this thrilling historical account Jonathan Dimpleby describes the political and strategic realities that lay behind the battle charting the nail biting months that led to the victory at El Alamein in November 1942 It is a story of high drama played out both in the war capitals of London Washington Berlin Rome and Moscow and at the front in the command posts and foxholes in the desert *Destiny in the Desert* is about politicians and generals diplomats civil servants and soldiers It is about forceful characters and the tensions and rivalries between them Drawing on official records and the personal insights of those involved at every level Dimpleby creates a vivid portrait of a struggle which for Churchill marked the turn of the tide and which for the soldiers on the ground involved fighting and dying in a foreign land

El Alamein Philip Arthur Sauvain,1992 An account of the pivotal World War II battle in which the German and Italian forces were defeated by the Allies in North Africa *El Alamein 1942* Pier Paolo Battistelli,2016-03-26 The story of one of the most important battles of the Second World War between two of its greatest generals is expertly related and explained by a leading historian with detailed illustrations and supplementary facts **El Alamein** Michael Carver,2000 **El Alamein and the Struggle for North Africa** Jill Mary Edwards,2012 From the ongoing Italian geomorphic study of the Alamein arena to individual memories of non combatant Alexandrians from the Free French to the seasoned colonial forces of Australia India New Zealand and South Africa and from vital naval engagements and the siege of Malta to the study of Rommel s leadership and the Churchill Montgomery duo this book offers a detailed yet broad reassessment of the complexities of the war in North Africa between 1941 and 1943 its technology philosophy military doctrine strategy tactics logistics and the associated local and international politics Alamein Stephen Bungay,2013-02-25 El Alamein was the World War II land battle Britain had to win By the summer of 1942 Rommel s German forces were threatening to sweep through the Western Desert and drive on to the Suez Canal and Britain was in urgent need of military victory Then in October after 12 days of attritional tank battle and artillery bombardment Montgomery s Eighth Army with Australians and New Zealanders playing crucial roles in a genuinely international Allied fighting force broke through the German and Italian lines at El Alamein It was a turning point in the war after which in Churchill s words we never had a defeat Stephen Bungay s book is as much at home analysing the crucial logistics of keeping desert armies supplied with petrol and tank parts as it is reappraising the combat strategies of Montgomery and Rommel and ranges widely from the domestic political pressures on

Churchill to the aerial siege of Malta key to the control of the Mediterranean And in a chapter on The Soldier s War Bungay graphically evokes the phantasmagoric blur of thunderous cannonade and tormenting heat that was the lot of the individual men who actually fought and died in the desert [El Alamein](#) ,2003 **The Battles of El Alamein** Ben

Skipper,2022-03-18 The early battles of North Africa between the Axis powers and the British Commonwealth and her European allies were among the very last clashes of chivalry At the small town of El Alamein belligerents met and fought on two occasions for overall control of both Egypt and the Suez in the latter half of 1942 For the Allies the battles were also a chance to destroy Axis ambitions in the Western Desert while gaining mastery of the Mediterranean and a foothold in Southern Europe The two battles in July and October to November 1942 were to see men and equipment tested to the very limit of their capabilities They were also the first major battles where Allied intelligence and all arms planning played a key part in defeating an experienced adversary These battles would cement the two armies and their commanders reputations in perpetuity and sows the seeds for the steady defeat of the Axis in the West This Battle Craft title also looks at four pieces of military hardware that were involved in these legendary battles Representing the land forces are the Crusader and Panzer III both working to the limits of their designs and already legends in their own rights The Desert Air Force s Curtiss P40Es and the Luftwaffe s Messerschmitt Bf109 Es represent the battle for air superiority that raged overhead The Quartermaster section provides the modeler with an insight into the development and operational use of the four chosen vehicles and aircraft that were involved in the Battles of El Alamein A selection of historical and contemporary photos and illustrations feature alongside stunning showcase builds providing the modeler with subjects to whet the creative appetite It also features details of model kits and extras that can really help the modeler bring military history to life **El Alamein** Alexander

McKee,2024-05-13 The definitive account of one of history s greatest campaigns as remembered by the participants on land sea and air Perfect for readers of Max Hastings James Holland and Anthony Beevor By mid 1942 Rommel and his Afrika Korps were driving the Allies ever further into retreat Yet by the end of the year Montgomery and the Eighth Army had not only halted the lightning attacks of Rommel s Panzer army but had also turned the tide achieving a resounding victory at El Alamein How were Montgomery and his men able to defeat Rommel s seemingly invincible army El Alamein is a fascinating study of one of the major turning points of the Second World War Alexander McKee gives insight into the directives coming from the British War Cabinet in the tumultuous months when Allied resistance seemed to be wavering as well as emphasising the importance of Ultra the British code breaking and deciphering operation in providing advance information about Rommel s supply ships and troop movements Yet McKee not only provides an overview of the battle and the orders of those in command but also utilises accounts from British and Commonwealth ex servicemen the bomber pilots submarine commanders army officers and soldiers to offer insights into the crucial roles they played This new assessment finally gives full credit to the carefully coordinated three pronged attack where each element contributed to the final success There has

never been a more complete account of the Desert War El Alamein should be essential reading for all interested in the Second World War and one of its most important battles **El Alamein to the River Sangro** Bernard Law Montgomery Montgomery of Alamein (Viscount),1973 **El Alamein--desert Victory** / John Strawson,1981 Slaget ved El Alamein i 1942 er ofte beskrevet som et afgørende slag Hvad er det som gør et slag afgørende Forfatteren analyserer dette tema ved at behandle baggrunden for slaget den politiske og militære effektivitet på begge sider beskrive slagets forskellige faser og søger at sætte det ind i et større strategisk sammenhæng
